Bill's theme of "Pride in our past, and confidence and enthusiasm in our future," not only applies to the first hundred years of the Grand Lodge of Saskatchewan, but to the next years as well. REPORT OF THE GRAND SECRETARY-GENERAL

To the Supreme Council 33° of the Ancient and Accepted Scottish Rite of Freemasonry of Canada.

Sovereign Grand Commander, Peers and Brethren:

The organization for the Annual Session in Ottawa in September 2007 is completed thanks to the General Chairman and his Committees. We look forward to this session in Ottawa and our visit to Canada's capital city.

The Annual Session in Halifax was successful because of their committee planning and the enthusiasm of their committees and numerous volunteers.

FUTURE SESSIONS:

The committees for Vancouver have been established and are working well. From the minutes of their committee meeting we note that all is progressing well and may be ahead of schedule.

Hamilton is continuing in the organization and planning for 2009 and we look forward to working with them on this annual session.

Moncton is a go for 2010 and are making plans and their chairman is in place. We expect to receive proposed plans for 2010 from them in the near future.

We have received an invitation to hold our Annual Session in 2012 in Winnipeg. This invitation will be dealt within the near future.

We will again be holding a meeting for the future session committees in Ottawa and we ask that as many as possible chairmen attend.

In accordance with Article 8(a)(iv) of the Statutes and Regulations at midnight Sept. 14, 2007 III. Bro. Gerald Allister Chaulk, 33^o and III. Bro. Alexander William Watson 33^o, having reached the age of 75 years, will become Past Active.

REPORT OF THE GRAND TREASURER-GENERAL

To the Supreme Council 33^o of the Ancient and Accepted Scottish Rite of Freemasonry of Canada

Sovereign Grand Commander, Peers and Brethren:

I am pleased to present the Annual Financial Statements and the Auditor's report for the year ended May 31, 2007, which will be published in the Annual Proceedings of this Session and can be found in the "Preliminary Proceedings." The Financial Statements constitute both a general and detailed report of all revenues and expenses during the year pursuant to Article .28 [c] of the Statutes and Regulations of Supreme Council.

The audited financial statements for Supreme Council for the year ended May 31, 2007, were reviewed and discussed in detail with our auditors Grant Thornton L.L.P., Chartered Accountants at a recent Finance meeting. For the year ended May 31, 2007, your Supreme Council experienced an excess of revenue over expenses in the amount of \$47,388 as compared to an excess of expenses over revenue in the amount of \$11,827 for fiscal 2006.

The statements of operations and the related schedules of expenses, which can be found in the "Preliminary Proceedings" present the results of operations for the year ended May 31, 2007 together with the comparative figures for the year ended May 31, 2006.

INVESTMENTS

Our investment portfolios have continued to perform well over the past year. Our investment portfolios are in the care of R.B.C. Dominion Securities and I would recommend that they continue to be engaged for the ensuing year. The net value of the assets of the Supreme Council as at May 31, 2007 consisting of cash on deposit and cash equivalents, investments at cost together with amounts receivable, inventory and prepaid items, less

liabilities for accounts payable and fees paid in advance totaled \$1,540,659 which represents a increase of \$47,388 from the balance at May 31, 2006.

Our investment income aggregated \$58,816 for the year ended May 31, 2007 as compared to \$54,322 in the prior year. The net gain on the disposal of investments amounted to \$50,442 as compared to net realized gains on the sale of investments in the prior year of \$6,926. Your Trustees and investment advisors continue to work within the guidelines of the Supreme Council Investment Policy, whereby the portfolios are managed within a maximum of 65% / 35% split of fixed income to equity. The details of the investment portfolios can be found in the audited financial statements and in the Report of the Trustees.

In accordance with Art.28 [d] of the Statutes and Regulations, your Grand Treasurer-General has submitted a draft annual budget plan for the ensuing two fiscal years i.e. May 31, 2008 and May 31, 2009. These proposed budgets have been submitted to the Chairman of Audit and Finance and his committee for review and will be addressed in detail in due course and submitted for approval.

ACTIONS DURING THE YEAR

In addition to the duties and responsibilities of the Grand Treasurer-General as outlined in the Statutes and Regulations of Supreme Council, your Grand Treasurer-General and the Grand Secretary-General are in regular communication throughout the year with our representative at R.B.C. Dominion Securities to review the investment portfolio and its performance. I am satisfied and entirely comfortable with the performance of R.B.C. Dominion Securities as is the Audit and Finance Committee.

Your Grand Treasurer-General, the Grand Secretary-General and the Chief Operating Officer (Executive Secretary) have met on a regular basis to review various matters in connection with the financial affairs of Supreme Council. As indicated above, we have also met with our Auditors, Grant Thornton, Chartered Accountants to review their report and the year- end audited financial statements. A special thanks to our auditors Grant Thornton, Chartered Accountants, L.L.P. and in particular, Mr. E. McDade, CA for their overall assistance and interest during the year.

CANDIDATES' CAPITAL FUND

Once again, I am pleased to report that as a result of your confirmation to establish a Candidates' Capital Fund, this new fund, as outlined in the audited financial statements received the initial seed money of \$15,000 together with the contribution from the candidates over the past few years. The investment portfolio for these funds now aggregates \$38,709 [investments of \$ 37,680 plus cash equivalents of \$1,029] at cost and has a market value of \$52,898, [investments of \$51,869 plus cash equivalents of \$ 1,029] as at May 31, 2007.

This fund will increase with the contributions from this year's class by approximately \$7,050. From here on in, the joining fee as outlined in the Statutes and Regulations of Supreme Council of every new Honorary Inspector-General will include an amount of \$150

or such amount as determined by Supreme Council from time to time. This amount will be invested in this Special Candidates' Capital Fund.

It is suggested that when the fund becomes a meaningful amount, annually Supreme Council would withdraw, say eighty-five [85%] percent of the income earned by the fund to assist with the financial operations of Supreme Council. The capital would remain intact. Accordingly, each year the fund would increase by the fifteen [15%] of the investment income retained in the fund, as well as the contributions made by the fees paid by the new Honorary Inspectors-General.

This recommendation, now implemented will provide an annual renewable source of capital in the future.

PER CAPITA ASSESSMENT

I would remind the brethren that the per capita assessment established by Supreme Council a number of years ago, suggested that we adjust the per capita as shown below:

2008 - \$4.00

2009 - \$4.50

2010 - \$4.50

Accordingly, as Grand Treasurer-General, I would endorse this adjustment.

CONCLUSION

In closing, I wish to record a word of appreciation to all the Supreme Council staff for their loyal support. And to all the Supreme Council brethren who have conscientiously applied fiduciary accountability in helping Supreme Council keep expenditures to budget.

Again, a special word of thanks to: Ill. Bros. C. Robert Townshend 33^o, Sovereign Grand Commander; Matthew F. Todd 33^o, Lieutenant Grand Commander; Donald N. Campbell 33^o, Grand Secretary-General; and Terry A. McLean 33^o, Chief Operating Officer, (Executive Secretary); and the office staff at Supreme Council for all their assistance during the past year to the Grand Treasurer-General.

Respectfully submitted,

REPORT OF THE COMMITTEE ON RITUAL

To the Supreme Council 33^o of the Ancient & Accepted Scottish Rite of Freemasonry of Canada.

Sovereign Grand Commander, Peers and Brethren:

This is my annual report as Chairman of your Committee on Ritual.

I) Varia

- Open and/or joint installations and Maundy Thursday and Easter ceremonies.

As mentioned in my report of last year, during the last years, your Committee received various requests from a number of Valleys and these were mainly about open and/or joint installations and Maundy Thursday and Easter Ceremonies. Your Committee has not yet completed the in-depth revision leading to a final approval in each case. It will endeavour to do so in the coming year.

- First Three Degrees of Scottish Rite

In Montréal, the Condorcet Working Group of La Loge Jean. T. Desaguliers No. 138, pursues the exemplification work of its own version of the first three degrees in French of modern European Ancient & Accepted Scottish Rite rituals. The Grand Lodge of Québec seems to be hesitating still and has not yet taken any clear decision on this matter. It is not known at this point when a meaningful ruling is to be rendered on this experiment and the possibilities it opens. We shall continue to await developments in this regard.

- Advice Requested

Your Committee has been asked to consider the possibility of allowing the presence of members who have not attained the degree worked, within a degree team. After consultation among its members, this Committee ruled it was not permissible.

II) On-Going Revision of Rituals

- Pursuant to the interim approval given last year to the Valley of Winnipeg to use a revision of the 5^o that would allow the use of an ark and urn instead of a coffin, this degree was revised so as to include such an alternative, and it was slightly updated and polished at the same occasion. Special thanks go to III. Bro. Donald R.

Thornton, 33^o and a member of your Committee, who has produced very sharp floor plans and reproductions of the proposed ark and urn, which have been added to ritual itself. The French version has been adjusted with corresponding changes. Accordingly, I file with this report new versions of the 5^o in English and French, both in hard and electronic copies, and they are hereby recommended for approval.

- Some Valleys having complained that hard copies of the 15^o and 32^o, as modified in 2005, had not yet been made available through the Office of the Grand Secretary-General, I took this occasion to incorporate therein the amendments adopted last year for all rituals, and I supplied new updated 2007 versions to the Office of the Grand Secretary-General last February. I understand that copies of these have been made available already.
- As mentioned last year in my report, another of this Committee's present objectives is to revise the 14^o. We have already received comments and preliminary suggestions that we will likely incorporate therein. The text of the French version is nearly complete, and this task should be over soon, including the inclusion of the 2006 amendments.
- Albeit on the back burner still, some further work is cut out for this Committee. Some interesting suggestions by Ill. Bro. R. Grant for changes to the 21^o, the 23^o, 24^o, and 25^o are to be considered for incorporation in those degrees.

III) Translation of the Statutes and Regulations

A major priority for the Valleys of Montreal and Quebec was the translation of the Statutes and Regulations, including a complete set of available forms. The two first phases of this lengthy project have now been completed over the last three years. The translation is now complete. Thanks to Ill. Bro. Dr. Jacques G. Ruelland, 32^o, a renowned scholar, and a first backbreaking revision of the French texts is also complete. As all may realise, the translation of such legalistic documents, which have been the object of numerous amendments over the years, get to contain certain mistakes of consistency as well as obvious typographical errors, which are detected when a rigorous translation is made. Accordingly, certain modifications to the English version are in order so that we may end up with two exactly identical official versions. At the request of the undersigned, our Sovereign Grand Commander has agreed that a working committee consisting of the Chairman of the Committee on Jurisprudence and Legislation, the undersigned and the Grand Secretary-General should agree on a modus operandi to review these documents. We are then to adopt the process leading to the adoption of resulting constitutional amendments, without impairing the work schedule of the next Sessions when these will be proposed en bloc. Accordingly, I file with this report new draft versions of the Statutes & Regulation (in French and English, with highlighted changes as proposed) in electronic format for the Chairman of the Committee of Jurisprudence and Legislation and the Grand Secretary-General. In the meantime, I have also asked Ill. Bros. Lorne A. Phillips and Philippe A. Decelles, both 33^o, who have kindly accepted, to conduct a further polishing review of the French versions.

IV) Appreciation

On behalf of the Committee, I express a sincere and grateful word of thanks to all the members of the Office of the Grand Secretary-General, as well as the titulars of that office, past and present, for their availability and assistance during the past year, with a special mention for our former Executive Secretary, Ill. Bro. Georges R. Robbins, 33^o, who was prompt in answering my constant requests for information and documentation; Thank you. Also to the members of the Committee for their support and to all others who were active in assisting us.

Le tout respectueusement soumis,

We hereby file this our report and enclosures, and would ask that it be accepted and acted upon by this Council.

REPORT OF THE COMMITTEE ON THE GENERAL STATE OF THE RITE

To the Supreme Council 33^o of the Ancient and Accepted Scottish Rite of Freemasonry of Canada

Sovereign Grand Commander, Peers and Brethren:

INTRODUCTION

In compliance with Article 40(d) of the Statutes and Regulations of Supreme Council, your committee is pleased to submit this annual report, which contains matters pertaining to the State of the Rite throughout this jurisdiction.

The source materials contained in this report were gathered from the summons and newsletters received from the Grand Secretaries/Registrars from the Valleys in Canada and from the reports of the Deputies received at year-end.

Our thanks are extended to all for their assistance.

ACROSS CANADA

Inter Provincial meetings were held with all Valleys in British Columbia and Alberta. They were able to get to know each other, exchange ideas, discuss mutual problems, set goals and institute plans for attaining these goals. They have set a goal of raising the membership in Scottish Rite in British Columbia in each year. In Ontario, think tanks have been held and ideas exchanged among those who took part. They are to be congratulated on these new objectives for looking to the future for Scottish Rite Masonry in those provinces. In Ontario, the Active members and Past Active members of Supreme Council meet, as per the Statutes and Regulations, in July of each year to discuss nominations for the province of Ontario. Leadership Training Seminars were held in several areas of Canada. A number of Valleys (officers and members) come together and have a joint seminar.

Telephone conferences (two) were held in the past year among the Sovereign Grand Commander, Lieutenant Grand Commander, Deputies, Grand Secretary-General, and the Grand Treasurer. They have proved beneficial to all concerned as items of mutual interest and concerns were discussed.

Some Valleys have interchanged visits, not only in Canada but also with our American brethren.

We congratulate them and hope for the continuation of this effort in cementing Scottish Rite friendships. In Windsor and Thunder Bay they exchanged visits with their American Brothers.

The number of Valleys helping each other in assisting members to receive their degrees because they were not able to attend their own Valleys due to other commitments is commendable.

In Ontario, The Grand Lodge of Canada in the Province of Ontario has granted permission for all craft lodges to use up to 20 percent of the changing portion of the notice to advertise other Masonic activities. The Valleys in Ontario should make use of this not only to inform their members, but also to sow a seed of interest in all the members of the craft. It is interesting to learn what activities the concordant bodies are having, and to support them if possible. We should make this request across Canada from all Grand Lodges. Secretaries are sometimes looking for information for their notices.

The Shrine Temples in several Provinces have offered space in their magazines for Scottish Rite to extend an invitation for their members to join and explain Scottish Rite Masonry. In Ontario Rameses Temple has asked for a representative of the Scottish Rite and concordant bodies to speak at their ceremonials and invite those who have joined the Shrine and are not members of these bodies to consider joining to further their Masonic

education. We urge all Valleys to ask for this permission from the local Shrine Temples. We are all part of the Masonic family and should support each other.

Our Sovereign Grand Commander promotes enthusiasm and renewed interest in the Scottish Rite. His devotion to this cause has enabled him to visit Valleys in British Columbia, and Ontario. During his 3-year term of office he will endeavour to visit every Valley in Canada. We extend our thanks to him and his wife Pat for their dedication to Scottish Rite Masonry in general and within Canada in particular.

The Sovereign Grand Commander encourages meetings with representatives of all the concordant bodies. These meetings have taken place and are ongoing in British Columbia, Saskatchewan, New Brunswick and Ontario. They harmonize the events of all bodies, give a greater understanding of the issues faced by masonry in general, and support a united format to the many issues, such as membership and information presented re the Masonic family to the general public.

We commend the Valleys who have taken the opportunity to advertise their Scottish Rite on the web page. The promotion of special events, meeting dates, the names of the officers of the Valley etc., is a great advertisement on this award winning web page. The information contained in the articles and reports from Supreme Council is worth each and every person's perusal. Read them! Supreme Council would like your comments regarding this program of information and outreach. Remember to send new information for the web page to Supreme Council office. Register your e-mail address. Remember if the information is not received it cannot be placed on this award-winning page. A number of Valleys have their own web page and it is very interesting and informative to read. Remember to keep your web pages current. There is nothing worse than stale news. Make sure they are beneficial to all who read them.

Some Valleys hold special events for the information of Craft Masons and the general public to attract interested Masons to join our fraternity. This has proved successful in the promotion of Scottish Rite. Some have presented portions of a degree and/or Masonic plays approved by Supreme Council to those in attendance. A number of Valleys have craft lodge degree teams. The Scottish Rite members throughout Nova Scotia hold a golf tournament with the profits going to the Scottish Rite Charitable Foundation and Halifax Learning Centre. Other Valleys also hold golf tournaments with the profits going to the Foundation. The Valleys of Moose Jaw and Regina raised funds for the Heart and Stroke Foundation in Saskatchewan.

The Valley of Edmonton each year presents a scholarship of \$3000 to the Alberta College Conservatory of Music, which is then presented to some of their students. We wonder how much money is donated to charitable purposes by each Valley in Canada, along with the donations to the Scottish Rite Charitable Foundation. Maybe we should let people know what the total is, not hide our light under a bushel.

The increase in the number of functions held with the ladies taking part in the social events after the business of the lodge has been completed is very favourable. Some Valleys have theatre nights, barbeques, picnics, etc. This adds to the Masonic fellowship for all concerned and benefits Scottish Rite. In Moncton Valley the DeMolay boys and Rainbow girls attended as guests and provided some entertainment. The proceeds of the evening

are shared with the DeMolay boys, Rainbow girls and the Scottish Rite Charitable Foundation.

The Valley of Winnipeg is to be congratulated for the monthly publication "The Rite News." It contains the summons for meetings and news of the activities in the Valley and of the Charitable Foundation. This publication is available via e-mail and approximately 10% of the brethren receive the publication by this media. This Valley held a special evening for the installation of officers and a presentation and recognition to III. Bro. Donald Murray 33° for his years of service to the Valley and Scottish Rite in general.

Communication with members is very important. We congratulate and thank III. Bros. C. Edwin Drew, 33° and Gareth Taylor, 33° for their efforts in sending the "Communiqué" to all Valleys. This information is always current and enlightening. The Sovereign Grand Commander has added a report on his activities in regard to Scottish Rite across Canada.

The news of the Scottish Rite activities in all parts of Canada is there for members to enjoy. We should consider doing the same with all our publications and thus create further interest for our members.

Some of the Valleys advertise the dates of the meetings of Scottish Rite Valleys close to them and thus give them a chance to attend and enjoy Masonic fellowship. We recommend this to all Valleys if possible for their area. The dress code for each meeting of a Valley should be inserted in all the summonses. A number of Valleys do. We commend the Valleys that explain the significance of the Easter ceremonies in their notices. It again reminds the members of the importance of attending these important ceremonies.

A number of Lodges of Perfection hold open installations, to name a few: Woodstock, North Bay, and London. Joint installation for all three bodies were held in Calgary, as well as for the first time a joint installation of the Lodge of Perfection and Rose Croix in Kingston, Ontario. We learn from the summons of the Valley of Calgary that they did their installation of all three bodies in one evening with the ceremony approved by the committee "on Rituals and Ritualistic Matters." The Valley of Saskatoon used a similar format this past January. Winnipeg had a joint and open installation for the three bodies, and for the third year Regina held a joint installation for their three bodies on Saturday morning followed by lunch.

There are a number of open installations and combined installations in use.

We recommend approval for one joint installation ceremony (open and closed) for all three bodies and one for Valleys that have Lodge of Perfection and Rose Croix. This will provide continuity in all Scottish Rite installations.

We take note with pleasure the large increase of Master Mason Nights being held. From the results noted in the reports from the Deputies, these nights have assisted in the increase of new candidates.

The committee notes that Scottish Rite clubs are being used more and more in Valleys across Canada. Many like Brantford, London, Muskoka etc. make donations to charities, supply wheelchairs, have special speakers, etc.

These clubs add to the fellowship and allow members who do not reside close to their home valley to have contact with others. They also promote Scottish Rite in these communities.

The very important Easter ceremonies are noted in the Deputies reports and are expanding to locations to outlying areas. These ceremonies on Thursday and Easter Sunday give the membership an opportunity to attend in the community where they live and still be with their families on Easter Sunday. As an example we note that for the second time Toronto Valley held Easter ceremonies in Whitby, Brampton as well as in Toronto. A number of Valleys hold open ceremonies on Sunday morning for the families of the members and for the education of the communities.

The congratulations of all members of Scottish Rite should be extended to the Valleys who sponsor DeMolay, Job's Daughters International and Rainbow chapters. The chapters of DeMolay are our future. The degree work of these young members is outstanding. We encourage all members of Scottish Rite to attend one of their meetings, witness the work of these young people and show your appreciation to them. We trust that this experience will make you want to be a part of DeMolay and encourage your Valley to be a sponsor of a chapter. In Ontario a representative of the Scottish Rite was invited to attend their annual session and bring greetings. The interest shown by the Valley of Moncton and their support and encouragement of these groups of young people should be an example to all Valleys. Maybe your Valley could sponsor one of these groups. Please consider and support one of these groups in your area.

INTERNATIONAL VISITS

The promotion of visits to and from Valleys outside our jurisdiction is to be encouraged. Your committee recognizes that this is not always possible because of location of our Valleys, but where possible we encourage and support them. These visits are made often by members from the Valleys of Windsor and Thunder Bay to their neighbours across the border.

INTER-VALLEY VISITS

The members of Windsor Valley travelled to Chatham to conduct the ceremony of the installation of officers and Chatham returned the favour by conducting the ceremony in Windsor. This has taken place annually for many years.

Members of the Valley of Sydney went to Summerside Prince Edward Island.

Members of Halifax Valley to Summerside Prince Edward Island.

Members of Brandon Valley visited Winnipeg Valley.

Valley of Toronto portrayed a degree in Barrie and Hamilton.

EVENTS OF NOTE

Morning Star Consistory received its Charter in Vernon, British Columbia, this year from our Sovereign Grand Commander III. Bro. C. Robert Townshend, 33° with III. Bro. Glenn M. Martin, 33° Past Sovereign Grand Commander as its first Commander-in-Chief.

Many Valleys are naming their reunions after long serving members and we congratulate these Valleys on this and the brethren receiving this honour while they are able to enjoy it. They show the appreciation of all the members of the Valley to these great Scottish Rite Masons for services rendered and their ongoing support of Scottish Rite.

A number of Valleys are making presentations for the Scottish Rite Charitable Foundation at their meetings to the recipients of bursaries etc. They are promoting the Foundation and the great work it is engaged in. These Valleys are fortunate enough to have the recipient speak to the members of the work they are engaged in and in which field of study. It is also a great education for our members attending the meetings. We must remember to continue our support of all aspects of the Scottish Rite Foundation. The many programs that we have supported over the years must be continued and can only continue by your support. Remember you are the Scottish Rite Charitable Foundation and it is only the interest on your donation that they operate on.

The committee recommends that each and every candidate be given a copy of the Lectures of the Lodge of Perfection on completion of his 14°.

Cooperation between Valleys providing assistance to each other in all circumstances as required is important. A number of Valleys have portrayed degrees for other Valleys, members who because of work, etc., have missed the degree and have thus allowed the member to continue his journey in Scottish Rite.

A member of the Scottish Rite is invited to speak to the new members of the Shrine at the Shrine ceremonial and invite those who are not members of the Scottish Rite to join. This is happening with the new members of Rameses Temple in Ontario and WA WA Temple in Saskatchewan. We recommend that this be attempted in all provinces and with every Shrine Temple across Canada.

We must always remember to promote Scottish Rite, support our craft lodges and to participate in our total Masonic fraternity.

We trust that all members who have e-mail have sent their e-mail address to the Valley secretary so he may send out the summons electronically. It will certainly assist him in sending out the notices and as well will be a considerable savings to the Valley.

APPRECIATION

Your committee extends its sincere thanks to all who provided notices, (especially our hard-working Secretary/Registrars) newsletters and schedules of events, which was of great assistance in the preparation of this report.

Our sincere appreciation is extended to the executive secretary, and the competent staff for the great assistance to the members of this committee.

I recommend the Deputies Reports as an excellent source of information of what is going on across the country. We do not come here just to work in isolation. It certainly offers us an opportunity to pick up on these ideas. There is no copyright on them. Please ask the Deputies about their reports or contact them at some later time if you would like to do so."

REPORTS ON STANDING COMMITTEES:

AUDIT AND FINANCE COMMITTEE

Brian W. Gilkinson: The report could not be prepared until after the Audit and Finance Committee met. The Committee met yesterday and as a result, the report could not be included in the Preliminary Reports. I will now read the complete report.

REPORT OF THE COMMITTEE ON AUDIT AND FINANCE

To the Supreme Council, 33° of the Ancient and Accepted Scottish Rite of Freemasonry of Canada

Sovereign Grand Commander, Peers and Brethren:

Article 40(a) of the Statutes and Regulations details the duties of the Committee on Audit and Finance and the Committee now reports to Supreme Council on the discharge of those duties.

CONSTITUENT BODY FINANCIAL RETURNS

Every Valley is required to submit a copy of its financial statements to each of its members annually. It is also required to submit an Annual Financial Return to Supreme Council using the prescribed forms. The major activity of this committee is to examine and report on these returns with two objectives: Firstly, to offer information that may assist the constituent bodies in their financial planning and secondly, to ensure that every member of those bodies is adequately informed on matters financial. These objectives can only be realized with the assistance of the leadership of the Scottish Rite that this body represents. If each person present today listens to my remarks and reviews past reports of this committee you will detect a familiar refrain, a refrain that by its very existence indicates that the medium of these reports in the Annual Proceedings is not enough to accomplish these objectives. Nor are the other initiatives this committee has taken in the past to communicate more closely with the Valleys through legitimate channels of Supreme Council. It is for every member of the 33° to demonstrate the leadership that degree signifies by communicating the issues raised at the Annual Session back to the Valleys and to assist in addressing them effectively. The refrain is as follows:

Our annual review has revealed results consistent with that of reviews for a number of previous fiscal periods. Issues remain the same. The lack of requested action on the part of Valleys, identified previously as having issues getting the required information to Supreme Council either in complete form or at all has remained the same. Those Valleys have been joined by others in this fiscal year. The rationale for providing the requested information has been explained in earlier reports of this committee to Supreme Council. It has been available to anyone interested in these issues and the financial welfare of the Valley to which they belong for several years. Areas in need of action continue to be:

1. Valleys where operating costs per member continually exceed the annual dues per member. Investment income can only ameliorate this issue for so long and the mechanisms of generating investment income were, in all likelihood, not put in place to allow a succeeding generation a semi-free ride on the "Scottish Rite Express." We should pay our way as we make strategic decisions to utilize our other resources for the cause of good.
2. Complete reporting of financial affairs by utilizing the full slate of the AF forms provided by Supreme Council or, if the Valley provides independently audited reports then those reports along with completed AF1 and AF7 forms. One Valley this year expressed the opinion that it

was not possible to predict membership gains and losses and therefore could not submit a five-year projection for it budgets. In the next breath the correspondent asserted that if the dues were increased the Valley would lose members. No basis for that ability to predict membership losses given a dues increase was revealed. Often equality between operating costs per member and annual dues per member in Valleys with this issue equates to between one and two coffees at Tim's per month. It is not difficult to average the losses and gains in membership over the past few years to see a trend and predict where that trend will take a Valley if there is no intervention. Once a trend is identified steps can be taken to address membership as well as revenue streams and expenses. Tracking the average age of those passing from our midst and comparing it to the average age of those remaining can give a good indication of when losses in membership will occur. All this can spur activity to prevent the last person out being the one to turn off the lights – for good. As has been stated in these reports in the past, sharing five-year projections and the other data required in the Annual Returns allows the committee to analyze and assist Valleys where problems exist. It is hardly fair to castigate the process of complying with Supreme Council's expectations in this area as useless if the process is often ignored by those Valleys that most need to buy into it.

3. One Valley commented that the Almoner's Fund was known only to the Almoner. The Almoner's Fund should be a separate entry in the financial statements and communicated to all members of the Valley and to Supreme Council. This transparency is necessary to maintain confidence in the integrity of the fund and those charged with its administration. The committee is interested only in year over year amount figures, not the purposes for which its funds are applied.
4. Commuted funds need to be assessed for integrity against the criteria established by Supreme Council to ensure their ability to defray costs over the long term. They should be recorded as a separate entry in the financial statements notwithstanding that a few Valleys combine those funds with general revenue and track the use of commuted funds through separate bookkeeping entries. The recognition of the different nature of commuted funds and operational funds is much easier, particularly over time as persons charged with the financial affairs of the Valleys change, if the funds are kept in separate accounts. There is a trust imposed on Valleys who have commuted fund accounts that the fund will be sufficient to defray legitimate costs levied against it over time and that they will not be dissipated to the detriment of the Valley's long term financial well being. Those charged with respecting that trust should welcome the opportunity to check the health of these funds at regular intervals and report on it to this body.

It has been the experience of this committee and its reviewers that there has been a deterioration in the quality of the Annual Reports of a greater number of Valleys. It is hoped that a frank reporting of this situation by your committee will lead to frank discussions by a lot more than the members of the committee about how Supreme Council and the Valleys, working in co-operation, can address these issues.

CONSTITUENT BODIES BY-LAW AMENDMENTS

The Chairman of the Committee has reviewed all requests for by-law amendments and in one case reviewed the initial by-laws of a Scottish Rite body. These were all found financially sound and forwarded to the Sovereign Grand Commander.

REPORTS OF THE GRAND SECRETARY-GENERAL, GRAND TREASURER-GENERAL, THE BOARD OF TRUSTEES AND AUDITORS

The committee has examined the Annual Reports of the Grand Secretary-General, the Grand Treasurer-General, the Board of Trustees and the Auditor as printed in the Preliminary Reports. These reports were found to be informative and complete. Accordingly, the committee recommends their adoption.

FINANCIAL STATEMENTS

The audited financial statements for the year ended May 31, 2007 were received and discussed in detail with our auditors, Grant Thornton Chartered Accountants. These audited financial statements can be found printed in the Preliminary Reports. For the year ended May 31, 2007 your Supreme Council experienced an excess of revenue over expenses of \$47,388 as compared to with an excess of expenses over revenue of \$11,827 for the fiscal year ended May 31, 2006. Investment income totalled \$58,816 as compared to \$54,322 in the previous year.

We congratulate the Grand Treasurer-General, the Grand Secretary-General, the Sovereign Grand Commander, and the committee chairmen for the efficient manner in which they have managed the financial resources of our Supreme Council. Accordingly, the committee recommends that the audited financial statements for the year ended May 31, 2007 be adopted as submitted.

We wish to thank our auditors, Grant Thornton Chartered Accountants for their invaluable assistance during this fiscal year.

BUDGET 2007 - 2008

The Committee on Audit and Finance has reviewed in detail the budget prepared by the Grand Treasurer-General for Supreme Council for the fiscal year 2007 – 2008. The budget was thoroughly reviewed. We believe it to be realistic and provides for items necessary to meet financial obligations, responsibilities, and commitments of Supreme Council for the current fiscal period. Accordingly, your committee recommends the adoption of the budget as presented by our Grand Treasurer-General.

CONCLUSION

In conclusion, as Chairman of the Committee on Audit and Finance I want to express my gratitude to Grand Treasurer-General, Ill. Bros. Thomas Lewis, 33°, Grand Secretary-General, H. Edward Standish 33° and, to acting Grand Secretary-General, Donald N.

Campbell 33^o for their capable assistance and significant contribution to the work of this committee.

I have indicated the significant challenge we have as a committee is assisting Valleys in safeguarding their financial health and stability within the parameters and regulations of our Supreme Council. I was heartened to read in the Preliminary Reports the comment by one of the Deputies that a particular Valley was addressing its need to compile financial statements. The committee needs the assistance of every person sincerely concerned with establishing substantial if not complete compliance with the requirements of Supreme Council in financial matters. Do not abdicate the role of asking questions of your Valley officer to someone else. The reality is it's not only your money but a substantial amount of the investment funds of any Valley was generated by those that went before us with the expectations that we who followed them would discharge their trust to improve the Valleys and pass on a healthy, productive legacy to those who will follow us. That pretty much outweighs the cost of couple of cups of coffee per month or the inconvenience of completing the forms necessary to allow an independent assessment by dedicated people of how things are going in your "neck of the woods."

Most of all I wish to thank the dedicated members of this committee who examine the Annual Returns year after year making comments that are indeed constructive, insightful, and, unfortunately in some cases, all too repetitive. The deadline for the Annual Returns to be at the Supreme Council office is late spring, June 15th. Often, neither the office nor the committee members see some of these returns until late summer if then. This puts the reviewer's analysis on a very tight timeline. I appreciate their ability to get their comments and the returns to me before the Annual Session commences. Thank you so very much for devoting your time to the work of this committee.

Your Committee is encouraged by this information and, on behalf of this Supreme Council, looks forward to a large attendance from the worldwide family of Supreme Councils.

48TH CONFERENCE OF SOVEREIGN GRAND COMMANDERS OF EUROPE AND ASSOCIATED COUNTRIES:

Your Committee is most pleased that Sovereign Grand Commander. C. Robert Townshend, 33^o and his wife, Pat attended this year's Conference held in Rome, May 26 to 30, 2007 particularly since their presence provided an opportunity to meet so many delegates and observers and their wives, and to extend personal invitations to them to attend the 2010 Conference of Supreme Councils of the World in Toronto.

The Sovereign Grand Commander will doubtless refer in greater detail to the proceedings of the Conference, but your Committee was pleased that the Conference reaffirmed commitment to the articles of the Grand Constitutions of 1786.

On the other hand, your Committee was saddened to hear of the disharmony existing between Grand Lodges and Supreme Councils in some European countries. We are blessed that no such discord between or among Grand Lodges and Concordant Bodies exists in Canada.

Your Committee wonders whether some present member of Supreme Council at the Conference might soon be prepared to recommend that this Supreme Council be promoted from observer status to full voting membership in the Conference.

CONFERENCE OF GRAND MASTERS OF MASONS IN NORTH AMERICA CONFERENCE OF GRAND SECRETARIES IN NORTH AMERICA:

The 2007 Conference was held in Portland, Oregon February 18-20, with a pre-conference program February 15-17.

This Supreme Council was represented at the Conference of Grand Masters by Sovereign Grand Commander, C. Robert Townshend, 33^o accompanied by his wife, Pat.

The Grand Secretary-General, H. Edward Standish, 33^o and the Executive Secretary, George R. Robbins, 33^o and their wives, Marion and Pat, represented this Supreme Council at the Conference of Grand Secretaries.

CONFERENCE OF GRAND AND DISTRICT GRAND LODGES OF CANADA:

The Conference, held annually in Winnipeg, took place this year March 29-31.

The Grand Secretary-General, H. Edward Standish, 33E was again invited to attend as an observer, and was asked to present a paper on "The Importance to Freemasonry in general of membership in Concordant Bodies".

BOSNIA AND HERZEGOVINA:

It would appear that a Supreme Council for Bosnia and Herzegovina was inaugurated by the Supreme Council for Slovenia in Sarajevo on September 23, 2006, but no request for recognition has to date been received by this Supreme Council

BULGARIA:

Your Committee has received no communication during the past year concerning the Masonic situation in Bulgaria outlined in some detail in its Report of 2006.

Accordingly, your Committee recommends that this Supreme Council continue to defer approval of the request for recognition submitted to this Supreme Council by the Supreme Council for Bulgaria in January 2002.

CYPRUS:

Subsequent to your Committee's Report to the Annual Session of this Supreme Council on September 14, 2006, a second Supreme Council was consecrated in Cyprus at Nicosia on November 25, 2006 under the presidency of the Supreme Council for

Greece and the co-presidency of the Supreme Council for France and in the presence of the Sovereign Grand Commanders of a number of other Supreme Councils present.

Your Committee repeats the hope it expressed last year that an amicable settlement of the situation can be reached by the parties directly involved, but in the meantime recommends that recognition of either Supreme Council be deferred.

As an example of how misunderstandings can unintentionally occur, your Committee notes that a letter addressed by the Supreme Council for England and Wales to the Supreme Council for Greece on August 17, 2006 was copied to, among others "grand Master's of all Grand Lodges in amity," by which was meant the Grand Masters of the Nordic Grand Lodges in amity with Supreme Councils including this Supreme Council. The Supreme Council for Greece mistook the reference to mean Grand Masters of craft Grand Lodges and copied its reply to the Supreme Council for England and Wales accordingly.

GERMANY:

Your Committee expresses its condolences on the death of M. III. Past and Honorary Sovereign Grand Commander, Hubert Victor Kopp, 33E on December 9, 2006.

IRAN IN EXILE:

Your Committee expresses its condolences on the death of III. Bro. Mohammed Hassan Moshiri, 33E Lieutenant Grand Commander of the Supreme Council for Iran in Exile and Grand Representative of this Supreme Council near the Supreme Council for Iran in Exile, who died on December 8, 2006.

III. Bro. Moshiri lived in Toronto from the time of the Iranian Revolution until his death. On a number of occasions he attended meetings of the Bodies in the Valley of Toronto.

Your chairman attended the memorial service in his honour in the Debates Room of Hart House at the University of Toronto. It was evident from the large number of persons in attendance and the eulogies delivered the high esteem in which III. Bro. Moshiri was held in the Iranian community in Canada.

ISRAEL:

Your Committee expresses its condolences on the death of III. Bro. Stefan Kwiat, 33E Past Sovereign Grand Commander of the Supreme Council for the State of Israel.

LATVIA:

Your Committee has received advice from the Supreme Council for Germany that it has created a Lodge of Perfection, a chapter of Rose Croix and an Areopagus 30E in Riga, will be consecrating a Consistory in August of this year, and, assisted by the Supreme Councils for the Netherlands and for France, will be inaugurating a Supreme Council in Riga on October 13, 2007.

LITHUANIA:

Your Committee was the recipient of a letter in May 2007 from the Supreme Council for Spain advising that that Supreme Council had officially recognized, on February 10, 2007, the Supreme Council of Lithuania.

This letter is the only communication received by your Committee with respect to the inauguration of this new Supreme Council and no request for its recognition has been received by this Supreme Council.

NETHERLANDS:

Your Committee is in receipt of the tableau of officers as of June 1, 2007 of the Supreme Council for the Kingdom of the Netherlands.

Best wishes are extended to Sovereign Grand Commander, M. P. Henk E. Koning, 33E and his officers for a most successful tenure of their respective officers.

PHILIPPINES:

The 57th Session of the Supreme Council of the Republic of the Philippines was held on March 8 and 9, 2007.

The theme of the Session was "Living the Four Cardinal Virtues of Freemasonry":

Best wishes are extended to Sovereign Grand Commander, III. Eugenio S. Labitoria, 33E and his officers for a most successful tenure of office.

SERBIA:

On February 24, 2007, in the presence of thirteen delegations of Supreme Councils, including the Supreme Council of the Southern Jurisdiction, USA, and the Supreme Council of Freemasons of Serbia celebrated the resumption of the work of the Supreme Council of Serbia regularly established in 1912.

Sovereign Grand Commander Nenad Manojlovic, 33E has written to this Supreme Council requesting recognition and the exchange of Grand Representatives, proposing III. Bro. Dijan Popović, 33E Grand Minister of State and Grand Chancellor as Grand Representative of this Supreme Council near the Supreme Council of Freemasons of Serbia.

Your Committee recommends recognition be extended and Grand Representatives be exchanged.

SPAIN:

A circular communication was received in November by this Supreme Council from the Supreme Council for Spain advising that it had concluded with the Ministry of Culture of Spain an Agreement for the Maintenance and Diffusion of the Masonic Documentary inheritance of Spain.

The Supreme Council for Spain appeals to all Supreme Councils in Amity to make available any documents in their archives related to Spanish masonry, especially documents dating from the forty-year period of exile.

SWITZERLAND:

Your Committee expresses its condolences on the death on May 30, 2007 of III. Bro. Jean-Pierre Genier, 33^o, Past Sovereign Grand Commander and Honorary Member of our Supreme Council.

III. Bro. Genier was Sovereign Grand Commander of the Supreme Council of Switzerland for the decennium 1985-1995, during which time he served as President of the Conference of European Sovereign Grand Commanders in 1987, and as President of the Conference of Supreme Councils of the World in Lausanne in 1995.

III. Bro. Grenier was present at the Annual Session of this Supreme Council in Thunder Bay, Ontario in September 1991, and again at the Annual Session in Saskatoon in 1992 when he became an Honorary Member of this supreme Council.

UNITED STATES OF AMERICA:

Despite the increased security measures instituted to detect and detain persons who would seek to destroy the ideals inculcated in our Masonic teachings, the border between Canada and the United States of America remains as open as ever to Masonic inter-visitations.

Your Committee commends those individuals or groups who make these visits, participate in exemplification of degrees, or attend as official ambassadors at Annual Meetings or Reunions.

At this year's Annual Session members of this Supreme Council look forward to greeting and fraternizing with III. Ronald A. Seale, 33E Sovereign Grand Commander of the Southern Jurisdiction, USA, accompanied by his wife, Sunny. They will be accompanied by III. Jack Rehberg, 33E Grand Almoner, Sovereign Grand Inspector-General in Montana and Grand Representative of this Supreme Council near the Supreme Council of the Southern Jurisdiction and his wife, Pat, and III. David Kruger, 33E Past Grand Secretary-General, and Past Sovereign Grand Inspector-General in Virginia. All these brethren are Honorary Members of this Supreme Council.

From the Supreme Council of the Northern Masonic Jurisdiction Grand Commander III. Bill Mc Naughton, 33E and his wife, Judy, Grand Lieutenant Commander, III. Jim Deyo, 33E and his wife, Margie, and Minister of State, III. Norman Christensen from Wisconsin, and his wife Marcia.

CONCORDANT BODIES:

As always, your Committee is pleased to note the continuing warmest fraternal relations existing throughout Canada between this Supreme Council and the various other concordant bodies, which, together with the craft lodges, compose the Canadian Masonic family.

2007 ANNUAL SESSION:

Your Committee is very pleased to note that this Supreme Council will be privileged to welcome to its 2007 Annual Session in Ottawa, M. W. Bro. Allan J. Petrisor, 33E Grand

Master of the Grand Lodge Ancient Free & Accepted Masons of Canada in the Province of Ontario.

A warm fraternal welcome awaits the delegations from the Supreme Councils of the Southern Jurisdiction and the Northern Masonic Jurisdiction of the United States of America, and the representatives of Concordant Bodies in the persons of Ill. REPORTS ON SPECIAL COMMITTEES

ON MOTION, duly moved and seconded by Ill. Bros. Donald N. Campbell and Matthew F. Todd, that we confirm next year's Annual Session will be held in Vancouver, British Columbia, with the Vesper Service being held on Thursday September 11, 2008 the formal opening of Supreme Council Thursday September, 11, 2008 and the Chain of Union will be formed on Saturday, September 13, 2008. CARRIED.

Since Ill. Bro. Jerrold L. Gunn was not in attendance, the Sovereign Grand Commander called on Ill. Bro. Allard B. Loopstra to present this report.

REPORT OF THE SPECIAL COMMITTEE ON

THE SUPREME COUNCILLOR

To the Supreme Council 33^o of the Ancient and Accepted Scottish Rite of Freemasonry of Canada
Sovereign Grand Commander, Peers and Brethren:

During the last year we have had several discussions at the Advisory Board of Supreme Council and at the Board of Directors of the Charitable Foundation regarding their respective printed newsletters.

It was unanimously decided, by both the Advisory Board and the Board of the Foundation, that a joint publication would better serve our needs than each producing their own publication.

As a result of that decision, an Editorial Board was appointed consisting of the Sovereign Grand Commander, the Lieutenant Grand Commander, the President of the Foundation, the Chairman of Communication of the Foundation and an Editor in Chief.

Since neither Board had an Editor in Chief the remaining four members of the Editorial Board met and established a job description for the Editor in Chief. Both the Advisory Board and Foundation Board approved this job description.

The Editorial Board is now trying to find the right individual to take on the duties of Editor in Chief. When that task is completed, we can then look forward to our first joint publication.

Respectfully submitted,
On behalf of the Editorial Board,
Allard B. Loopstra.

ON MOTION, duly moved and seconded by Ill. Bros. Allard B. Loopstra and John V. Lawer that this report be adopted. CARRIED

Ill. Bro. Donald L. Cosen presented the report on the Library and Archives.

REPORT OF THE SPECIAL COMMITTEE ON LIBRARY AND ARCHIVES

To the Supreme Council 33^o of the Ancient and Accepted Scottish Rite of Freemasonry of Canada.

Sovereign Grand Commander, Peers and Brethren:

Your Committee very much regrets the extended delay, which has occurred in producing a product for your use, since it was established quite some years ago.

Your Committee has been diligent, with members having to commute to Hamilton on their personal time, with a shortened period then available for productive work. Workspace,

although promised at an earlier date, was not forthcoming until more recently. In spite of innumerable setbacks, we are progressing.

The enclosed Circulating Catalogue is based upon the Grand Lodge (Ontario) Library method of identifying items, a system they are presently changing to a more "user-friendly" form, whereby, the items will be defined by the subject matter rather than just the book title and author. This new system, now being used by both the Southern & Northern Scottish Rite Jurisdictions, is referred to as the Boyden method of classification. We feel that this system will require a great deal of examination and research before implementation in our library.

Meanwhile your Committee is working on and nearing completion of its Catalogue for Reference items, which will be available at the Hamilton Library premises only.

We have a number of surplus items, in various states of condition. We will shortly be making available a list of such items, from which each interested Valley may request items they would like to have for its library. Such requests will be accepted on a "first come/first serve" basis. Our response will be primarily directed to those Valleys who indicated an interest in adding to their libraries when we enquired of them a few years ago.

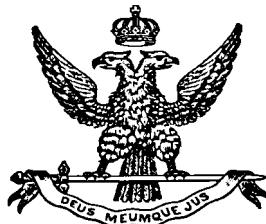

A further group of books, and other items, have also been gathered for our Archives. These are considered "Archival items". These will, in due course, be listed for our members' information and will also be available for perusal at the library.

Thank you for your continued patience and understanding.

We extend our sincere appreciation to our former Grand Secretary-General, Ill. Bro. Edward Standish for his untiring efforts in seeing this project through. Without his input and perseverance we would not have been able to advance to the state at which we have now arrived.

REPORT OF THE SPECIAL COMMITTEE ON DEMOLAY

To the Supreme Council 33° of the Ancient and Accepted Scottish Rite of Freemasonry of Canada.

Sovereign Grand Commander, Peers and Brethren:

Further to our report from 2006, we regret to inform there is a continued apathy on a national level from the Scottish Rite Freemasons regarding DeMolay. We therefore recommend that there should not be a Special Committee on DeMolay at this level.

We do, however, recognize a need to support this Organization where support is warranted as it is an important part of developing Freemasonry and would therefore recommend an attempt be made for each jurisdiction to organize a committee which in turn reports directly to the Deputy of that Jurisdiction.

**REPORT OF THE SPECIAL COMMITTEE
ON MEMBERSHIP AWARENESS & COMMUNITY RELATIONS**

To the Supreme Council 33^o of the Ancient and Accepted Scottish Rite of Freemasonry of Canada.

Sovereign Grand Commander, Peers and Brethren:

The primary focus of the Committee has been on the production and circulation of the Communiqué as way of providing information on a regular basis to the Brethren across the country. By the Annual Sessions of Supreme Council in September, a total of 6 editions of the Communiqué will have been produced and circulated.

To be an effective communications tool, the Communiqué requires new and interesting material on a timely basis as well as a wide distribution as possible. The focus this year has been largely to increase the circulation. As in previous years, the method of distribution has been electronic via e-mail. Building on sending a copy to every Valley Secretary, the e-mail distribution list has grown to over 400 emails. This has been very successful and requests have been received to be added to the list.

The content is dependent on information provided by our members. It has been a bit of a slow process to obtain, but we are deeply indebted to those who have taken the time to submit material for publication.

We feel that this is a very cost effective manner in which to bring newsworthy events to our membership.

III. Bro. Stanley J. Clayton presented the Report of the Special Committee on Valley Publications.

**REPORT OF THE SPECIAL COMMITTEE
ON VALLEY PUBLICATIONS**

To the Supreme Council 33^o of the Ancient and Accepted Scottish Rite of Freemasonry of Canada

Sovereign Grand Commander, Peers and Brethren:

The Committee evaluated notices from 43 Valleys, considering the appearance, layout, and information included in each notice. Valleys included information on; Executives, Dates of Meetings, Sick and Visiting, New Members, Degree Participants, News from; the Valley, Supreme Council, The Scottish Rite Charitable Foundation, other Valleys, Special Events, and one or two mentioned International Events. The advent of computers has assisted in improved designs and more interesting presentations. The notices continue to improve each year as more information is being provided to its members.

The Valley Notices were evaluated in four categories according to the number of members in the Valley. A. (1 - 120), B. (121-290), C. (291 - 600), D. (over 601).

The following were judged the three best notices in each division, listed in alphabetical order. The winners will be announced in Ottawa. Samples of the notices will be available for your perusal.

- A. Kamloops, Medicine Hat, Lethbridge
- B. Sarnia, Sault St Marie, St. John's NF
- C. Regina, Vancouver, Windsor
- D. Edmonton, Halifax, London

Most improved: Sarnia, Sault Ste Marie, and St. John's NF

As all the members of the judging committee were from Calgary, and to avoid any conflict of interest, the Valley of Calgary has been removed from the competition this year.

A Plaque will be presented to each of the winning Valleys at Supreme Council in Ottawa to honour their achievement. If a Valley Representative is not in attendance at Supreme Council to receive the presentation, the Deputy for that Province will be asked to present the Plaque at a Valley meeting.

Brethren, the Valley notice can be an instrument to keep all members informed of Valley affairs. The changes developing in the Masonic Family make it more important for each Valley to keep members involved. The Valley Notice provides an opportunity to show our members the value of Scottish Rite by providing news of our Brethren, reports on Valley events and articles of Education. Please keep your Valley Notice interesting and informative in the year 2008.

The members across Canada who were appointed on the committee were unable to act in that capacity, so I asked two members from Calgary to assist me.
I trust a new committee will be appointed for 2008.

My sincere thanks to these Brethren who helped on this Committee.

Respectfully Submitted,
Stanley J. Clayton, Chairman.

EXODUS 32:7-14 AND LUKE 15:1-10

I cannot imagine the look on God's face when he saw what they had done. Or the look on the face of Moses when God said to him, "your people! Look what they have done!" Get down there. Leave me alone so that my wrath may burn hot against them.

What happened? God is up on top of the mountain with Moses, giving the people the great gift of the law. After bringing them out of slavery in Egypt, and being with them in the wilderness, these redeemed people were being given the gift of divine guidance.

But down at the foot of the mountain, at the foot of mount Sinai, wrapped in the smoke of God's presence, the mountain that shook while Moses was up there face to face with the LORD -- the people got impatient. They couldn't see what was going on up there! Moses had been up there a long time, forty days, forty nights. Maybe Moses was lost. Maybe God was gone.

They couldn't see that one of their own was actually speaking with God. Face to face with the one who created the heaven and the earth. Face to face with the one who could send plagues, and defeat armies, and part water, and redeem a whole people out of slavery. But they couldn't see it. So they let their insecurity get the best of them. They lost sight of the real God and his promise to them. They did what they knew they ought-not-do.

"You shall not make for yourself an idol ... You shall not bow down to them or worship them"

Well, they couldn't wait. They gave up on Moses and they said to Aaron, "Come make gods for us... gods who shall go before us." And Aaron, priest and interim minister, didn't want the people to be mad at him, so he said, OK bring all your gold over here. They did. No problem getting them to donate. Heat up that fire a bit. And they did. No lack of fuel for this project. Bring me that casting in the shape of a calf. And they brought it to him. Into the fire went the gold, and out came this calf. They held it up, they worshipped it, and they partied all night. I cannot imagine the look on God's face.

One could not count all the times since the incident of the golden calf that people of faith have been caught up in the same kind of idol-making. Sometimes our lives look a bit like those ancestors of ours. We behave as though God has left us, as though God is not around anymore. And we need something to put at the centre of our lives, so we start making things to put there.

Some of us put work at the centre of life and value it the most, and soon productivity, profit, and personal position become the way we measure our lives. Or if work is not our idol, we put leisure and entertainment at the centre of life. And soon our lives are organized around the scheduling of TV shows, or entertainment outings. Some people live from one vacation to another, waiting and pining for the next chance to get away.

For some people money is at the centre of life, and all else is measured by amounts of money. For some it's winning – satisfaction in life comes from victory over others. For some it's church – even that can become an idol. Anything that's not God – if it's at the centre of your life and if it's not centrally related to God, it is an idol.

And it's not just things. We make other people into idols. We make Idols out of people who win singing contests on TV. We make idols out of the people who walk red carpets and inspire explosions of flash bulbs at the Toronto Film Festival. In this town, people make Senators into their idols – not the ones in the upper chamber over there, but the guys who wear Senators sweaters on the ice.

My idols wear a blue leaf.

Idolatry. It's a tricky one. It kind of sneaks up on you. It's seductive and subtle. No one thinks that they are an idolater, but most of us are, or we have been. And contrary to what many people think, this makes God really mad. Impure thoughts, moral lapses, slow minds, stiff necks . . . these don't make God as mad as idol-making.

Why? What's wrong with idols? Why does God get so mad? Maybe because idols end up killing us. If we get to the point where we really value stuff that has no ultimate value, if we actually start to worship – to ascribe worth – to things that have little worth, then we have traveled a long way down a path that will squeeze the life out of us. We've traveled down a golden-looking path that turns darker and dingier with every step. At the end we find ourselves up against a wall – they are dead ends. They lead away from God. And they don't give life.

So God says, "Stop it, I can't stand to see you do this to yourselves! I want you to have life!" What can we do? What can we do to counteract our tendencies to idol-making? Two things: recognize our idol-making for what it is, and start imagining our lives another way. This shouldn't be all that hard to do, because we are made for this other way, we have experienced another way. If we want to stop making everything – including ourselves – into idols, simply try this. Start seeing yourself – your life – as an icon. I think you already are icons.

When Christians think of icons, usually, the first thing that comes to mind is a sacred image. An icon is Orthodox Christian liturgical art. An icon is "theology in colour". An icon is an image of what God has done, is doing, or what God promises to do. Often it is an image of a person who has been part of a God-event, or in the case of Jesus, is a God-event.

But for most people now, however, this is not the first thing that "icon" means. Type "icon" into Google and if you pass over the links to dictionaries and encyclopedias, the description of icon that I just gave you is not found on the first fifty sites listed. Instead we can go to the "Fashion Icon" website, where you can buy "cosmetics committed to the power of colour, aroma, and positive thought." On many of the other most frequently visited sites, the word icon refers to famous people who take on symbolic significance, like the idols I just referred to -- people who articulate longings, exemplify ideals, exuberance, superhuman ability. People like Che Guevara (icon of revolution), Marilyn Monroe (icon of the Hollywood bombshell), Muhammad Ali (icon of the warrior athlete), Princess Diana (icon of how celebrity trumps royalty), Wayne Gretzky (icon of Canadians winning) etc. These famous people have a certain "image", but it is not necessarily an image of God. Therefore, they're not really icons, but idols.

Thankfully, most of you are not that type of icon. What you are is closer to this. As you know, the word icon is used for those little "buttons" which appear on computer screens as a portal to a program – to take you from the electronic desktop to some inner world of word processing or spreadsheets or the internet. These icons "refer" to something, they take you somewhere else, and they must be able to serve a very important purpose. They must be recognizable. They must symbolize, and be sign, of the place where you are going. Here icon is the right word for their function, but the place you go certainly is disappointing. I

don't need to gaze for long at a little blue "W" on my screen to know that this icon will only lead me to a blank page. These are portals to nothing real, or to a pseudo-reality at best.

The traditional icon of the religious art world is never meant to be a reproduction of the real nor are they meant to contain what is real. They are meant to be a place where heaven meets earth.

You are – or can be – a place where heaven meets earth. Your life....a lens through which people come to know God. An imperfect lens, an imperfect place for someone to meet God.

In order to see this as possible in your life, you have to know the difference between idol and icon. If your life is like an idol, it is a construction. You're a self-made person. The meaning of your life is "graven" not "given." Idols cannot speak, they cannot communicate anything new. The idol is a mirror in which one sees only oneself. So if your life is like an idol, all we see is you. All we get is you. And great though you may be -- you may have made yourself into something pretty marvelous -- you are not God. And, no offense but we seek God. And you, as an idol, might be standing in the way.

If your life is like an icon, however, the marvelous you becomes translucent. And "you" can be the place where we meet God. You are not in the way of God, but you become a way TO God. Christians believe that Christ is the perfect icon (Gk: eikon) of the invisible God. (Col. 1:15) We do not project divinity on Jesus, but divinity shines through him. Perfectly.

Imperfectly, your life is like that.

Moses found that his life was like that too. Moses, you'll remember, was face to face with God, and he acted as an icon, for people who would make idols. He was face to face with the LORD, who said, "You better get down there man, to those stiff-necked people. Leave me alone so that my wrath can burn may burn hot against them."

Now, you'd think that if God was that mad, you'd do what God said. But . . . God had put in Moses a certain kind of righteousness. God had put in Moses a memory. And God had put in front of Moses a promise.

God had just recently made Moses a free man, leader of a liberated people. God had welcomed Moses into his presence. So there was no way that Moses was going to let go of that! And in this moment, Moses the lawgiver, became Moses the intercessor. He speaks on behalf of the others. He didn't have to. God had just said, I'm going to consume all those people, but I'll spare you, Moses. You're the only one of the whole bunch who can keep a covenant. Of you I will make a great nation. Moses was set, personally.

But God had also put in Moses a love for his people. So Moses risks all, and implores the LORD his God.

Why does your wrath burn so hot against the ones you call your own? The ones you brought out of the land of Egypt. . . remember? Why would you bring disaster, when you

are the one who brings freedom? Why would you abandon your own promise for us? Remember Abraham, Isaac, and Israel? All transformed for this promise. This promise you made. This promise that only you can keep - and help us keep. Moses asked God to change his mind.

He asked God to look up, the same way that Abraham looked up. Look up. See those stars? You know those stars. . . you made them. . . and you swore to Abraham and Sarah that you would multiply their children like the stars. Look down there. Those stupid people dancing around the calf, they are the children. And they are going to be a light to the nations. Look at those people way off in the future. Look there, in Ottawa Ontario, September 2007. They are the ones who will need that light, and will radiate the light. They will never know you, if you don't keep the covenant. Change your mind, implored Moses. And God changed his mind. God allowed himself to be persuaded by his own story, his own promises, and God's face turned from wrath to forgiveness and restoration.

I wonder what it must be like to see that. To see what Moses saw - God's face turning from anger to restoration. Clearly it has an effect on your own face. Because later it says that when Moses came down the last time, with the renewed covenant, his face shone. His face radiated God's restoration. The face of Moses became like an icon, it opened to an infinite depth, so that all people could see the merciful face of the LORD.

I don't know what you see when you gaze on the words of Holy Scripture. I don't know what you see when you hear the words, the rituals, and the prayers, or when you meet and look at one another, or look at the world you're trying to serve. But all of these things can become for us one of two things. They can become like idols, projections, dumb objects, through which nothing can pass. Or they can become like icons, revelations, places of infinite depth, through which something can come from beyond.

Stacey and I have a four-year old girl, Tyne, and a two-year old boy, Seth. Recently, I was playing with them on the TV room floor, wrestling and rolling and laughing. We did horsy rides and we hid under blanket tents. After all this, we were resting, all three of us lying on our backs on the floor, and looking over at them, I noticed how beautiful they are. They both noticed me looking at them like that. Tyne said, "You know what Daddy? I love you." Seth climbed up on me – I thought he was going to give me a hug –but he climbed right up on my chest and put his face right up to mine. Forehead to forehead, nose to nose, he looked into my eyes. We were eyeball to eyeball, so that his two eyes looked like one. And because that's too close for me to focus for long, my gaze seemed to open and I saw the entire universe, through his eyes. I saw all those stars and I thought of God pointing them out to Abraham. Through the eyes of our little boy, my gaze settled on the One who created all that is, including these two little ones.

Isn't that just like God? God had wrestled his way into our playtime and turned our two little kids into icons of grace.

You don't need to know you are an icon of God, to be an icon of God, but it helps. The life of an icon is a witness. Somehow, you find ways to graciously get in people's faces, so that

through the things you do and the things you say, through your eyes, people can come to come face to face with God and remember His promises for them.

God has put a righteousness in you that shines when you do what Scottish Rite Masons do best. When you use your combined wisdom, and resources, and strength, your combined power of brotherhood (Philadelphia) to serve the weak of this world . . . there is joy in heaven.

There is joy in heaven when you arrive with wheelchairs and walkers to get people moving. There is joy in heaven when you build learning centres to get people reading. There is joy in heaven when you support research and build hospitals to help with God's healing. You are icons of life. And these are the meeting places of heaven and earth.

So let your life so shine before others, that they may see your face and glorify God our father in heaven.

THE LIEUTENANT GRAND COMMANDER'S DINNER

The Lieutenant Grand Commander's Dinner was held in Ballrooms A, B & C of the Crowne Plaza Hotel.

III. Bro. John C. Yourt, 32° piped the newly coroneted Honorary Inspectors-General and their Ladies, and Guests into the Ballrooms to be seated at their tables.

Following the toast to the piper by Grand Prior, Michael D. H. Farr, the blessing was offered.

The Chairman then toasted the Queen and the Craft after the singing of the Royal Anthem.

After the singing of U.S. National Anthem, the Chairman proposed a toast to the Office of the President of the United States of America.

After dinner, the Chairman called on the Chief Operating Officer (Executive Secretary), III. Bro. Terry A. McLean to introduce the newly coroneted Honorary Inspectors-General and their ladies.

INTRODUCTION OF CANDIDATES
BY ILL.: BRO.: TERRY A. MCLEAN, 33°

III. Bro. Chairman; Most Worshipful, The Grand Master; Sovereign Grand Commander; Honoured Guest; Ladies and Brethren:

Today's successful organizations value Celebration and Recognition and our Supreme Council has been exhibiting theses values of Recognition and Celebration for 133 years. Today we celebrate the conferral of the 33° of the Ancient and Accepted Scottish Rite of Freemasonry of Canada upon 45 brethren gathered here in the Nation's Capital. On a sad

note the Class of 2007 mourns the passing of Ill. Bro. Keith Hyatt 32^o on August 23, Valley of London who while battling his sickness was courageously looking forward to receiving his 33^o with the class on this day. We all extend our condolences to his wife Fran and the family. Also we extend our condolences to Ill. Bro. David McLeod, Valley of London, who couldn't attend today due to the sudden passing of his mother.

It is said for every ENDING there is BEGINNING, we just don't know when it starts.

Well, for the 45 newly coroneted Honorary Inspectors-General with the ENDING of the 33^o your responsibilities and duties to serve as a Delegate and Representative of Supreme Council BEGINS now.

A sixth century Chinese philosopher said: "A leader is one who serves."

Service has two main ingredients. They are:

1. The willingness and ability to serve others.
2. The type, kind, and quality of service given.

The philosophy of history's leaders who have had a positive effect on our world has been one of service. It is invariably the servant-leaders who have advanced mankind.

Albert Einstein said "Many times a day I realize how much my own outer and inner life is built upon the labours of my fellow men, both living and dead, and how earnestly I must exert myself in order to give in return as much as I have received."

The newly coroneted Honorary Inspectors-General whom I am delighted to introduce to you this evening have been identified and recognized as ones who have excelled and will continue to excel as servant-leaders in our Lodges/Chapters and Consistories to make a difference in and outside our Order.

Now, my wife Bonnie constantly reminds me that it takes "TWO TO TANGO."

Without the commitment, encouragement, support, caring, love and personal power of their partners the probability of their attendance would be in jeopardy. Ladies we also honour you this evening and thank you very much for making a difference in the lives of these brethren.

At this time, I am delighted and honoured to introduce to you these illustrious brethren and their ladies. I will introduce you in groups. Please remain standing after you have been introduced and would you kindly withhold your appreciation until each group has been introduced. The Sovereign Grand Commander and the Lieutenant Grand Commander will come to your table and present your certificate.

Ill. Bro. Sovereign Grand Commander, your newest Supreme Council Members

**ADDRESS OF NEWLY-CORONETED
HONORARY INSPECTORS-GENERAL
BY ILL.: BRO.: ALFRED J. ERICKSON, 33°**

Illustrious Brother Chairman, Most Worshipful Grand Master, Illustrious Sovereign Grand Commander, Distinguished Head Table, Honoured Guests, Ladies and Brethren:

I deem it a great honour and privilege to be asked to speak, on behalf of the candidates of 2007 at this Lieutenant Grand Commander's Supreme Council Dinner. It is with sincere appreciation and humility that I thank Illustrious Sovereign Grand Commander, C. Robert Townshend 33° for this opportunity.

When informed that I was to receive the 33° of Honorary Inspectors-General I was overwhelmed and deeply touched that such an honour was being bestowed upon me. Having the opportunity, here in Ottawa, to meet and speak with classmates I learned that they experienced similar feelings when so advised.

Fellow classmates, as a newly coroneted 33° Honorary Inspectors-General, we have reached a milestone. We have been subject of a rewarding experience that will leave us with fond memories for years to come. As we perceived the 33°, as it unfolded, we were touched in different ways with the same result. A more defined understanding of the essence of the Scottish Rite of Freemasonry. Since receiving your 33° ring how many times have you looked at it with admiration? It is fitting for us to savor the moments.

We are aware of the challenges in Scottish Rite. What we witnessed today has instilled the motivation and determination to presevere in an endeavour to resolve these challenges. Illustrious Sovereign Grand Commander the Class of 2007 will work relentlessly and diligently for the betterment of the Scottish Rite of Freemasonry and the Scottish Rite Charitable Foundation.

This is a day that has touched the inner soul emotionally and spiritually. This was particularly so during the degree and has continued on into this evening. Accompanied by our ladies we were received with heraldry into this room wherein there exists an atmosphere of warmth and affection. It is gratifying and overwhelming and leaves us with a feeling that we will always cherish. Also the day has brought to mind those that are unable to be present and those that are no longer here. In the last two weeks two Ill. 33° Brothers with whom I have a close relationship had to cancel attending this session. One was Ill. Bro. Richard "Dick" Barr 33° Past Active, with whom I have shared many good times in Scottish Rite and the concordant bodies. He called to express his disappointment in not being present to see me receive the 33°. I mention this because it attests to the significance of being received in the circle of the 33° masons. As well I am certain that my classmates have given thought to ones that have passed on. In particular the person(s) that instilled in us the desire to make masonry a way of life. Their influence started us down the path that brought us to this special occasion. My mother imbedded the thread of

masonry into the tapestry of my life. In 1953 she was appointed Grand Ruth in the Grand Chapter of the Order of the Eastern Star in the Province of Saskatchewan. Sadly, the same year, at the age of 42 her journey ended as she was taken into the arms of the Most High. I was fourteen but she had planted the seed. Ill. Bro. Barr and my mother are with me today.

I extend a most sincere thanks to the members of our Valleys that felt we were worthy of receiving the 33^o and sent our names to the Deputies. To the Deputies of the respective jurisdictions we offer our deep appreciation and gratitude for your support in approving and nominating us for this special honour. There are times when words do not adequately express ones feelings and this is one of those times.

I compliment the degree team for the excellent ritual and an impressive and inspiring degree. It is a high-lite in our Scottish Rite journey and one we will always remember. Receiving our collar, jewel and 33^o ring was a very touching and personal moment. To those that presented us with our rings we will be ever grateful to you for being a part of this moment.

The members of Ottawa Valley and their ladies have been most gracious hosts, your warm welcome and hospitality at this 133rd Supreme Council Session is very much appreciated. The success of this session is evidence of a dedicated committee of which you may be very proud. I also extended thanks to the Grand Secretary-General and his office for their work and contribution to this session.

Last but not least I thank our companions, our ladies our very best friends for their love, support and understanding.

I close with the words of one that I admired as a great comedian, good man and true 33^o Mason.

"May God Bless"

We have already welcomed them in many different ways, but to formally and with fraternal honour and bring greetings to our brethren from other parts of the country and other constituent bodies. I would like to proceed with that at this time. III. Grand Master of Ceremonies, Grand Marshall, please start.

The Sovereign Grand Commander directed the Grand Master of Ceremonies to conduct our guests to the Altar where he may receive them, and they may be greeted with applause by the Brethren.

GMC: Sovereign Grand Commander, I present to you Most Worshipful Brother, Allan J. Petrisor, 33^o Grand Master of the Grand Lodge of Ancient Free and Accepted Masons of Canada in the Province of Ontario.

SGC: Most Worshipful Brother Grand Master, Petrisor. Allan, it's a real pleasure on behalf of all Masons of this Province and across the country to welcome you as Grand Master of this Province and it's been great to have you here at this Session. It would be an honour if you would come to the East and speak and then come and sit beside me and tell me what to do. I didn't say where to go, just tell me what to do.

GM, Allan J. Petrisor: Thank you for this opportunity to address the members of Supreme Council.

As Grand Master, and in almost one of my first official functions as such, I bring you greetings from the Most Worshipful The Grand Lodge, Ancient Free and Accepted Masons of Canada in the Province of Ontario and its almost 54, 000 members and on their behalf I extend sincere best wishes for the remainder of what has been an enlightening, fruitful, and pleasant session thus far.

I take this moment to welcome each of you in attendance as well as your wives to the great Province of Ontario and hope that you enjoy your stay in the beautiful city of Ottawa, known as Our Nation's Capital with its rich heritage. I say that quite literally, as this is where all our tax money ends up. Enjoy your time here...

I note in your history that October 16, 1874, right here in Ottawa, the Supreme Council for the Dominion of Canada was duly constituted.

SHORT STORY – ONE THAT CAN BE TOLD IN CHURCH

Three boys in the school yard bragging about their fathers.

The first boy says, "My Dad scribbles a few words on a piece of paper, he calls it a poem and they give him \$50.00."

The second boy says, "That's nothing. My Dad scribbles a few words on a piece of paper, he calls it a song, they gave him \$100.00."

The third boy, not to be outdone, says, "I got you both beat. My Dad scribbles a few words on a piece of paper, he calls it a sermon, and it takes eight people to collect the money!"

In particular, I take this opportunity of congratulating our newest Honorary Inspectors-General and wish you well on your continued Masonic Journey. You have attained the highest and most elusive degree that Scottish Rite Freemasonry can bestow and one that is not just given for achievement alone but for the expectations of further service in the future.

I also extend our thanks to the organizing committees that have diligently toiled to provide these excellent facilities and programs for our comfort and enjoyment and in so doing will make you want to return to Ontario.

My theme for this year is "Masonry, Making a Difference". It is a common theme used by and so applicable to Masons. Masonry teaches that each person has an obligation to "Make a difference for good."

IN YOUR OWN LIFE

By observing those virtues which make a good man better such as honesty in business, courtesy in society, dependability, fairness in work, concern for the unfortunate, respect for one another, acting charitably, being prudent and using sound judgment.

IN THE LIVES OF OTHERS

Masons should have due consideration and regard for others. By living your life as a Mason should, you will become better husbands, better men, and better Masons...you will make a difference.

IN YOUR LODGE

By, practicing tolerance, showing equality with a natural kindness, and a bond of fraternal love, with all those who have shared the same experiences.

IN YOUR COMMUNITY

By being helpful, practicing those principles of charity and forgiveness learned in the Lodge, and just being the good neighbour, kind, considerate and peaceful, (conforming to lawful authorities).

We are pleased to have in Ontario, two Scottish Rite Dyslexia centres, which are truly making a difference in the lives they touch.

Brethren, prostate cancer research is the Grand Master's charity and working together with our Masonic Foundation of Ontario and President, Sam Kalinowsky, a member of this years class, I hope to increase awareness of this serious condition and stress its early detection by P.S.A. screening.

Finally, brethren, as you will have heard, I am looking forward to September 30, 2007 when our Sovereign Grand Commander and Grand First Principal will be present along with myself and others to dedicate the Scottish Rite Cathedral in Hamilton to the memory of Past Sovereign Grand Commander and Past Grand Master of Ontario, Ill. Bro. Norman E. Byrne.

Sovereign Grand Commander, my wife Mary and I have enjoyed...and would like to thank you for your gracious hospitality and kind courtesies extended to us by both you and your wife, Pat. You have been excellent hosts and I hope we can reciprocate at our next communication.

I wish you well in your travels and may Scottish Rite Freemasonry continue to flourish under your leadership.

GM: Sovereign Grand Commander, it is my privilege to present to you III. Bro. Ronald A. Seale, Sovereign Grand Commander and an Honorary Member of our Supreme Council from the Southern Jurisdiction of the Ancient and Accepted Scottish Rite. With him is III. Bro. Jack Rehberg, Grand Almoner, also an Honorary Member of our Supreme Council, Sovereign Grand Inspector-General in Montana, and the Grand Representative to our Supreme Council, also from the Southern Jurisdiction and III. Bro. David Kruger, Past Grand Secretary, Past Sovereign Grand Inspector-General in Virginia and Honorary Member of our Supreme Council.

SGC: Dear Brothers. Commander Seale, Ronnie, it is wonderful to have you, always. You're a dear friend and brother, congratulations to you. It's good to have you here, Jack and David, welcome to you as always. These three are Honorary Members. They are really members of this Supreme Council, I just do this as a formality but it's wonderful to have all three of you here as usual and I hope it continues for a long time.

Commander Seale would you kind enough to address the brethren?

Cmdr Ronald Seale: Thank you Sovereign Grand Commander, Active members of Supreme Council, Most Worshipful the Grand Master, Distinguished guests. Thank you for the invite and welcoming. Always enjoyable...

Look at what we do as we come to these meetings every year. We ask ourselves why is this important? Why do we do this year after year after year? We do essentially the same thing. We go through the same schedule. We do the same thing each year and why is this important?

If I could just briefly share with you, it seems to me that what we do is not about coming to a convention. Its not about packing our clothes and getting in an automobile or an airplane or whatever and coming to some place and living in a hotel for three or four days. It's not about trying to get an elevator. It's not about where do you go to have breakfast or what do you wear to this event or all of that, but what we do is important because it helps us remember who we are and in just three ways it has hit me that when we come to these meetings and we gather about our altars with the great light of Masonry there displayed. We are called upon to remember who we are, what kind of men we are and to what we have pledged ourselves.

It was not lost on me yesterday that your Grand Commander noted at the end of the 33^o it was fitting that we left here and adjourned to a Church. There again to remember who we are and whose we are and how all that ties in with what we did in this room. The lessons of Masonry are so great. When we sit as we did yesterday and again heard the marvelous oration of your Grand Chancellor about what we are supposed to be as 33^o Masons. We realize, or I do, that on most days we fall woefully short of the mark and on most days come up lacking in the balances again and again and again. But when I gather together with men like yourselves that say to me "Ronnie we will walk with you and we will be your brother in the good days and the bad days." It calls me again to remember, who we are and who I am.

The candidate last night in responding for your class said "We are still looking at that ring." It gives us a chance when we gather in a fraternal convocation like this to look at that ring

and to consider who we are. So as we gather about the great light, as we hear the rituals, as we hear the teachings, as we gather in Vesper Service, as we enjoy the fellowship, one man with another and as we spend time just with ourselves, looking at that symbol of trust placed upon our finger by a brother. We are called upon to remember who we are and what this whole thing is about and in that endeavor the Southern Jurisdiction of the United States is pleased to join with you brother to brother in this great endeavor.

Thank you for having us and we certainly wish you a most successful conclusion to your Session. Thank you very much.

GM: Sovereign Grand Commander I present to you III. Bro. J. William McNaughton, Sovereign Grand Commander of the Northern Masonic Jurisdiction. III. Bro. Jim Deyo, Grand Lieutenant Commander of the Northern Masonic Jurisdiction and III. Bro. Norman Christianson, Minister of State for the Northern Masonic Jurisdiction.

SGC: Thank you sir and again I welcome friends. Bill, wonderful to have you again, here with me, as we started out this journey together last year and I hope to be seeing you for a long time. Brother Jim, it's good to have you here and I'm looking forward to playing golf with you shortly. Norm it's always good to have you again. We met two years ago and it's good to have you back. I hope you have lots of fun tomorrow. I'll put a good word in for you.

Please Commander, would you be kind enough to speak to this illustrious group.

Cmdr McNaughton: Sovereign Grand Commander, Grand Master, III. Peers, brethren, and especially to the new 33^o members of this jurisdiction:

I bring greetings from the Northern Masonic Jurisdiction. It's certainly good to be with you during this Session, sharing some time together and some ideas and to reflect on as Commander Seale said on "who we are".

Speaking of Commander Seale, we just got done with our joint Session in Washington D. C., which was a huge success. In keeping with the good Masonic service here this morning, I've got to tell you a brief story of what happened.

Somewhere along the line, I don't know how or why, but it has evolved as a tradition that the visiting Sovereign Grand Commanders feel as though they need to bring a gift and sometimes the gifts that you receive at these things, you kind of scratch your head and think, you know, what the purpose of this gift was. They are all given with a good thought in mind. Sometimes when you get a hammock in the northern part of the United States I'm not sure what you're going to do with that but... They are always appreciated, but I have to tell you this, truly the greatest gift I have ever received in any Masonic meeting happened this year at the joint Masonic Session when your Sovereign Grand Commander came up and gave Commander Seale and myself a personal blessing at that meeting. Thank you. Trust me some of us needed it more than others.

I say that only in terms of this great fraternity that, we all lay claim to and membership in. Without membership in the Masonic fraternity none of these experiences would happen and be worthwhile. In closing I would just like to say may Almighty God continue to bless

your great country, the Freemasons of Canada, wherever so dispersed and especially your Sovereign Grand Commander. Thank you again for your hospitality, and may Freemasonry continue to prosper in Canada.

SGC: There was a job we did not do the last time fully and since he didn't finish his job I'm going to make him get up and share with me in giving you a certificate and a jewel as a Honorary Member of this group. Now I know you've got enough things to cover your chest from side to side. My only request is that on July 1st, do you know what July the first is? It's Canada Day.

Cmdr. McNaughton: "Its three days before the fourth of July?"

SGC: You've got it. My only request is that you at least wear this once a year; you can wear it in Canada when you come, but on July 1st I would like you to wear this on your pajamas. You can tell Judy that's what it's all about. Congratulations on behalf of this gathering, your certificate.

Cmdr McNaughton: Thank you. It is a privilege and an honour to receive this, thank you.

SGC: Thank you. Thanks very much. You have finished your job as Sovereign Grand Commander now go. I do want to thank Commander McNaughton for saying, and I am going to say something about it later, but it was a wonderful time that Orlan Weber and Mathew Todd and our ladies had at the Joint Session in Washington, and I thank them both for the wonderful hospitality and I want to tell you this is quite a pair of comedians. They should go on a road show, and I hope that your first trip will be to Canada. We welcome you any time to come and join us. We pay great.

GM: Sovereign Grand Commander, from the Royal Arch Masons, Most Excellent Companion, George H. Gifford, 32^o, The Grand First Principal of the Grand Chapter of Royal Arch Masons for Ontario.

SGC: Most Excellent Companion George, it is great to have you here and it adds so much to our time together when we meet face to face. It makes so much of a difference to have you here and I hope it's been a great week for you. Please come and speak to us.

George Gifford, GFP: Sovereign Grand Commander, III. Bro. C. Robert Townshend, Most Worshipful The Grand Master, Allan Petrisor, Companions and Illustrious Brethren:

Over the last couple of days I have been approached more than a couple of times about how, maybe I should consider an application to join the Scottish Rite of Freemasonry. So I thought I better mention that I was a Scottish Rite Mason.

There have been times when I have spoken with regards to Freemasonry in general and firmly believe that the York Rite of Freemasonry teaches us Masonry, as we received it in the first three degrees, is a continuation. I refer to it as reading the book, enjoying the book and, once you've read the book and understand it as well as you could, I suggested that you join the Scottish Rite, because I always like going to the theatre and seeing the show. It gives you a greater understanding of what you have read, through the portrayals of the Lodge of Perfection, The Chapter Rose Croix or the Consistory. At all times the work done by the drama teams for each degree has been and always was exceptional.

As a York Rite Mason I've often said too bad we didn't have the excellence with regards to our portrayal in some of our Chapters and the opportunity to be able to say well, maybe we better find somebody to replace so and so because he is reading the book. Your degree teams with regards to the Scottish Rite are outstanding. They bring a great deal to the table of Masonry.

Sitting here this morning, the Illustrious Brethren are the true leaders of Masonry and I can honestly say how pleased that there are so many Royal Arch Masons sitting here that I know personally and you are the ones that have to take it to the brethren of the Lodges, or wherever you travel and that responsibility has been placed on your shoulders the day that they made you, whether it be active or honorary 33^o Scottish Rite Masons. The respect that this organization showed to you was very evident with the conferral. Yesterday, I believe, if my memory serves me correctly, there were 45 in a class of 47. To those 45, I congratulate them on the honours conferred upon them these last few days. I can assure you that I understand that those things were not given freely, without due diligent and great consideration. I congratulate each and every one of those 45 new Honorary Inspectors-General.

To the new Sovereign Grand Commander and to your Lieutenant Commander, I thank you kindly on behalf of myself, the Grand Chapter of Royal Arch Masons for offering me the opportunity for me to speak to you on our behalf. To all the hospitalities and courtesies, that have been extended to myself and to my wife over the last two or three days. They were greatly appreciated. I hope that when you come to our Grand Session, that we show you the same hospitalities as what I have received here. I thank you kindly for all the considerations. Thank you.

GM: Sovereign Grand Commander may I present to you from the Sovereign Great Priory of Canada III. Brother F. Douglas Draker, 33^o, Past Supreme Grand Master, representing Most Eminent Kt. Joseph R. Marshall G.C.T., Supreme Grand Master.

SGC: Douglas, it is great to have you here with us today. You have become one of us. You are one of us. Douglas asked me what he should wear today. Should he get fully dressed or just partially dressed and I said, just put it all on. I said I'm going to go up and get my cape and miter. Okay, and we'd make a great show. Brother, would you come and speak to us please.

Doug Draker, PSGM: Sovereign Grand Commander, Most Worshipful The Grand Master, Distinguished Guests and, Illustrious Brethren all:

I bring you greetings from the Sovereign Great Priory of Canada, Knights Templar and the members from coast to coast. It's been an honour and a privilege to be here and for the second year in a row to represent our Supreme Grand Master Joseph R. Marshall G.C.T. who unfortunately is on the west coast and is not a member of this august body. I thank you very much, for the opportunity of attending and to see the bodies of the family of Freemasonry so well entwined and I know that there are a number in here that have taken up the further light in Masonry of seeing the Knights Templar. I know that the various publications that you've seen about the Knights Templar around the world and what is going on has sparked a bit of interest. I'm glad to see that many of our Scottish Rite

Brethren are taking that step. III. Sir, I thank you for the hospitality that you have shown my wife, Bonnie and I from you and your wife Pat. It's been indeed an honour and a privilege to join you here today. I wish you well for the completion of your 133rd Annual Session. Thank you.

GM: Sovereign Grand Commander from the Royal Order of Scotland I present to you III. Bro. Richard D. Quinton, 33^o, Deputy Provincial Grand Master for Ontario.

SGC: It is indeed a real welcome to have you with us sir, and the next time you see the Grand Master, I would like you to tell him we would like to have him come the next time. I thank you for taking on this responsibility for us. I also want to tell them something else before you speak. This is the next Provincial Grand Master of the Royal Order, because I'm leaving that office in October and I had the great pleasure of having a lot to do in doing that. This has been a great stalwart behind me, The Royal Order of Scotland and the Scottish Rite and the golf course. Now you can make the speech. Thank you, Richard.

Richard Quinton, DPGM: Sovereign Grand Commander, Grand Master Petrisor, distinguished guests, peers and Brethren:

Sovereign Grand Commander, I realize you have left me a hard act to follow. It goes without saying how honoured I am this morning to be asked to bring greetings on behalf of the one hundred and nine members of the Royal Order of Scotland in Ontario. We are most proud that our Sovereign Grand Commander is also the Provincial Grand Master. As you are aware, in Ontario, to be solicited as a member of our Order you must have received the rank of 33^o. One could draw the conclusion that many of our members are here to lend you their support. To the members of this year's class who will receive this high honour, accept this as encouragement to further advance your knowledge and commitment to our proud Order. Sovereign Grand Commander in closing, Elaine and I are most appreciative of your kindness this week and I thank you.

SGC: Thank you, Richard

GM: Sovereign Grand Commander, from the Ancient Arabic Order Nobles of the Mystic Shrine, III. Sir, Bill Cook, 33^o, the Past Potentate of the Tunis Shrine Centre.

SGC: III. Sir, thank you for coming and representing the Shriners in this area and indeed all the Shriners here.

III. Sir Bill Cook: Good morning my brethren, Sovereign Grand Commander, Most Worshipful the Grand Master:

It's my distinct pleasure this morning to bring you greetings from the Tunis Shriners, III. Sir Norman Morrison, the Potentate, members of his Divan and indeed all of the Shriners from Tunis. It is unfortunate that our fall theme days in the northeast Shrine association fall on this same weekend and as a result a lot of our members, a good number of our members are in Newfoundland. I say it's unfortunate because they should be here. It's been my pleasure to bring you greetings from the Shrine. I have no doubt that you've enjoyed your stay here in Ottawa, and for those people who are visiting I would urge you to extend your stay for two weeks or longer. Spend some money on our great city, probably, one of the

highest taxed areas in Canada, we appreciate anything you can leave, whether it be plastic or cash. Most Wise Sovereign it's my pleasure to have been able to represent Tunis and, I thank you very much for that opportunity.

SGC: Thank you. Our next distinguished Brother?

GM: Sovereign Grand Commander, from the Red Cross of Constantine for Canada, Most III. Kt. Companion, John R Dollimount, 32^o, the Grand Sovereign of the Masonic and Military Order of the Knights of the Red Cross of Constantine.

SGC: Welcome John R. Dollimount

John R. Dollimount, GS: Sovereign Grand Commander, Most Worshipful the Grand Master, brethren, all:

It is indeed a pleasure and honour for me to be here this morning and to perform this my second official duty since being enthroned as the Grand Sovereign in St. John's Newfoundland on the 17th of August. It gives me a great deal of pleasure to be here with you. I noticed that the Grand Marshall, if I use the right term, and all of a sudden I have been promoted this morning, I think he referred to me as a 33^o. I am sorry I am not there yet. One of these days, maybe I will be.

I have started the journey and its interesting, where I came from originally I did have the honour of being invited to be a part of the Royal Order. So I guess you can say I've got my foot in the door. It has been indeed a pleasure and I thank you and your good lady for all the courtesies extended to me, and my wife, Caroline this weekend. I look forward to the rest of the week and I certainly look forward to hopefully, when we meet for our Grand Assembly in Toronto in August of 2008, that we will have the opportunity to reciprocate.

With your indulgence, sometimes when you're pretty well down towards the end it is difficult to know what you are going to say because people before you have probably said everything that is worth saying. Well I'm going to take a chance with your indulgence sir and share a little story with you. A few thoughts on tolerance and apparently Emperor Charles the Great, whose kingdom, of course, when he was in power, covered most of Europe, as we now know it. As he grew old and tired of the affairs of state, he retired to a monastery, where he became fascinated with clocks. So much so that clocks dominated his accommodations and pretty much they dominated his every waking moment. It was his ambition to make all of his clocks strike at the same time. But try as he would, it didn't happen. So finally one day he sat back and he started to philosophize. He says to himself, what a fool I've been. All during my reign to try to expect all my subjects to all think alike, when I can't even make these clocks strike at the same time. My friends, there are still some of us in our society today that have the same phobia that Charles the Great had.

Granted we are not involved with clocks. We are not concerned with clocks striking at the same time, but unfortunately, there are those among us that would have us all think alike. I would submit to you that that does nothing for the advancement of the human race. It is only when we have the opportunity to think differently that we can truly bring forth the creativity that exists among us.

Wars have been fought, friendships have been destroyed, and families rend asunder as a result of trying to make one another to think alike. Now let me close by suggesting or drawing another analogy, we as human beings can probably view ourselves as living at the base of a mountain. A mountain that is so large and so high that none of us can see it in its entirety. So, therefore, to some of us the mountain is heavily forested, to others it is devoid of vegetation. To some of us it has raging rivers and to others it's a desert. Let me ask you this question, "Do we best serve our interest and the interest of our fellow man by spending our time trying to convince the rest of our neighbours to see the mountain the way we do, or would we much better devote our energies to accepting and tolerating the different views that exist among us?" Combining those views to move forward together to solve the problems that we're facing.

Sovereign Grand Commander indeed it has been a pleasure to be here with you this morning. I extend my congratulations to the class of yesterday. I look forward to the rest of the day and I look forward to seeing many of you in Toronto in August of 2008.

SGC: Thank you John that was good. Thanks for your words. May we have the representatives from the local bodies?

GM: Sovereign Grand Commander, I present to you Ill. Bro. Sam Kalinowsky, 33^o representing the three local bodies of the Ottawa Valley.

SGC: Welcome Sam, first of all and thank you for speaking on behalf of the bodies here in the Ottawa Valley and thank you for all the work you have done as the Vice Chair of this group and particularly for learning how to take these guys up in the Church and getting them in the right pews. That's a task let me tell you! Also, congratulations on being a man that wears this white collar. Please come and speak to your brothers.

Sam Kalinowsky, 33^o: Sovereign Grand Commander, Most Worshipful the Grand Master, distinguished guests and brethren all:

On behalf of the Lodge of Perfection's, Thrice Puissant Grand Master, Douglas Good, the Chapter of Rose Croix's, Most Wise Sovereign, Donald Smallman and the Consistory's, Commander in Chief, Evan Jameson and all of the brethren of the Valley of Ottawa, I am most honoured this morning to extend a warm and sincere fraternal welcome to all of the attendees of this the 133rd Session of the Supreme Council 33^o of the Ancient and Accepted Scottish Rite of Freemasonry of Canada.

I reiterate the comments of Councillor Rainer Bloess of the City of Ottawa, in welcoming you to the nation's capital and trust that you have had the time and the inclination to personally experience some of the beauties of this most historic city. We trust that your deliberations have been and will continue to be most profitable and they will come to a successful conclusion on Saturday to your total satisfaction. In closing we extend our sincere congratulations to our brethren in Vancouver, the house for the 134th Sessions next September and we offer our unqualified support, in support of our brethren across this vast nation. Welcome and enjoy.

SGC: Thank you Illustrious Brothers for helping us with that part of our endeavors today. I am going to now ask the Grand Secretary-General if he will call the role of Grand

representatives and would you please rise and remain in place as he calls your name and then maybe when you are seated I'll ask the Ill. Bro. J. Carl Fairthorne, Deputy of Ontario to reply to that. Grand Secretary-General...

J. Carl Fairthorne: Sovereign Grand Commander, Peers and Brethren:

I am pleased to rise and respond on behalf of the Grand Representatives of our Supreme Council.

We are honoured to be appointed to represent our Supreme Council to those Supreme Councils around the world with which we are in amity. We do not have the opportunity, in most instances, to attend meetings or Supreme Council Sessions with the majority of these countries but we are aware of the common bond that unites Scottish Rite members throughout these various jurisdictions.

We extend our best wishes to the Officers and members from all these jurisdictions for continued success and growth.

The Sovereign Grand Commander asked Ill. Bro. Orlan J. Weber to assume the gavel.

ALLOCUTION

Peers and Brethren,

As Sovereign Grand Commander of the Supreme Council, 33^o of the Ancient and Accepted Scottish Rite of Freemasonry of Canada, I warmly welcome each one of you to the 133rd Session of our Supreme Council.

The Statutes and Regulations of our Supreme Council require that I report to you in writing on all the rulings made, permissions and dispensations granted, along with other important official Acts which have occurred since our last Session. I am pleased to comply with these requirements here in my yearly Allocution.

This is the thirteenth time that our Supreme Council has met in Ottawa, Ontario, our national capital, the last time being in September 1989 and prior to that at our Supreme Council's 100th Anniversary in 1974.

Today I welcome with fraternal honour, our distinguished guests to this our beautiful and historical Nation's Capital.

In a short history of Ottawa, Daniel Drolet, the author, describes Ottawa's beginning and growth into becoming our Nation's Capital.

From a rough and ready lumber town, Canada's capital has grown into a dynamic, modern city, the heart of one the great urban regions of the country.

Ottawa's story, from the day it was incorporated on January 1, 1855, in many ways parallels that of the country as a whole. It is a story of brains and brawn, of enterprise and luck, and of hardship and courage.

It all started with Bytown, a small settlement named for Colonel John By, the engineer who oversaw the construction of the Rideau Canal between 1826 and 1832. The canal, much of which was dug by hand, is the nucleus around which the city grew. It remains one of Ottawa's main attractions – in summer as a waterway for pleasure craft, and in the winter as the world's longest outdoor skating rink.

It is the mighty Ottawa River, however, that gave the city its first industry. Used for centuries as a highway into the heart of the continent, first by natives and then by voyageurs, in the 19th century the Ottawa River found a new vocation in lumbering.

Every summer for nearly a century, rafts of squared timber were floated down the Ottawa, rafts made of logs cut from the forests of the river's watershed. And the spirited raftsmen inspired songs and legends that live in local lore to this day.

The middle of the 19th century saw great sawmills built at the Chaudiere and Rideau Falls. And the lumber barons led by J.R. Booth, the largest of them all – brought enterprise and wealth and employment to the city.

These were needed, for in its early days, Ottawa was a rough place, awash each spring, with lumberjacks fresh from a winter in the bush and eager to spend their hard-earned pay. From the beginning, the center of the action was the area around the By Ward Market. After 150 years, the Market remains a focus for the city's nightlife, though tamer than it was in the days of taverns and brothels.

It is in the Market, too, that Ottawa's founding linguistic communities have traditionally met and done business. For Ottawa has always been a place where Francophones and Anglophones have lived and worked side by side.

Today, the city's Anglophones and Francophones have been joined by peoples from all over the world making Ottawa a truly multicultural and multi-ethnic city.

On December 31, 1857, the day before the city's third birthday, Queen Victoria guaranteed Ottawa a place in history when she chose it to be the capital of Canada.

In 1877, in Ottawa, the telephone was first demonstrated to the Canadian public, 50 years later, Canada's first coast-to-coast radio broadcast originated here. The broadcast was picked up by listeners as far away as Australia, Europe and South America.

Today, the centres for innovation are the city's thriving high-tech sector, centres in Nepean and Kanata, its growing Life Sciences sector, and its universities and colleges. Together, they form the motor of Ottawa's knowledge economy.

Ottawa also boasts a growing arts and entertainment scene and legacy. Celebs born and raised or 'launched' in Ottawa include: Paul Anka, Rich Little, Lorne Greene, Margaret Atwood, Tom Green, Matthew Perry and Alanis Morrisette.

The city looks toward the future with a confident eye. Bilingual and multicultural, technologically savvy and open to a globalized world, Ottawa is eager to meet new challenges and explore new and exciting paths.

THE VALLEY OF OTTAWA

The following is a brief history of the Valley of Ottawa. It includes information on the establishment of Scottish Rite Masonry in Canada that also took place in Ottawa.

In 1853, Bro. McLeod Moore an Irishman and avid mason came to Canada. After taking his Scottish Rite degrees in Cerneau Chapter of New York, at a meeting in Ottawa in 1867 made known his dream of establishing Scottish Rite Masonry in Canada.

At the time Scottish Rite matters in Canada were under the jurisdiction of the Supreme Council of England and Wales.

With the help of the Sovereign Grand Commanders of the Northern and Southern Jurisdictions of the United States, III. Bro. Moore convinced the English Supreme Council to establish Scottish Rite in Canada. The May 14, 1868 minutes of that Supreme Council show that III. Bro. Moore had been given authority to establish a Consistory of 32° in Canada.

Scottish Rite Masonry flourished and the Leaders in Canada with the cooperation of those in the USA acquired the consent of England to establish a Supreme Council in Canada.

At a meeting in the Masonic Lodge room in Ottawa on October 16, 1874, III. Bro. Albert Pike declared the Supreme Council of the Dominion of Canada duly constituted.

Although it was hoped that Ottawa being the Nation's Capital would be the permanent Orient, at the next meeting of Supreme Council in 1875 it was decided to transfer it to Hamilton.

In 1888, Masons in Ottawa, under the leadership of III. Bro. E. B. Butterworth expressed an interest in establishing Scottish Rite bodies in Ottawa and in 1889 were authorized to form the Ottawa Lodge of Perfection.

Less than 3 months after the issuance of the Lodge warrant, they petitioned and were granted permission to form the Murray Chapter of Rose Croix named after the esteemed Secretary-General of Supreme Council.

In 1974, Supreme Council marked its Centennial Session by coming back to the place of its origin, Ottawa. In addition, a Special Committee appointed by Supreme Council looked into the idea of forming a Consistory in Ottawa.

In 1975, after a survey determined that 78 brethren wished to be charter members, 6 others were willing to affiliate and 58 others would form the first class of candidates to advance to the 32°, authority was granted to establish Ottawa Consistory.

Ottawa Consistory was the first Scottish Rite body to meet in the newly constructed Scottish Rite Apartments in the new Masonic Centre on Walkley Road on September 20, 1976.

The last time Supreme Council held their Sessions in Ottawa was 1989 and the year also marked the Valley of Ottawa's Centennial.

The Valley of Ottawa offers Scottish Rite Masonry to the Craft Masons of the Ottawa 1, Ottawa 2, Eastern, St. Lawrence, and Frontenac Districts of the Grand Lodge of Canada in the Province of Ontario and the Ottawa District of the Grand Lodge of Quebec. It must be noted that with respect to the Lodge of Perfection and Chapter of Rose Croix, we share Eastern Ontario with the Valley of Kingston. However, Ottawa Consistory covers all of Eastern Ontario and Western Quebec.

NECROLOGY

Each year at this annual gathering of Supreme Council we are made to realize that each day of life is a gift from God and that for some of our dear brothers, their days on earth are over. We know, however, that life does not end with death but begins anew in eternity with God.

For all our friends and brothers who now have been received into God's presence, we give thanks to God for their lives and witness.

We will miss their wise counsel, and friendly smiles, their humour and wit, and we honour them by remembering their life's witness to us.

Let us celebrate their gifts to us and to our Scottish Rite Fraternity in particular.

We mourn their passing from among us but we rejoice and celebrate their lives.

III. Bro. George Carlton (Carl) Phair, 33°

On March 28, 2007 at London, Ontario, Masonry and in particular Scottish Rite Masonry, saw the passing of a well-known, dedicated and highly honoured Mason in the person of, III. Bro. George Carlton (Carl) Phair, Past Active Member and Past Deputy for Ontario of this Supreme Council. Carl was a faithful and dedicated member of the Craft in Ontario for over 60-years and he served with wisdom and kindness to our beloved Scottish Rite for over 56 years. He served as First Principal in 1967 as a member of Sombra Chapter of Royal Arch Masons.

III. Bro. Phair was also a long standing Member of the Royal Order of Scotland.

Carl was a tower of strength and support for Scottish Rite and in particular the Valley of Chatham and the other Valleys he served as Deputy.

III. Bro. Phair married Lucille Munro of Florence, Ontario in 1945 and they had 3 children, daughters, Lana and Georgina and a son Michael.

Carl served as Chairman of the Wallaceburg School Board and was President of Wallaceburg Rotary Club. Rotary honoured him for his service by naming him a Paul Harris Fellow.

Carl was an avid and skilled golfer.

He founded Phair Insurance Agencies Limited, Wallaceburg, Ontario and later founded one of the first insurance Co-operative in Canada.

III. Bro. George Carlton (Carl) Phair was a “Mentor of Men”. As his son-in-law, III. Bro. James C. Sutherland wrote, “Carl made life better for those privileged to know him, what more can we ask of a man during his life?”

May God grant him eternal joy and peace.

CONSTITUENT BODIES

At this time we take this opportunity to remember those Brethren from sister jurisdictions who have passed on. We would also like to honour the wives of Brethren who have passed on and remember them fondly and with affection.

III. Bro. Canon Michael D. H. Farr, 33^o, Grand Prior will now conduct a Memorial Service for our deceased Brethren, assisted by several of our Illustrious Brethren.

PAST ACTIVE RANK

Our Statutes require that upon an Active Member attaining the age of 75 years, he must transfer to Past Active Rank.

Two of our distinguished Brethren have reached this milestone in their lives;

III. Bro. Alexander William Watson, 33^o - Guelph Valley

III. Bro. Gerald Allister Chaulk, 33^o - Moncton Valley

III. Bro. Alexander William Watson, 33^o - Active – Past Grand Marshall

III. Bro. Watson has had a long (50 years) distinguished career in Masonry. He has taken many leadership roles in the Grand Lodge of Canada in the Province of Ontario. III. Bro. Watson was coroneted an Honorary Inspector-General in Ottawa, in 1989 and was crowned an Active Member of Supreme Council in September 1996 in Calgary.

III. Bro. Watson is also a Past Grand Marshall of Supreme Council.

III. Bro. Gerald Allister Chaulk, 33^o - Active – Past Deputy for New Brunswick

III. Bro. Chaulk has served Masonry with faithfulness and distinction for over 48 years. He has served Scottish Rite Masonry in many leadership roles, as a Thrice Puissant Grand Master and Most Wise Sovereign in his home Valley of Moncton.

III. Bro. Chaulk served with enthusiastic dedication as Chairman of the Committee on DeMolay and was a leader and Mentor for many young men who may very well become our future leaders.

III. Bro. Chaulk served for a number of years as Deputy for New Brunswick.

To these two fine brothers, we offer our grateful thanks and pray that God will grant them health and happiness in their new roles as Past Active Members of Supreme Council.

VOLUNTARY RETIREMENT TO PAST ACTIVE RANK

Since becoming Active III. Bro. Quinton has given exemplary leadership not only in his home Valley of Toronto but through the breadth of Scottish Rite Masonry in Canada.

For the past several years III. Bro. Quinton has chaired the Special Awards Committee, which selects the best nominees for the prestigious John Ross Matheson Award.

III. Bro. John A. Prosnick, 33^o - Active – Past Deputy for Quebec

For 40 years, III. Bro. Prosnick has faithfully served Masonry in the Province of Quebec. His distinguished Masonic career led him to be elected The Grand Master of Quebec. He now serves as one of Quebec's Past Grand Masters.

DISPENSATIONS AND RULINGS

Requests have been received by the Deputies of British Columbia and Manitoba to increase the number of candidates to be elected to receive their degrees in Vancouver in 2008, from three to three and one half percent of the membership. Permission was granted to increase the number in all cases. Quebec was granted an extra candidate for one year only.

AMENDMENTS TO BY-LAWS

Each year there are some Valleys, which find it necessary to amend their by-laws to suit changing times. This year was no exception and several Valleys have made amendments, which were approved. These Valleys include Calgary, Edmonton, Halifax, Kingston, St. John's and Sydney.

I would like to extend my personal thank you to Ill. Bro. Robert S. Whitmore and Ill. Bro. Brian W. Gilkinson and the Committee on Jurisprudence and Legislation and the Committee on Audit and finance for their review and assistance on these proposed and approved amendments, ensuring that they followed proper format and language in conformance with the Statutes and Regulations.

JOHN ROSS MATHESON AWARD

Every year our Committee on Special Awards has a challenging but rewarding job to choose the finalists for this prestigious award from the large group of distinguished Scottish Rites.

Once again the task was formidable and the two brethren who this year were chosen to best demonstrate the qualifications and characteristics of a mason who has made great contributions to his community are:

III. Bro. Gerald Morgan Greenslade, 33^o – Valley of St. John’s, NL

III. Bro. Wm. Calvert Fisher, 33^o - Valley of Toronto, ON

They will be more fully introduced by III. Bro. Richard Quinton, Chairman of the Special Awards Committee.

SCOTTISH RITE CHARITABLE FOUNDATION

The Scottish Rite Charitable Foundation continues to be the bedrock of our outreach throughout all of Canada. The President and Foundation Directors are to be thanked and commended for their faithful commitment to this great enterprise on behalf of all of Scottish Rite in Canada.

Learning Centres continue to be the centerpiece of our Scottish Rite good works. The continual prosperity and growth of these Centres is such a blessing for all who participate in the life of these Centres.

Truly the growth and good works of these Learning Centres is our greatest reward. Thanks be to the Grand Architect of the Universe.

SUPREME COUNCIL WORK IN PROGRESS

1. Recruitment & Retention

The works of the Committee on Recruitment and Retention chaired by III. Bro. Victor Lepp has enhanced and strengthened our endeavours in all our Valleys to look at and begin action on these two pillars for growth in our beloved Scottish Rite fraternity.

The Committee has laid out a tremendous blueprint for us to follow and put into life and action throughout Canada. May we all gather and work together in harmony and brotherly love for the well being of Scottish Rite in our land.

2. Ad Hoc Committees Appointed by Sovereign Grand Commander

- I. Supreme Council Office and Management Review – Chaired by III. Bro. Matthew F. Todd, 33^o, Lieutenant Grand Commander and III. Bro. Donald N. Campbell, 33^o, new Grand Secretary-General were asked to review and report to the Sovereign Grand Commander and Advisory Council on the management and office of Supreme

Council. The Sovereign Grand Commander and Advisory Council received the review and asked the III. Bros. to continue their work and bring back recommendations for a renewed structure and plan for management. As explained earlier in this Allocution, personnel changes in Leadership and Management occurred and now our structure of management is on course for the strengthening of our work for this Supreme Council and Scottish Rite Members.

- II. As Sovereign Grand Commander, with the agreement and support of the President, Board of Directors of the Scottish Rite Charitable Foundation, and the Advisory Council set up an Ad-Hoc Committee, chaired by III. Bro. Allard B. Loopstra, 33^o, Grand Chancellor to look at the possibility of joining together our Scottish Rite Newsletter and the Scottish Rite Supreme Councillor. Past Sovereign Grand Commander to oversee a Steering Committee to plan for a World Conference of Supreme Council, which will take place in Toronto, ON in May 2010. III. Bro. Weber and other distinguished Scottish Rite Masons. The Sovereign Grand Commander carried the first Letter of Invitation to the European Sovereign Grand Commanders Conference in May 2007.

May He hold and sustain us and enrich us with blessing, now and forever.

God bless us all."

**FRIDAY EVENING, SEPTEMBER 14, 2007
SOVEREIGN GRAND COMMANDER'S BANQUET**

The Sovereign Grand Commander's Banquet was held in Ballrooms A, B & C of the Crowne Plaza Hotel at 7:00 p.m. with Sovereign Grand Commander, C. Robert Townshend presiding.

For the first time we had a guest speaker at the Sovereign Grand Commander's Banquet. One of our graduates from The London Learning Centre was invited to speak on his experience. Adam Hatcher was introduced to all in attendance, by Mrs. Shirley Govan, and his mother Mrs. Joan Hatcher.

**BEFORE I CAME TO THE LEARNING CENTRE
By ADAM HATCHER**

Sovereign Grand Commander, Mrs. Townshend, Ladies and Gentlemen:

I am here to say thank you to the Masons, The Scottish Rite and to the volunteers of the Learning Centre. I especially want to thank my tutor, Lynn Marshall. I would also like to talk to you a little about Dyslexia.

Dyslexia is a learning disability that mostly affects reading and writing. You cannot catch it. You are born with it and you cannot cure it.

Studies show that people with Dyslexia, process information differently than non-dyslexics. It doesn't make you stupid. Often a person with this condition is someone with average or above average intelligence, who has difficulty reading and writing. This is not a lack of effort, poor seeing, or poor hearing.

Ten percent of the population has some form or degree of Dyslexia. It can affect your concentration and organization. Has your mother ever told you that you have a messy room? Mine sure has!

People with this condition reverse letters. A person with Dyslexia may have trouble with hand writing, spelling, and sounding out words. A person with Dyslexia can learn by studying techniques and developing coping skills. The Scottish Rite Learning Centre uses the Orton-Gillingham program for helping. It is hard to describe what goes on in the tutoring sessions but I will try.

There are some words that have no spelling rules. We call them Red words. You just have to memorize them. There is a method that is called arm tapping to help you remember...

T H E R E 3 times

Another thing we did, was write in the sand. You take sounds and write the vowels in the sand to help you remember.

Many people with Dyslexia have developed coping skills and strengths in other areas. It does not limit career choices. Some famous people with Dyslexia are:

Sir Richard Branson, he is the owner of Virgin Records and Virgin Atlantic Airlines. He is a billionaire!

Tom Cruise, he is a famous actor, you may have seen him in Top Gun.
It is also believed that Sir Winston Churchill and Albert Einstein may have been Dyslexic.

Before I went to the Learning Centre, I had bad spelling and I was a slow reader. I couldn't keep up with the class when they were copying things from the overhead and no one could read my writing. School was a scary place.

I didn't think the tutoring would help but I was wrong.

At first, I didn't like going but my mom and dad made me. I was afraid of it. But then I liked reading with Lynn. The books were interesting and sometimes funny. There must have been some pretty smart people at the Centre selecting books to get me interested.

If you can believe it, I actually started enjoying going for tutoring. All the people are so nice, friendly, and caring. My parents commented on how friendly they could make a hallway feel. Dad still misses Fran's oatmeal raisin cookies!

Now, my writing is better and I can read at a Grade 8 level.

I am no longer afraid of school. I have more confidence. I would not have made it to Grade 8 without the help of the Learning Centre. I felt privileged to have gone there.

The definition of a volunteer is someone who offers himself for service of his own free will. You can volunteer for an hour; you can volunteer for a day.

How about 2 ½ years?

The Learning Centre volunteers gave me that much time. All of the volunteers have given time and continue to put in many hours. The time spent on me will benefit me for the rest of my life. I don't know what I want to be when I grow up, but the Learning Centre has made a difference in my opportunities.

To all the volunteers at the Learning Centre, Masons, and the Scottish Rite, one hundred years from now it will not matter how much money you had in the bank, or the size of the house you lived in, or the type of car you drove.

HOWEVER, THE WORLD MAY BE DIFFERENT BECAUSE YOU WERE IMPORTANT IN THE LIFE OF A CHILD.

I want you to know; you have touched the life of this child and made a difference.

Thank you.

TOAST TO THE LADIES By ILL.: BRO.: MAURICE HRYCYK

Sovereign Grand Commander, the Most Worshipful Grand Master, distinguished Head Table Guests, Ladies, Peers, and Brethren:

Our Sovereign Grand Commander has allowed me the privilege of proposing the Toast to our Ladies, our partners and best friends.

Our Ladies have a far greater influence on us than we dare to admit, the encouragement of our activities, whether it be our jobs, taking part in Masonic activities, or checking what suit or tie we should wear today. Our Supreme Council Sessions, without our partners, or without their support would not be the success that they are.

Ladies, each year you grace these social functions of our Supreme Council and add so much harmony and unity that we could not visualize the Annual Supreme Council meetings without you.

Words of praise are not enough to express our love, gratitude, and respect for our ladies. It's our sincere hope that you have been well entertained and found activities, which have been provided for you by the host Valley of Ottawa, enjoyable.

We hope that the memories and new friends and acquaintances you have made will stay with you forever.

Ladies, we are proud of you, we love you, we support you, as you have always supported us and we honour your presence here this evening.

Brethren, will you please rise and drink a special toast to our Ladies. May God bless them.

To the Ladies.....

**REPLY TO THE LADIES TOAST
BY MRS. CINDY McCOMB**

Sovereign Grand Commander, The Most Worshipful the Grand Master, Distinguished Head Table, Sovereign Grand Inspectors General, Honorary Inspectors General, Ladies and Distinguished Visitors.

Thank you Illustrious Brother Maurice for your kind words this evening.

I am delighted to be given the honour of replying to the toast to the ladies and was very pleased when the Sovereign Grand Commander called and requested that I speak to you all tonight. Thank you Illustrious Sir Robert and Lady Pat.

Then reality set in and I remembered that speeches are like babies - easier to conceive than deliver.

At a number of banquets we have attended, by way of the toast, the gentlemen thank their ladies for all of their assistance in making them presentable for their meetings, which got me thinking. Most people that know him consider my husband Ken to be a bright and able man. If truth be known, he is almost completely helpless when faced with certain domestic chores. So, I pointed out to him that our friend, Peg Clayton, had taught her husband Stan, to cook, sew, and do laundry, and that if anything ever happened to Peg, Stan would be able to care for himself. Then I asked, "What would YOU do if anything happened to me?" After considering that possibility for a moment, he said happily, "I'd move in with Stan."

And so to all of the Illustrious Brethren from your ladies...

We love being a part of your lives, even when life is more hectic than we may want it to be and when our days and nights are filled with what seems like too many things to do. Although at times it seems that we may not have a lot of time just for the two of us, the moments we share mean the world. We thank you for including us in your accomplishments such as the ones being celebrated here this week. You are our best friends.

Thank you, dear, for all the things
That mean so much to me--
For concern and understanding
You give abundantly.
Thanks for listening with your heart;
For cheering me when I'm blue;
For bringing out the best in me;
And just for being you.
Thanks for in-depth conversation
That stimulates my brain;
For silly times we laugh out loud;
For things I can't explain.

For looking past my flaws and faults;
For all the time you spend;
For all the kind things that you do,
Thank you; thank you, you are my best friend.

And so in closing, Together forever, never apart, Maybe in distance but never in heart.

Thank you and good evening.

TOAST TO THE HOST VALLEY
BY ILL.: BRO.: PIERRE A. PHANEUF

Sovereign Grand Commander, Officers of Supreme Council, Distinguished Guests, Illustrious Brethren:

Bonsoir à vous tous!

Indeed, it is for me a precious occasion and a privilege, on behalf of our Supreme Council to propose and make this toast to our host Valley of Ottawa.

By gone are the days of By-Town! This, our national capital has grown to become a very impressive parliamentary city, highly praised all over the world.

Over the past few days, you, our Scottish Rite brethren of the Valley of Ottawa, have shown us that you can live up to the reputation of excellence and hospitality this region is so famous for. The kindness and courtesy you have shown us at all times, during our stay, the consideration you have extended, not to forget the thoughtfulness expressed to our Ladies, will remain a precious memory for all of us attendees of this year's Sessions of our Supreme Council.

Our thanks go to you all who prepared this event long in advance, to those under the stressful projectors as well as to those who made as great a contribution, although not publicly noticed sometimes, having worked modestly behind the scenes. For the joy and success of our reunion between brothers and friends, we owe you.

To that and to you, brothers of the Valley of Ottawa and to your Ladies, I have charged and I raise my glass. I will now drink and invite all of you visitors to do so with me, promising to reciprocate whenever you visit us in our respective cities.

Santé!

To your health and prosperity!

REPLY TO THE TOAST TO THE HOST VALLEY
BY ILL.: BRO.: PETER G. HARBERT

III. Bro. Phaneuf, Sovereign Grand Commander, your Grace, Most Worshipful the Grand Master, distinguished head table, ladies, gentlemen, my brethren.

Let me start by saying thank you to Ill. Bro. Phaneuf for his eloquent toast to the Valley of Ottawa.

Back seven years ago when Supreme Council approached us about hosting the 133rd Session it all seemed a long way off in the future; however, today looking back it seems like only yesterday. From the outset in our planning we have received excellent service and cooperation from the Ottawa Convention Authority who identified the Crowne Plaza as the best venue and set us up with the hotel's representatives. From then on the Crowne Plaza's staff took over and they have been equally as helpful assisting with our preparations providing timely, pertinent advice and solving last minute changes and minor crises as they arose.

This Session would not have been possible had it not been for my dedicated, hard working team and the assistance provided by members and wives of the Scottish Rite in the Valley of Ottawa. I would like to take this opportunity to introduce to you some of my key team members who are with us this evening. I would ask them to rise and remain standing when their names are called and be recognized.

First, my two Co-Chairmen, Ill. Bro. Sam Kalinowsky and Ill. Bro. Dave Mackey. Ill. Bro. Mackey was also our Secretary.

Next, Ill. Bro. Jeff Christie our Registrar, Ill. Bro. Paul Todd who coordinated accommodations, Ill. Bro. Armin Braslins who planned all the catering, Ill. Bro. Ken Brinston who arranged the reception and registration. Ill. Bro. Ron Campbell who organized the Saturday Event, Ill. Bro. the Reverend John Moor who facilitated the Vesper Service, my wife Judy Harbert who organized the Ladies Program assisted by Joyce Cook the wife of our active member, as well as Judy Campbell and Louise Mackey who coordinated the Ladies buses and the hospitality room respectively, Ill. Bros. Don Mumby and Bob Taylor who were there to take on any job on short notice without question.

Last but not least I must thank Ill. Bros. Bill Cook our Active Member and Lloyd Moar our Honorary Chairman for their sage and timely advice that kept me on that undeviating line that we practice in the Craft.

I would like to close by saying on behalf of our Thrice Puissant Grand Master, Most Wise Sovereign, Commander in Chief and all the members of the Ancient and Accepted Scottish Rite of Freemasonry of Canada in the Valley of Ottawa how pleased we have been to have had the honour of hosting this, the 133rd Session of Supreme Council. Thank you.

THE TOAST TO THE DISTINGUISHED VISITORS BY ILL.: BRO.: MATTHEW F. TODD

Sovereign Grand Commander, Most Worshipful Grand Master, Distinguished Guests, Ladies and Brethren:

To be asked to propose a toast at any occasion is an honour, and I thank the Sovereign Grand Commander for asking me to carry out this special duty. To propose a toast to our Distinguished Visitors is very special indeed.

For many people in this room tonight, in fact, the majority, are indeed visitors to Ottawa, Canada's National Capital. The tradition of our Supreme Council is to hold our Annual Sessions in a different Canadian city each year. This makes it special for everyone, as well as for our Distinguished Guests, many of whom have been with us on previous occasions. A new city setting adds an aura of excitement and has people returning home with a collage of pictures and memories. And, P.S., don't forget to up-date your Face Book to say that you visited Ottawa.

Welcoming our Distinguished Guests to the National Capital region offers a wide variety of enjoyable attractions. Our famous Parliament Buildings, museums, galleries, the Rideau Canal are just a few, and probably too many to enjoy during a short stay, unless you should decide to stay longer.

More important, you have decided to come and deliberate with us as friends, supporting our Supreme Council and sharing your Masonic knowledge, and to work towards common objectives. We sincerely appreciate your presence, your friendship, and the good times we share. It would not be the same at Supreme Council without the circle of Distinguished Guests. Bienvenue! Welcome!

On behalf of the Officers, members and wives of our Supreme Council, it is my pleasure to thank you for being with us, enjoy your stay and have a safe trip home.

Ladies and Brethren, I would ask you at this time to be upstanding and join me in a toast to our Distinguished Guests and their Ladies.

REPLY TO THE TOAST TO THE DISTINGUISHED VISITORS
BY ILL.: JOHN WM. MCNAUGHTON

Sovereign Grand Commander and very close friend of the Northern Masonic Jurisdiction, Rt. Rev. and Ill^oBro^o C. Robert Townshend, 33^o, Illustrious Brothers from all over this majestic country and from sister jurisdictions, exemplary Freemasons all, and our Ladies who aid and abet us in all our doings:

You have honoured the Northern Masonic Jurisdiction once again by asking its representative at your One-Hundred-Thirty-Third Annual Session to reply to the Toast to the Visitors. This is kind and generous of you. You do take your chances in asking someone from south of here to take a few minutes to reply to such fine toasts as you offer in this country. In the States, rarely do we offer toasts on any occasion and if we do, it is a rare thing indeed to stop and actually think seriously and with some depth about what or whom we are toasting. Why the rush? It is good to enjoy the warm company of kindred spirits (is there a pun lurking there?), and to take a few minutes to let our hearts speak to each other.

Canada is a most generous land... your hearts are as expansive as your territory; you are a member of our family as we are of yours. We are inextricably intertwined one with the other.

President Bush was here in Ottawa in November 2004 at a state dinner with Prime Minister Martin and in one of his more significant utterances remarked during his toast to your Prime

Minister and your country, "Our common bond of values and mutual respect have created an alliance that is unsurpassed in strength and depth and potential. Ours is one of the largest trading relationships in the world. We depend on each other to secure the energy resources that help our economies expand. We work together to protect the land and waters of our beautiful continent. Most importantly, our nations work together to protect our people from harm." At the end of his remarks, the President went on to say, as I (having taken some liberty with his toast) do at this time, " And So, Sovereign Grand Commander, in admiration for all that you and your Scottish Rite in Canada have done to advance the Scottish Rite standard in a country governed by liberty and justice and friendship, I offer a toast to you, to the people of Canada, and to the friendship of our two peoples.

My friends, on behalf of all of those from beyond your vast domains, I will ask of your guests to lift their glasses with me in wishing Canadian Brothers and their Ladies, good health and a future filled with their just rewards.

INTRODUCTION OF JOHN ROSS MATHESON AWARD
ILL-BRO RICHARD D. QUINTON

Sovereign Grand Commander, Distinguished Guests, Ladies, Peers, and Brethren:

It has been suggested for the benefit of our invited guests and our dear ladies that I try to explain in a few words who John Ross Matheson, is. Namely one of Canada's Who's Who. Unfortunately our esteemed Brother had his military career ended in Cortina Italy, were he was wounded in action and it was feared he would not recover. Bro. Matheson through all odds did recover but was left a paraplegic the rest of his life. In the 1960's he was made Principle Secretary to Prime Minister Lester B. Pearson. It was during this period that the country felt it was time to have our own flag. John headed a group of friends who persisted and finally received consent to display the emblem we have today.

After his political career he was made an Appellate Court Judge in the Ontario Court of Appeal. He served this office for a number of years. I believed it was during this time period that he was asked to create the Order of Canada, which is awarded to Canadians of distinction. Bro. Matheson is a man who will never forget his Masonic roots to which we can all be proud.

At our General Session this morning it was announced who this year's recipients are: Ill. Bro. Gerald Morgan Greenslade 33^o and Ill. Bro. William Calvert Fisher 33^o to receive the John Matheson Award. Each of these Brethren have gone above and beyond the call of duty to their country, community and mankind. They are the finest example of our Brotherhood in this wonderful country.

Unfortunately Bro. Greenslade could not be present this evening, but it is hoped our Sovereign Grand Commander can make the presentation on his visit to Newfoundland this fall.

We will now call on the Sovereign Grand Commander to make the presentation of this decoration to Ill. Bro. Wm. Calvert Fisher.

ACCEPTANCE OF JOHN ROSS MATHESON AWARD
ILL□BRO□ WM. CALVERT FISHER

Sovereign Grand Commander, Active and Past Active members of Supreme Council,
Honorary Inspectors-General, Ladies and Gentlemen:

Thank you Richard for the explanation of the process of choosing the recipient for the John Ross Matheson Award.

It is a tremendous honour for me to receive the John Ross Matheson Award.

I first want to thank the Toronto Valley for nominating me for this award.

I am privileged to accept this prestigious award – this is one of the most memorable nights of my Masonic journey. Thank you.

John Teleske and committee members of the 2008 Annual Session presented a slide show to encourage all to attend next year's Session in Vancouver, British Columbia.

The Sovereign Grand Commander invited the Honorary Inspectors-General to enter.

III. Bro. Robert S. Whitmore presented Part II of the Report from Jurisprudence and Legislation.

Robert S. Whitmore: The addendum to the report on Jurisprudence and Legislation

As directed by motion yesterday and pursuant to Article 22 of our Statutes and Regulations, your committee has reviewed the Allocution presented by our Sovereign Grand Commander to this 133rd Annual Session of Supreme Council on this, the completion of the first year of his triennium term. As we fully expected, he has addressed us in a thorough, interesting, and entertaining manner and we congratulate him on a job well done.

Our Sovereign Grand Commander began by welcoming all of us to our Nation's Capital, which he describes as beautiful and historical. Your committee could not agree more with this assessment and we all found his historical remarks in which he summarized and recounted the history of this wonderful city and the development of Scottish Rite Masonry, which has culminated in this enjoyable and productive session that we all are enjoying so much.

This was a year that saw certain personnel changes within our Supreme Council and our Sovereign Grand Commander has related to us his receipt and acceptance of resignations from III. Bro. H. Edward Standish, 33^o, as Grand Secretary-General of Supreme Council and of III. Bro. George R. Robbins, 33^o, as the Executive Secretary of Supreme Council. We heartily join in his expressions of gratitude to both of these men for their faithful work and devotion. Not only have they made enormous contributions to the well being of the Scottish Rite in general but they have, over the years, been most helpful and cooperative with this Committee. For this in particular, your Committee members are most grateful.

Our Sovereign Grand Commander also expressed, both personally and on behalf of all of us, thanks to III. Bro. Donald N. Campbell, 33^o, who has assumed the office of Grand Secretary-General and to III. Bro. Terry A. McLean, 33^o who is our Chief Operating Officer (Executive Secretary) for the Ancient and Accepted Scottish Rite in the Hamilton Office. Both of these men are fine masons and have served your Committee and all Scottish Rite masons well during the balance of this past year and will continue to do so in the upcoming years.

We approve of all of the appointments made and outlined in his Allocution and are especially proud of the two brethren selected to receive the John Ross Matheson award.

We join with him as our Sovereign Grand Commander expressed thanks to God for the lives of several wise and dedicated masons both within and beyond our jurisdiction who have passed away during this past year. As he so aptly says, "We will miss their wise counsel, and friendly smiles, their humour and wit".

We echo his words of praise and thanksgiving for the two distinguished brethren who have transferred to Past Active Rank by virtue of attaining the fine age of 75 years and for the two brethren who voluntarily retired to Past Active Rank. These four brethren will continue to contribute, in their own ways, to our Supreme Council and we are fortunate indeed to be the beneficiaries of their expertise and dedication.

We note with approval and support the various dispensations and rulings made by him and are grateful that our Sovereign Grand Commander has the skill and flexibility to deal with situations as they arise. His description of the works of the Committee on Recruitment and Retention and the various Ad-Hoc Committees are further evidence of his leadership and his recognition of the importance of communication and of keeping us all well informed.

Always a great supporter of the Scottish Rite Charitable Foundation, our Sovereign Grand Commander particularly recognized the Learning Centres, which he describes as the "centerpiece of our Scottish Rite good works".

III. Bro. Townshend in his allocution was very generous in his praise and thanksgiving to others. Your committee takes it upon itself to speak on behalf of all Scottish Rite Masons as we give our thanksgiving to him and to his wonderful wife Pat. Together they have traveled far, worked diligently, had the fun and expressed the joy that is such an integral part of Scottish Rite Masonry, all the time as our leaders and our representatives. This year we received the added blessing of a fine and inspirational sermon at our Vesper Service delivered by The Reverend Dr. Todd Townshend, son of our Sovereign Grand Commander. We could not wish for more and we are indeed fortunate as this team of Bob and Pat move forward together with personality, skill, energy, class and love into the next years of Canadian Scottish Rite Masonry.

ON MOTION duly moved and seconded by III. Bros. Robert S. Whitmore and Ray Bryant that the report be accepted. CARRIED.

John V. Lawer, President of the Scottish Rite Charitable Foundation gave his Annual Report.

John V. Lawer: Sometimes when you look on a year, you don't see a pattern or theme. When I started looking at 2006 – 2007 I thought it might be seen as an uneventful year. But as items popped up, the numbers came in and I started hearing from different Valleys, it became clear that this is a Year of Firsts. Let me tell you about some of them.

This year marks a milestone in the history of the Scottish Rite Charitable Foundation as the market value of our investment portfolio passed \$15 million for the first time. Since the Foundation's creation in 1964, we have donated roughly \$10 million to medical research and, more recently, helped fund the creation of Learning Centres for dyslexic children. These numbers are a wonderful testament to the generosity of our members.

This year also marks a new high in terms of the donor participation rate of our members: 8.3%. This is the highest percentage participation rate we have seen since we started keeping track.

It also marks the first time that a graduate of one of our Learning Centres has spoken to the Sovereign Grand Commander's dinner. Adam Hatcher is that graduate. He is 12, in Grade 7 and a graduate of the Learning Centre in London. When Adam began his lessons he was in Grade 5 and reading at a Grade 3 level. When he graduated in October last year he was reading close to a Grade 8 level. He will be our youngest-ever guest speaker, and perhaps our shortest, and it was an honour to have him with us.

Also, in this lists of firsts, I must include the first graduate of the Windsor Learning Centre. The student is a 14-year old girl, who, when she came into the program in 2005, had reading comprehension at a Grade 2 level. She is now reading near a Grade 8 level and her comprehension skills are at a Grade 11 level. The young lady accepted her graduation certificate earlier this year during the Centre's official dedication where she received a standing ovation from 180 Masons, wives, parents, tutors, and fellow students. It was a proud moment for all involved.

There's one more first I want to mention. Never before have we received a thank you letter from an award recipient who was working in an Inuit community when she got her award notice. Let me quote just a part of her letter:

"I was extremely pleased to receive your correspondence of October 3, 2006 informing me that my application for funding from the Scottish Rite Charitable Foundation was successful. I apologize for the delay in acknowledging receipt and sending my sincere thanks to the Awards Committee. Your correspondence found me in a small, isolated Inuit community on the north coast of Labrador where I spent 4 months implementing an attention-training program with young children with Fetal Alcohol Spectrum Disorders. I am very grateful for the support form the Foundation in conducting this work.

While I am just now in the process of analyzing data and finalizing my results from this phase of my work, I am very optimistic that the program was of benefit to these children. Preliminary results are positive for a group of children who receive training in the first phase of this project in St. John's.

Please offer my heartfelt appreciation to the Awards Committee."

Sincerely,
Roxana Vemescu,
PhD Candidate, Psychology, Memorial University

Over the years we have granted many awards and supported a wide range of projects across the country and I am proud of all of them. But this award struck me as particularly noteworthy because it illustrates that Masonic generosity reaches into the furthest corners of Canada.

For the past two years, and now, for the third, I have had the honour of presenting awards to Valleys in three categories for their remarkable support of the Foundation.

The first award, for the Highest Participation Rate – which is the number of members who give to the Foundation as a percentage of total membership – goes to Medicine Hat, with a remarkable participation rate of 24.1%. Thank you and congratulations.

The second award, which recognizes the highest average donation, goes to Windsor, for their extraordinary average donation of \$144.22. I should make it clear this award is calculated by dividing the total donation by the total membership. This isn't just the average donation of those who give. Windsor has been, for many years, one of the most generous donors to the Foundation. This year they raised – from individuals and the bingo games they sponsor – almost \$74,000. Let's hope bingo never goes out of fashion.

The third award goes to the Valley that sees the largest dollar increase in its donation to the Foundation. This year, with a wonderful increase of \$20,724, the winner is the Valley of Toronto.

Just in case you think Toronto's showing is an anomaly, let me highlight the other Valleys in the top five:

London, with an increase of \$15, 776.

Moncton, with \$14,345.

Fraser Valley, with \$12,422.

And Calgary, with \$9,052.

Congratulations to them all.

I've said in past messages that I seem to talk a lot about money, so, staying true to tradition, there are two more money-related thank yous I want to mention. The first goes to Jack Barr of Vancouver Valley, head of the fund raising committee for the Learning Centre they hope to open next year. Jack and his team organized a black tie dinner and silent auction. Between the money raised at the dinner and donations that were contributed earlier, but announced at the dinner, the evening raised \$40,000. A truly remarkable achievement... I also want to thank the many members who participated in this year's walkathon. You collectively raised \$18,534. Thank you and thanks to your sponsors.

As always, there are many persons to thank for their dedication to the Foundation, but I especially want to express appreciation to the Treasurer A. Douglas Nichols, FCA, and to the Assistant Treasurer, Edward Standish, CA, and Hamilton staff George Robbins and Terry A. McLean, Sue Thompson and Annie Thompson. And here's another first: for the first time we are going to have Foundation staff member Sue Thompson with us on the occasion of our Annual Meeting in Ottawa and she will grace the head office table at the Foundation Friday Luncheon.

The Sovereign Grand Commander then introduced the four new Active members of Supreme Council.

INSTALLATION OF NEW OFFICERS

The Ceremony for the Installation of new Officers was conducted under the direction of III Bro Robert G. Wands.

III. Bro. Donald N. Campbell, Valley of Barrie, Ontario was installed as the Grand Secretary-General.

III. Bro. William C. Fitzsimmons, Valley of Regina, Saskatchewan was installed as the Grand Standard Bearer.

All were received with applause and a standing ovation from the Brethren.

The Sovereign Grand Commander directed the Grand Secretary-General to call the roll for the Active and Past Active members.

SGC: We will now resume the labours of this Supreme Council.

ON MOTION duly moved and seconded by III. Bros. Donald N. Campbell and Matthew F. Todd that all the reports received and as amended be approved and included in the Proceedings for Supreme Council. The reports will include the Deputies Reports. CARRIED

The Sovereign Grand Commander announced that Ken Schweitzer was still in the Ottawa Hospital.

The Sovereign Grand Commander announced that an Ad Hoc committee was formed to review all aspects of our Supreme Council Sessions and make a recommendation for the future. This committee will consist of III. Bros. Matthew F. Todd, Lieutenant Grand Commander (Chairman), Harold E. Crosby, Past Sovereign Grand Commander, Robert L. Taylor, Deputy, Donald N. Campbell, Grand Secretary-General, and the balance of the Deputies as resources.

The Lieutenant Grand Commander expressed his thanks to all who had a part in the Annual Session in Ottawa. He noted:

Soloist: III. Bro. M. Alan Rogers

Stage Crew: III. Bros. Kenneth L. Schwietzer, Chairman of Staging, Keith Cosier, Al Murphy, and Jack Hanna.

Sound: III. Bros. John A. H. Scott, Director of Sound, George E. Stapleton, William G. Lister, George Calder, and Roger Parliament. Also, Peter G. Harbert and Armin Braslins of the Ottawa Committee.

Assisting the Chief Operating Officer (Executive Secretary): III. Bro. Allan Baker, Victor Lepp, Al Murphy, Keith Cosier, Jack Hanna, Janey Smith and Susan Thompson.

III. Bro. Peter Harbert, Chairman for Ottawa passed on the gavel to III. Bro. John Teleske, Chairman who accepted on behalf of Vancouver for the Annual Session in Vancouver 2008.

We would also advise that all securities were held in accordance with the requirements of ART.35 [b] of the Statutes and Regulations and the income there from is paid to the Supreme Council on request except for investment income earned on the Special

Candidates' Fund, which is internally restricted until such time as the fund balance and investment income there from become meaningful.

Supreme Council 33° of the Ancient and Accepted Scottish Rite of Freemasonry of Canada

Notes to the Financial Statements

May 31, 2007

1. Purpose of the organization

The Supreme Council is a not for profit organization which serves as the central administrative body for Scottish Rite Freemasonry across Canada.

2. Summary of significant accounting policies

Cash and cash equivalents

Cash and cash equivalents include cash on hand and balances with banks.

Investments

Investments in bonds are recorded at cost and generally are held to maturity. Discounts and premiums on acquisition are not amortized, but are maintained at cost with final gain or loss recorded on disposition. The investments are written down to market value when any decline in value is considered to be other than temporary.

Fixed assets

Equipment purchases which are significant are recorded at cost and amortization is provided on a straight-line basis over the assets' estimated useful lives.

Revenue recognition

The organization follows the restricted method of accounting for contributions. Restricted and unrestricted contributions are recognized as revenue in the year received or receivable.

Dues income is recognized on the accrual basis of accounting.

Fundraising revenue from events is recognized in the year of the event.

Financial instruments

For cash and cash equivalents, receivables, and payables and accruals, the carrying amounts of these financial instruments approximates their fair value due to their short term maturity or capacity of prompt liquidation. For the investments in bonds and equities, fair values are disclosed on the statement of financial position.

The financial risk is the risk to the organization's earnings that arises from fluctuations in interest rates and the degree of volatility of these rates. The organization does not use derivative instruments to reduce its exposure to interest risk.

2. Summary of significant accounting policies (continued)

Use of estimates

The preparation of financial statements in accordance with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenditures during the reporting period. Where estimation uncertainty exists, the financial statements have been prepared within reasonable limits of materiality. Actual results could differ from those estimates.

DEPUTY REPORTS

REPORT OF THE DEPUTY FOR ALBERTA AND THE NORTHWEST TERRITORIES

To the Supreme Council 33° of the Ancient and Accepted Scottish Rite of Freemasonry of Canada

Sovereign Grand Commander, Peers, and Brethren:

I am pleased to submit my report on the conditions and activities of the five Scottish Rite Valleys in Alberta and the Northwest Territories.

During the year, we were saddened by the passing of those Brethren whose names are inscribed in the obituary records of our Annual Proceedings. Their contributions to Scottish Rite Freemasonry will be sorely missed. To their families we extend our deepest sympathies.

CALGARY

The Calgary Lodge of Perfection held their 87th Annual Reunion, honouring III. Bro. Stanley Gordon B. Pearson, Past Most Wise Sovereign, on October 7, 2006. The 14° was conferred on 8 candidates in fine fashion. The Deputy gave the proclamation. The ladies joined the members at a banquet held at Fort Calgary, a recreation of the original fort. Gloria and I were made most welcome and enjoyed the evening very much.

The 50th Fall Assembly of the Southalton Consistory, honouring III. Bro. Tom Band 33°, Past Deputy, was held November 6, 9, 10, and 11, 2006. The 19°, 20°, 23°, 26°, 29°, 30°, 31°, and 32° were conferred on 12 candidates. A "Night in the Tropics", held at the Danish Canadian Club, after the degrees was enjoyed by the members and the ladies.

The Valley of Calgary performed a joint installation in December. The officers of all three bodies were installed on the same night. The annual Christmas lunch was also held on the second Wednesday in December.

Delta Chapter of the Rose Croix conferred the 18° on seven candidates on Maundy Thursday. The ceremonies of Extinguishing and Relighting the Lights were also performed.

On April 30, 2007, Gareth Atkinson, President and CEO of Calgary Airport Authority spoke at a fundraiser for the Rite to Learn Foundation. The Valley held its annual wine and cheese social with judging of home made wines. III. Bro. Odland helped coordinate the Scottish Rite Golf Game. The golf game, to raise funds for a learning center, was held on June 7th. The Valley worked very hard to recruit corporate sponsors. III. Bro. Ken McComb 33°, Active Member, has been very diligent in promoting the Swarovski crystal bear pin sales to raise funds for a learning center in Alberta. The Valley has formed the Calgary Rite to Learn Foundation to raise funds for a learning center. A Walk-a-Thon was held on May 27, 2007 to further raise funds for a learning center. The Valley of Calgary has been working very hard to promote and raise funds for a learning center.

CENTRAL

Gloria and I attend the annual Christmas Meeting and Party on December 19, 2006. Past Sovereign Grand Commander, Ill. Bro. Orlan Weber, 33°, and his wife Janet, and Ill. Bro. Ken McComb, 33° and his wife Cindy also attended the celebration. The ladies were entertained while a short business meeting occurred. At the conclusion of the meeting, the members joined the ladies for socializing, enjoying dinner, and the fun gift exchange. The Deputy presented a certificate from the Charitable Foundation recognizing the highest participation rate for contributions to the Foundation. The members are justly proud of that recognition.

On April 14, 2007, the 14° was conferred on four candidates. The Deputy gave the proclamation. Following the degree the members and ladies enjoyed dinner at the Lacombe Country Club. An Open Installation was held on May 15, 2007.

The members of Central Alberta Valley are also working diligently in raising funds for a learning center in Alberta.

The Alberta Consistory held its 96th Fall Reunion on October 24-28, 2006. The degrees, with the exception of the 23°, 24°, and 28°, were presented starting on Tuesday evening and ending Friday evening. The Deputy gave the usual proclamation. The annual banquet and music awards celebration was held on Saturday evening. The Valley's \$3000 scholarship was again presented to music students at the Alberta College Conservatory of Music.

In November the Valley held its 2nd Master Mason's Night. It was well attended and promoted interest in Scottish Rite Freemasonry.

The 101st Reunion of the Edmonton Lodge of Perfection was held January 22, 24 - 27, 2007. The Reunion honoured Ill. Bro. Robert E. Juthner, 33°, Past Most Wise Sovereign, Past Commander – in - Chief, and Past Grand Master, Grand Lodge of Alberta. The Reunion concluded with an Anniversary Banquet on the Saturday evening with the ladies in attendance. All the degrees with the exception of the 10° and 11° were portrayed to eighteen new members of the Scottish Rite. The Deputy made the usual proclamation.

The Mizpah Chapter of the Rose Croix portrayed all of the degrees. Extinguishing of the Lights and Relighting of the Lights took place April 4, 5 and 8, 2007. The Deputy attended the Relighting of the Lights.

A wine and cheese social was held on June 1 with the ladies in attendance. A "Night at the Races" was held at Northlands on June 29 with the ladies. A dinner and evening watching the races was enjoyed by everyone.

LETHBRIDGE

The 59th Annual Lodge of Perfection Reunion was held on February 3, 2007. A banquet concluded the event Saturday evening.

The Chinook Chapter of the Rose Croix held the 18° and Extinguishing the Lights on April 5, 2007. The Deputy was in attendance and enjoyed seeing the well done degree for the

first time outside of his home Valley. The Chapter also held the Feast of the Paschal Lamb at the Lodge Hall rather than adjourning to a nearby restaurant, as had been the custom. Several members commented that they enjoyed the change. The Relighting of the Lights was held on Easter Sunday.

The members of the Valley are very active in selling the crystal bear pins to raise funds for a learning center. Ill. Bro. Art Ratcliff 33° has been particularly diligent in this endeavour.

MEDICINE HAT

The Medicine Hat Lodge of Perfection 47th Reunion was held on October 13-15, 2006. There was one candidate. The Deputy gave the customary proclamation. While the degree was being portrayed the ladies were entertained with a tea. Following the degree the members and ladies enjoyed a dinner. Two members provided entertainment Ill. Bro. Albert Fyfe, 32° played the harmonica and Ill. Bro. Art Ratcliff gave a recitation of Albert and the Lion. On the Sunday morning the Valley held its customary breakfast, which provided members and visitors another chance to socialize before departing. Gloria and I enjoyed the weekend very much.

The Valley of Medicine Hat held their annual Christmas Party at the conclusion of the December meeting. The Valley also held a wine and cheese night. The members of the Valley have been working very hard at raising funds for a learning center.

GENERAL

As the summer break approaches, I would like to thank the members of each Valley for the warmth of their welcome to Gloria and me. We have always been made to feel most welcome.

It has also been my pleasure to bring greetings from the Scottish Rite to the Edmonton Knights Templar at their Christmas ceremonies and the Royal Arch Masons Annual Convocation held May 2007 in Camrose. In addition, I would like to thank Ill. Bro. Orlan Weber, 33°, for bringing greetings to the Grand Lodge of Alberta, when my University duties prevented my attendance and Ill Bro. Ken McComb 33° for bringing greetings to the Order of the Eastern Star when I was not able to attend.

The state of Scottish Rite Freemasonry in Alberta is strong. Each Valley has many dedicated members and officers. The Valleys have strong programs involving its members. Social programs involving the ladies are also enjoyed by the members of the Valleys. Several Valleys have traveling degree teams.

In conclusion, the focus on Learning Centers has sparked new interest and enthusiasm in Scottish Rite Freemasonry in Alberta. The members in all five Valleys are finding ways to promote and raise funds for a Learning Center in Alberta.

Respectfully submitted,
Loren W. Kline
Deputy for Alberta & The Northwest Territories

REPORT OF THE DEPUTY FOR BRITISH COLUMBIA AND YUKON TERRITORY

To the Supreme Council 33^o of the Ancient and Accepted Scottish Rite of Freemasonry of Canada

Sovereign Grand Commander, Peers and Brethren:

I am pleased to submit my first report as Deputy on the activities and condition of the eleven Scottish Rite Valleys in British Columbia. Ill. Bro. Mike Ward, 33^o Deputy for British Columbia and the Yukon and I have agreed to submit reports on differing aspects of Scottish Rite activity in our jurisdiction.

In the fall of 2006 I made official visits to Fraser Valley, Vancouver and Victoria Lodges of Perfection. On every occasion the hospitality of the officers and brethren in each Valley was much appreciated.

On January 12, 2007 I attended the installation of officers of British Columbia Consistory. It was a special occasion for the Barr family as Past Active member Dick Barr installed his son, Ill. Bro. Jack Barr, 33^o as Commander-In-Chief. Active Member Ray T. Bryant and other members from Victoria were in attendance. The next morning, Vancouver Lodge of Perfection held its installation. Members from Colville Lodge of Perfection in Nanaimo and others from Vancouver Island under the direction of Ill. Bro. Terry Ackerman, 33^o, had journeyed to Vancouver to carry out this ceremony.

Later that month I received some somber correspondence. The Valley of Penticton had been going through difficult times and at their January meeting wanted to explore their options in surrendering their charter and winding up both the Lodge of Perfection and Chapter Rose Croix. Declining membership and major issues regarding premises and attendant costs were at the heart of the problem. I could not attend the January meeting but some Brethren from Kelowna were able to be there. I did attend the February meeting, after meeting with the principal officers and members of Supreme Council. At the meeting it was decided they would carry on, on a limited basis, while they tried to solve their two immediate problems. The third problem, leadership, was handily solved when Ill. Bro. Earl Cormish, 32^o agreed to again stand as Thrice Puissant Grand Master.

On February 17, 2007, I was pleased to conduct a joint open installation of Thompson Valley Lodge of Perfection and Thompson Chapter Rose Croix. The format was modeled on that used in the Province of Manitoba, which we gratefully acknowledge. Ill. Bro. Birley Canfield, 32^o and Ill. Bro. Emil Jurista, 32^o are the Thrice Puissant Grand Master and Most Wise Sovereign, respectively. Programs such as this foster greater family involvements and raise awareness.

The Sovereign Grand Commander, Ill. Bro. C. Robert Townshend, 33^o and his wife Pat were to arrive in Vancouver on February 12, 2007. However, inclement weather and inflexible airline schedules saw them spend that night in the Calgary airport. The next morning, they arrived in Vancouver sans some baggage but quite perky. A short ferry ride together with Deputy Mike Ward and Penny, my wife Sheran and myself got us to Victoria. A banquet preceded the official visit to Victoria Lodge of Perfection and Victoria Chapter

Rose Croix on the occasion of the installation of officers. I was privileged to preside at the installation of the Lodge of Perfection and III. Bro. Mike Ward, 33^o Deputy for British Columbia and Yukon conducted the installation of the Rose Croix Chapter. The ladies were treated to a very interesting program at a local art gallery and café. The Sovereign Grand Commander's luggage arrived in the middle of the night. Many thanks to Active Member Ray T. Bryant and Margaret, for their assistance with arrangements. The attendance of members of Supreme Council and their ladies is always appreciated on these special occasions.

The trip back to Vancouver on Valentine's Day was made special courtesy of III. Bro. Don Campbell, 33^o and his "front of the line" service to the Pacific Buffet. Our stay at the Vancouver Fairmont Hotel allowed the Sovereign Grand Commander and the 2008 local arrangements committee to view the facilities and talk with hotel staff in preparation for the 2008 Supreme Council sessions.

On February 15, 2007 the Valley of Vancouver hosted the Sovereign Grand Commander and his lady Pat at a banquet to raise awareness for the Scottish Rite Charitable Foundation and the proposed Learning Centre in British Columbia. Many thanks to III. Bro. Jack Barr, 33^o and Michelle for their efforts in arranging this enjoyable evening. It was an opportunity for many Brethren and ladies to meet the Sovereign Grand Commander and Pat.

We were again privileged to have our Sovereign Grand Commander, Robert and Pat visit beautiful British Columbia in May. A far less hectic flight had them arrive in Vancouver on May 14. The next morning a short trip to the ferry at Tsawassen found us on the way to Nanaimo where we disembarked and proceeded to Campbell River. A banquet preceded the official visit to a joint meeting of Colville Lodge of Perfection and Strathcona Lodge of Perfection where the 14^o was conferred.

On May 16 we drove down to Nanaimo to take the ferry to Horseshoe Bay and then to Langley. A banquet at Fraser Valley Lodge of Perfection preceded the official visit of the Lodge where the 8^o was conferred.

May 17 we traveled to Kamloops. A meeting of Morning Star Consistory was opened at 4 p.m. by Commander-in-Chief III. Bro. Glenn M. Martin, 33^o, Past Sovereign Grand Commander. Following the reception of the Sovereign Grand Commander, he presented III. Bro. Martin, 33^o with the Letters Patent and Constitution of the new Consistory during the Ceremony of Constitution. The installation of the officers of Morning Star Consistory then followed. III. Bro. Martin, 33^o and his officers are to be congratulated on this milestone in Scottish Rite Freemasonry in British Columbia.

Following a banquet the Sovereign Grand Commander made an official visit to Thompson Valley Lodge of Perfection. The Lodge was formally closed to permit the ladies and non-members to join the Brethren. The occasion was to recognize Past Active member III. Bro. W.J. (Bill) McCoid, 33^o for his long and dedicated service. III. Bro. Townshend presented Bill with a 50-year jewel and pin. Several in attendance gave personal glimpses and tributes to this fine Mason and exemplary individual.

After a short drive to Kelowna on May 18, we entrusted the Sovereign Grand Commander and Pat to the care of West Jet for a flight back to London, Ontario. After 3 banquets and 4 meetings in 3 days they probably welcomed their exodus from British Columbia.

My wife Sheran and I would like to thank Mike Ward and Penny for all their help and assistance with the travel arrangements and hospitality. We would also like to thank all those members of Supreme Council and their ladies who contributed to the success of the Sovereign Grand Commander visits to British Columbia. The support of Active Member Ray T. Bryant and Past Active Member Dick Barr was also greatly appreciated. During both visits our Sovereign Grand Commander and Pat endeared themselves to members and ladies with their warmth and understanding. Scottish Rite is fortunate to have such exceptional leadership.

On June 7 I attended the Okanagan Lodge of Perfection for their 14^o Reunion. It was particularly meaningful as it was 40 years prior that I was in the candidate class. Twelve brethren received their 14^o rings that evening. This should provide a strong nucleus of candidates for the new Morning Star Consistory. It will be interesting to see how this class progresses in the next few years. III. Bro. John Shandalla, 32^o regularly meets with members to discuss the degrees and at each meeting a short report as to the meaning and significance of the lessons contained in the previous degree is delivered to the Lodge by one of the class.

While the year presented challenges and opportunities there is still much to be done. The strategic plan for Scottish Rite in British Columbia as laid out in the 2006 Deputy's Report must be revitalized. III. Bro. Rick Hahn, 33^o from the Kootenay region indicated interest by a number of Scottish Rite members in the Columbia River valley.

In closing, I would like to thank all the members and their ladies for their support and hospitality. A special thank you to III. Bro. Mike Ward, 33^o Deputy for British Columbia and Yukon, and Penny for wise counsel and support in every aspect of our Scottish Rite journey during this past year. They have given unstintingly of their time and talent for which Scottish Rite will always be grateful.

Respectfully submitted,
Marvin Munro
Deputy for British Columbia and Yukon

REPORT OF THE DEPUTY FOR BRITISH COLUMBIA AND YUKON TERRITORY

To the Supreme Council 33^o of the Ancient and Accepted Scottish Rite of Freemasonry of Canada

Sovereign Grand Commander, Peers and Brethren:

It is with much pleasure that I submit this annual report. This year it is restricted mainly to the development and planning of the British Columbia Scottish Rite Learning Centre and the 2008 Supreme Council Sessions in Vancouver, British Columbia.

The British Columbia Scottish Rite Learning Centre is continuing to develop along the critical path as set out by our Chairman III. Bro. John Teleske 33^o and his Committee for a September 2008 opening. We are now in the process of selecting our Tutors, and will be arranging for their Orton-Gillingham Tutor Training. The location has been selected. It is in our Vancouver Masonic Centre and the plans are underway for the modification of one of the Lodge Rooms. Fund-raising under the direction of our Committee Member and Vancouver Valley Foundation Representative III. Bro. Jack Barr 33^o is progressing. III. Bro. Barr, along with a Committee, recently organized a fund raising Black Tie Dinner and silent auction. The event was a first class event, with some good entertainment and one rather unique event, which was a Scotch tasting table organized by committee member III. Bro. Aiden Gordon 32^o. These types of events added to the variety and success of the evening. My sincere thanks to all the committee members for their dedication towards making the British Columbia Learning Centre become a reality.

The organizing committee, for the 2008 Supreme Sessions in Vancouver, British Columbia under the direction of our Chairman III. Bro. John Teleske 33^o has the convention set up and all planning well in hand. We have decided to organize an Alaskan Cruise for one of the culminating events of the Sessions. The Cruise will disembark on the Saturday afternoon after the closing of the Supreme Sessions and return the following Saturday. Those interested in further information regarding the Cruise can contact the Committee or myself through the Supreme Council Office.

In February of this year, the Sovereign Grand Commander, on his way to meetings in Portland, was able to have a stopover in Vancouver. This afforded an opportunity for the Sovereign Grand Commander, the 2008 Local Planning Committee, and III. Bro Marvin Munroe 33^o and myself to visit most of the 2008 Supreme Council Sessions venues.

One of the highlights of this year for me was being able to join our Sovereign Grand Commander and his wife Pat, on his official visits to some of the Valleys in British Columbia.

This will be my final report as a Deputy for British Columbia and Yukon, as I plan to step down as Deputy, this September in Ottawa. It has been a real pleasure and rewarding experience to have had the opportunity to have served as Deputy for three Sovereign Grand Commanders. I look forward to continuing to support Supreme Council as an Active Member. British Columbia will now continue to operate with one Deputy supported by the Actives.

I would like to take this opportunity to wish our Sovereign Grand Commander, III. Bro. Robert Townshend 33^o and his wife Pat a very rewarding and enjoyable experience for the remainder of his term as our Sovereign Grand Commander.

Respectfully submitted
Michael Ward 33^o
Deputy for British Columbia and Yukon

REPORT OF THE DEPUTY FOR MANITOBA AND NUNAVUT TERRITORY

To the Supreme Council 33° of the Ancient and Accepted Scottish Rite of Freemasonry of Canada

Sovereign Grand Commander, Peers and Brethren:

I respectfully submit my first report as the Deputy for Manitoba and Nunavut on the Valleys of Brandon and Winnipeg.

The names of the brethren we have lost during the past year are inscribed in the obituary records of our Annual Proceedings. We extend our sincere sympathy to their families.

III. Bro. James Wood 33°, the newly installed Active Member for Manitoba and Nunavut and I, both being rookies in our new positions have been regularly discussing our respective positions and responsibilities in this jurisdiction. I thank him for his understanding, support and wise counsel. This combined with the co-operation and support of all the officers and members of both Valleys has made this transitional period much smoother and I thank them one and all.

I wish to express my personal thanks to our Past Deputy for Manitoba and Nunavut, III. Bro. Donald A. Murray 33°. His high standard of excellence and love of our fraternity was obvious from his early beginning in the Valley. This made choosing him to serve as Deputy for Manitoba and Nunavut a natural choice. His nine years in this office and a member of the Supreme Council earned him much respect. I thank him for all his support to me personally and to the Scottish Rite.

BRANDON

The Valley of Brandon appears to have overcome some of their past problems. New members are joining and becoming involved in the operation of the Valley. There is a spirit of enthusiasm and I am encouraged to see this interest and support. However, attendance is still a bit lacking, but I am confident that this new blood being injected into the Valley will result in a positive upswing.

Several members from the Valley of Winnipeg have accompanied me on my visits to the Valley of Brandon. Our reception and the warm hospitality accorded us on these visits have been most appreciated. On behalf of myself, and the brethren who joined me on these visits, I sincerely thank the Valley of Brandon officers and members.

We are indeed fortunate that the distance between our two Valleys is not too great. This has enabled us to confer degrees on members from both Valleys who were unable to be at their own Valley when their degrees were being conferred. This also promotes the brotherhood of our great fraternity by creating new friendships, which is one of the mainstays of Freemasonry.

On June 23, 2007 Past Deputy Ill. Bro. Donald A. Murray 33°, his wife Ruth, and the Executive Secretary of the Valley of Winnipeg, Ill. Bro. Brian Langtry 32° travelled with me to Brandon, Manitoba. My wife, Cathy and two other ladies who were in Bismarck, North Dakota for the Grand Chapter of North Dakota Sessions also drove to Brandon. The Valley of Brandon held a special "Field Day" to honour and present commemorative pins to those who were members of the Valley of Brandon for twenty-five or more years. This was a very appropriate way to honour these brethren and presented an opportunity for some who had moved away to renew old friendships. All this and a great meal were very much appreciated by over eighty people in attendance.

My best wishes for continued growth and success to the officers and members of the Valley of Brandon.

WINNIPEG

The three bodies of the Valley of Winnipeg once again did Scottish Rite proud. The meetings were conducted efficiently and were informative, imaginative and most of all enjoyable. The quality and excellence of the degree work, both communicated and portrayed met the high standards set over the previous years. Good attendance at the meetings was proof positive that the membership approved the way the meetings were being conducted and they enjoyed coming out to see them.

On the topic of enjoyment and fun, my thanks go to Ill. Bro. David Holt 32°, who proposed, organized and with the assistance of many of our members, arranged a "Bud, Spud and Steak Night". Good food, good fun and great prizes made it an enjoyable evening. Ill. Bro. David Holt 32° was also instrumental in organizing and conducting an informative "Scottish Rite Open House" for prospective members. The Masons who attended this informational session witnessed the "vault scene", a partial portrayal from the 15°. The many and varied questions and discussions over lunch indicated they were impressed with what they saw and heard. My thanks to all who participated in this effort.

The Valley of Winnipeg participated in several Craft Lodge visits during the year. My thanks to Ill. Bro. Iain McIver 32° for making the arrangements and making a brief presentation at each Lodge describing the make-up and benefits of Scottish Rite. These visits were well supported by a good number of our brethren and were well received by the Craft Lodges.

Usually there is one hi-lite in the year to report on, however, this year there are two.

The first was the "Joint Installation of Officers" for all three bodies for the year 2007 - 2008. Ill. Bro. Kenneth Cox 33° presided as Installing Master and was ably assisted by several brethren that resulted in an outstanding evening. This was an "Open Installation" with families and friends in attendance. There were in excess of 150 people in the lodge room to witness the events of the evening. Invited "Masonic Family" members included a large group representing the Order of the Eastern Star, Job's Daughters, Order of DeMolay, Royal Arch Masons and the Grand Lodge of Manitoba.

After the installation ceremony, a presentation, on behalf of the Scottish Rite Charitable Foundation was made by, the Valley Chairman III. Bro. Keith Davidson 33° to Dr. Benedict Albensi of the St. Boniface Hospital Research Centre. This was the first of three annual major grants to Dr. Albensi and his team. A bursary cheque was also given to Dr. Albensi to pass on to one of his team, Ms. Katie Collister, who was studying for an exam the following morning and could not attend. Dr. Albensi then gave a brief outline on what his research team were doing, what they were hoping to accomplish and expressed how appreciative his team was for our support of their work.

Recognition from the Scottish Rite Charitable Foundation for their continuing support was accorded to III. Bro. George Chapman 32° and III. Bro. Borden Biggar 32°. III. Bro. John Wirth 32° was presented with his 50-year pin and certificate. III. Bros. John Ferguson 32°, Richard Hooker 32° and Mel Jenkins 32° were unable to attend and will have their presentations in their homes.

The Immediate Past Deputy for Manitoba and Nunavut, III. Bro. Donald A. Murray, 33° was presented with a stone carving as a token of appreciation by the Valley of Winnipeg. Ruth Murray was presented with a bouquet of roses. They were both pleasantly surprised when their daughter, Mrs. Donna Bolton and her daughter Alexis Bolton came all the way from British Columbia to be with Dad/Grand Dad on this special occasion. Refreshments and good fellowship followed to make this a truly memorable evening.

The other highlight was a visit the Valley of Winnipeg members made to be with our brethren from the Valley of Brandon. What had started as a fraternal visit quickly changed when the Commander - in - Chief in the Valley of Brandon prevailed upon the Commander - in - Chief in the Valley of Winnipeg to have the brethren from Winnipeg portray the 32° for the Brandon class. Some of the roles were filled in with members from the Valley of Brandon. The degree was very well presented and was enjoyed by all.

Prior to the meeting the members of Queen Mary Chapter No. 3 Order of the Eastern Star in Brandon catered a fabulous dinner for all seventy members (Winnipeg and Brandon) and were given a standing ovation in appreciation of their efforts. A great evening of friendship, fellowship and fun was had by all.

During the trip back to Winnipeg the consensus was that we should do this more often. Thunder Bay, Ontario, Grand Forks, North Dakota, Fargo, North Dakota and Duluth, Minnesota were suggestions that will be considered for future trips.

Enthusiastic interest has been expressed by goodly number of our members about the prospect of having a Scottish Rite Learning Centre here in the Valley of Winnipeg. A committee will be appointed to investigate that possibility.

Fraternal visits were made on behalf of the Ancient and Accepted Scottish Rite of Freemasonry of Canada to the Grand Lodge of Manitoba Annual Communication, Grand Chapter Order of the Eastern Star Annual Session, Royal Arch Session and Order of DeMolay Installation of Officers.

The Valleys of Brandon and Winnipeg pledge and offer our allegiance to the Sovereign Grand Commander and to the Supreme Council 33° of the Ancient and Accepted Scottish Rite of Freemasonry of Canada.

Respectfully,
Rozin D. Iwanicki
Deputy for Manitoba and Nunavut

REPORT OF THE DEPUTY FOR NEW BRUNSWICK

To the Supreme Council 33° of the Ancient and Accepted Scottish Rite of Freemasonry of Canada.

Sovereign Grand Commander, Peers and Brethren:

In strict compliance with ART. 26. (d) of the Statutes this report of the Valleys in New Brunswick for 2006-2007 is hereby submitted.

Once again we have been called to mourn the loss of so many of our brethren, who over the years have contributed so much to the Scottish Rite of Freemasonry. We have acknowledged them individually and will continue to remember them. Our widow's program is carried on at Easter and Christmas and the recognition is greatly appreciated by all.

Our membership continues to decline but there is a great deal of optimism abroad that we can reverse the trend and for the next few years this will be our number one priority.

The three valleys have dedicated and enthusiastic officers and this has been most evident on my visits around the Province.

After attending Supreme Council Sessions in September last year in Halifax the fall was busy with Lodge of Perfection and Consistory Reunions. At Christmas the Saint John Valley had their annual wine and cheese party. This was extremely successful both from a monetary and entertainment point of view. This was held at Corinthian Lodge in Hampton and was very enjoyable with a silent auction and games of chance. All proceeds going to the Scottish Rite Charitable Fund. The members and their wives are looking forward to a repeat entertaining function again before next Christmas. In Moncton in January they held their Burns Supper. Easter was busy with Rose Croix Reunions, Maundy Thursday ceremonies and Easter Sunday ceremonies.

The members in Moncton are working diligently to establish a Learning center in Moncton and the other two Valleys are committed to support Moncton in its endeavours. The Valley of Moncton is also busily engaged in planning for Supreme Council Sessions to be held there in 2010.

INVITATIONS RECEIVED:

January 20,2007 Guest at Luxor Temple A.A.O.N.M.S. Installation.
May 11/12,2002 Guest & attendee at Grand Lodge of New Brunswick.

Once again we continue to hold Master Mason events to attract new members, as we feel that declining membership is our greatest priority to combat.

Respectfully submitted,
Gordon S. Young
Deputy for New Brunswick.

**REPORT OF THE DEPUTY FOR NOVA SCOTIA,
PRINCE EDWARD ISLAND, NEWFOUNDLAND AND LABRADOR.**

To the Supreme Council 33^o of the Ancient & Accepted Scottish Rite of Freemasonry of Canada.

Sovereign Grand Commander, Peers and Brethren:

I am pleased to submit this, my first report as Deputy on the condition of the Rite for the Provinces of Nova Scotia, Prince Edward Island, Newfoundland and Labrador, as required by Article 26 (a) of the Statutes and Regulations.

During this past year, I have had the honour and privilege to visit each of the four Valleys within my Jurisdiction. The degree work that I witnessed during my visits was, in most cases, of a high standard although there seems to be a trend toward reading some of the degrees by cast members.

A warm fraternal reception was accorded me on each of my visits, which, apart from demonstrating a spirit of Friendship and Brotherly love, also was a demonstration of the esteem with which the Rite regards the Office of Deputy. Based on the information available to me it appears that the General Laws of the Rite are respected and obeyed throughout the Jurisdiction.

Dispensations- During the year I was pleased to give dispensations as follows: -

March 6, 2007 - Keith Sovereign Chapter Rose Croix, Valley of Halifax, Nova Scotia permission to admit members of their families, widows of deceased members and Masons not of the 18^o to attend Easter Sunday Services on April 8, 2007.

March 6, 2007 - Keith Sovereign Chapter Rose Croix and Nova Scotia Sovereign Consistory, Valley of Halifax, Nova Scotia permission to hold the Annual General Meeting at the Keith Brewery (Pub and Eatery) in Halifax.

March 8, 2007 - Isle Royale Chapter Rose Croix, Valley of Sydney, Nova Scotia permission to invite family members and friends to the Easter Sunday Ceremony on April 8, 2007.

March 25, 2007 - MacGillivray Chapter of Rose Croix, Valley of St. John's, Newfoundland permission to invite family and friends to their Easter Sunday Ceremony on April 8, 2007.

March 25, 2007 - Centennial Lodge of Perfection, St. John's, Newfoundland permission to portray a modified version of the 7^o (Court Room Scene) to Master Masons.

Two distinguished members of Supreme Council have passed to the Great Lodge above since I became Deputy.

III. Bro. Coleman Humphrey, 33° of Halifax, Nova Scotia died on October 14, 2006. He was a tireless worker in Craft and Scottish Rite Freemasonry.

III. Bro. David W. Quinn 33° of Halifax, Nova Scotia died on March 31, 2007. Our late Brother Quinn was also a tireless worker in Freemasonry.

Both of these Brothers, as Honorary Inspectors-General, contributed most liberally to the work and affairs of the Rite.

VALLEY OF HALIFAX

My Official Visit to the Valley of Halifax took place on November 2, 2006. I was received with Honours and was accompanied by Lieutenant Grand Commander III. Bro. Matthew Todd, Past Sovereign Grand Commander III. Bro. Harold E. Crosby, Past Active member III. Bro. Philip Raymond and a contingent of Honorary Inspectors-General.

The Valley of Halifax is the largest Valley in my Jurisdiction and they are very active in all Masonic affairs.

I applaud the work of the Valley of Halifax for their outstanding effort in establishing a Scottish Rite Charitable Foundation Children's Learning Centre in Dartmouth, Nova Scotia. The Learning Centre was officially opened last September immediately following the Supreme Council Sessions in Halifax. The opening ceremonies were impressive and well attended.

The progress being made by the seven children is truly outstanding and confirms the program has a very positive effect on children's lives.

A Board of Governors is in place and provides direction to the Centre's interim director, III. Bro. Harold E. Crosby. A permanent Director has been appointed in the person of Mrs. Thelma Gregan, who will assume her duties on July 1, 2007. I feel very honoured to be named an ex-officio member of the Board.

The Valley of Halifax is very active in fundraising for the Scottish Rite Charitable Foundation. They held a very successful golf tournament plus several other fundraisers.

VALLEY OF ST. JOHN'S

The Valley of St. John's has had another successful year holding Reunions in each of the three Bodies.

My Official visit to the Valley took place on December 12, 2006. I was received with Honours and accompanied by III. Bro. Matthew Todd, Lieutenant Grand Commander and a contingent of Honorary Inspectors-General. We had the privilege to witness a portrayal of the 4°.

I received an invitation to attend the Mazol Shriners Annual Installation of the Potentate and his Divan in St. John's. However, due to a previous commitment I was unable to attend and III. Bro. Charles R. Cook, Deputies Assistant attended in my place.

By-Laws for the Valley have been forwarded to Supreme Council and are awaiting approval.

VALLEY OF SUMMERSIDE

On April 17, 2007 I made an Official visit to the Valley of Summerside. I was accompanied by III. Bro. Matthew Todd, Lieutenant Grand Commander. We were received with Honours and accompanied by the Honorary Inspectors-General from the Valley. I addressed the meeting and encouraged the Valley to share information with other Valleys.

VALLEY OF SYDNEY

The Valley of Sydney has had another successful year holding the Lodge of Perfection Reunion in May and the Rose Croix Reunion in November. The 2007 spring Reunion of the Lodge of Perfection honoured the late III. Bro. Clarence G. MacQueen 33°. III. Bro. MacQueen faithfully served both the Valley and Supreme Council for many years.

On April 1, 2007 the Scottish Rite Freemasons of Cape Breton accompanied by the Cape Breton Masonic Choir presented a live portrayal of Leonardo DaVinci's "The Last Supper" at the Savoy Theatre, Glace Bay. The previous week the cast was at the Indian Brook Fire Hall, Indian Brook, Cape Breton where they preformed before a full house. The 'Last Supper' is produced and directed by Mrs. Bonnie Thornhill, wife of III. Bro. Roland Thornhill, 33°. The 'Last Supper' has been portrayed, by the Cape Breton cast, before over three thousand people since its inception.

AWARDS

During the year I had the privilege to present the following Provincial Charitable donations on behalf of the Charitable Foundation: -

Valley of St. John's - Autism Society of Newfoundland and Labrador \$2,000.00

Valley of Halifax - Learning Disabilities Association of Nova Scotia \$1,000.00

Valley of Sydney - Cape Breton Regional Police Service
Anti-Bullying program for school children \$1,000.00

Valley of Summerside - Stars for Life Foundation for Autism \$2,000.00

All of the above awards received a great deal of publicity in their respective Valleys, and were gratefully received.

Also, during the past year I was able to present two Graduate Awards to deserving students on behalf of the Scottish Rite Charitable Foundation as follows: -

Ms. Roxana Vernescue, Memorial University, St. John's. Newfoundland. Her project is "Attention process training in young children with fetal alcohol spectrum disorders". The value of this award was \$10,000.00.

Ms. Nancy Salmon, Dalhousie University, Halifax, Nova Scotia. She is a graduate student completing her last year of studies toward her PhD. The value of this award was \$10,000.00.

GENERAL

The success of any Scottish Rite Valley depends on the Officers and Leaders establishing a desired aim or objective, and then having the ability and determination to move toward that goal or aim.

I am prompted to question the method by which our Officers are selected in some Valleys. It should be assumed that each appointee is a potential presiding officer, and his qualifications for this responsibility should be carefully examined.

My first year in office has been a very rewarding experience and I am grateful for the support of the Officers and Members off all Bodies in this Jurisdiction.

In conclusion, I would like to take this opportunity to thank III. Bro. Matthew Todd, Lieutenant Grand Commander, for his support, guidance and friendship during the past year. He has made my first year a most enjoyable experience.

Respectfully submitted
Robert L. Taylor
Deputy for Nova Scotia, Prince Edward Island
Newfoundland and Labrador.

REPORT OF THE DEPUTY FOR ONTARIO

To the Supreme Council 33^o of the Ancient and Accepted Scottish Rite of Freemasonry of Canada.

Sovereign Grand Commander, Peers and Brethren:

I am pleased to submit my report as Deputy on the state of Scottish Rite Masonry in the following Valleys under my jurisdiction – Chatham, London, Sarnia, Windsor and Woodstock for 2006-2007.

CHATHAM VALLEY (ESTAB. 1950) CHATHAM LODGE OF PERFECTION (223) CHATHAM CHAPTER ROSE CROIX (210)

Tradition in the Chatham Valley continued with the George Morris Fellowship Night highlighting the meeting of September 5, 2006. Although a regular meeting of the Chapter of Rose Croix was held on this evening an open invitation was extended to all Masons and

other prospective Masons to join the festivities and enjoy the barbecue and the sociability. Also a number of twenty-five year pins were presented on this occasion.

I was honoured to be the guest speaker at the Kent Chapter Rose Croix Reunion held on Saturday, October 21, 2006 and was introduced by Past Deputy and Past Active Ill. Bro. G. C. Phair 33°. Prior to the conferral of the 18°, I was pleased to be received in the Chapter, in company with Ill. Bro. G. C. Phair 33° and Ill. Bro. R. L. Waddell 33°. The Degrees at the Reunion were portrayed in fine fashion for the five candidates who appeared most impressed by what they had witnessed.

My wife Madeleine and myself, along with another twenty ladies and members of Supreme Council from the Windsor Valley accepted an invitation from Supreme Council members in Chatham to join them for an enjoyable Christmas dinner and social event in late November.

On Tuesday, February 6, 2007, I accompanied a Degree team from Windsor Valley, under the direction of Ill Bro. Lorne Weaver 33°, who travelled to Chatham to install the newly elected officers of the Chapter of Rose Croix in their chairs. The Most Wise Sovereign elect, Bro. Douglas Sulman 32° was unavailable on this occasion and was installed at a later date.

The Maundy Thursday and Easter Sunday ceremonies were conducted under the direction of Ill. Bro. R. L. Waddell 33°.

Ill. Bro. William J. (Andy) Anderson 33° was the guest speaker at the Lodge of Perfection Reunion held on Saturday, April 14, 2007. Three candidates were present and received into the Scottish Rite.

A cast from the Valley of Chatham were invited and travelled to Moore Consistory in Hamilton on May 11, 2007 to portray the 25° at the Reunion. I was pleased to be present and witness the excellent portrayal of the Degree to the candidates and members of the Consistory present. It was an excellent opportunity for the Chatham Valley members to exhibit the talent and enthusiasm they have for Scottish Rite Masonry.

One of the final events of the year was the inter-valley Social Night held on May 28 at the Lighthouse Cove. Once again a good number of Supreme Council members and Scottish Rite Officers from the Chatham and Windsor Valleys and guests from Sarnia Valley enjoyed a special evening.

It was with great sadness that the passing of Ill. Bro. G. C. Phair was recorded in April. He was a long-time leading force in the Valley of Chatham. He will be missed. We cherish his memory in our hearts.

I want to again convey to the officers, degree directors and all associated with the degree work congratulations for the work they are doing. Best wishes to Thrice Puissant Grand Master Norman Kelley 32° and Most Wise Sovereign Douglas Sulman 32° during their term in office. I have been fortunate to have had the counsel and support of Ill. Bro. G. C. Phair 33° during my term as Deputy and will miss him. My thanks to Ill. Bro. R. L. Waddell, 33° for his continued support and assistance. Finally a special thank you to Ill. Bro. Peter Polkinghorne 33°, Grand Secretary/Registrar for the Chatham Valley for his continued assistance and co-operation.

LONDON VALLEY (ESTAB. 1868)
LONDON LODGE OF PERFECTION (1452)
LONDON CHAPTER OF ROSE CROIX (1507)

Once again the social activities in the London Valley continued through the warm summer months. Three enjoyable events were held and enjoyed by all – Scottish Rite Fishing Derby, Consistory Club Barbeque and the Golf Tournament. A thank you to the organizers of these important fund raising events.

At the Fall Lodge of Perfection Reunion, our newly installed Sovereign Grand Commander, Ill. Bro. Robert Townshend 33°, made his first visit in his new office, to his home Valley. He was the Honoree at the Reunion and the guest speaker at the banquet following the conferral of the 14°. The occasion attracted a large number of guests and ladies for the well attended event. He was received with appropriate honours in company with many other members of Supreme Council, both Active and Past Active.

I was pleased to return to London Valley to attend the Family Christmas Celebration and witness a graduation ceremony of the London Learning Centre. Also, I had the opportunity to present four grants and awards on behalf of the Scottish Rite Charitable Foundation to recipients who were in attendance for the occasion. Fran and Paul Hustler were honoured as recipients of the Kingsmill Meritorious Award for their service as Directors of the London Learning Centre.

London Valley again had an Open Lodge of Perfection Installation on Saturday, January 13, 2007. A well attended luncheon preceded the ceremony and enjoyed the words of Ill. Bro. Raymond Daniels 33° as speaker. It was my pleasure to represent the Sovereign Grand Commander on this occasion and to proclaim Ill. Bro. Bruce N. Whitmore 32° and his officers duly installed.

The London Sovereign Chapter of Rose Croix installed Ill. Bro. Edward J. Burt 18° as Most Wise Sovereign on January 22, 2007. At the Lodge of Perfection's Spring Reunion, Ill. Bro. Gregory H. Hazlitt 33° was the guest speaker as five Masonic Brethren joined the Rite. The Most Wise Sovereign supported the annual Valley Bonspiel held in Ilderton on February 3, 2007.

Our Sovereign Commander was present in his home Valley for the Maundy Thursday and Easter Sunday Services. Ladies and friends were invited to share the Sunday breakfast and ceremony with the Chapter. The Spring Reunion of the Chapter of Rose Croix honoured Ill. Bro. David R. N. Cameron 32°.

The September Lodge of Perfection meeting will be a very special time. Two Valley members, Bro. John Murray Hockin and Bro. George Alexander Morris will receive their 60-year pins and nine other distinguished members will receive 50-year pins. Congratulations to them all.

The London Children's Learning Centre continues to expand. The successes achieved by this Centre continue to spur interest in Valleys all over our jurisdiction. Congratulations and continued success.

I extend my personal regards to Thrice Puissant Grand Master, Ill. Bro. Bruce N. Whitemore 32° and Most Wise Sovereign, Ill. Bro. Edward J. Burt 32° and best wishes for successful terms in office. To Registrar Ill. Bro. Jack S. Mawdsley 32° and Ill. Bro. Douglas R. Banks 33°, I extend my thanks and appreciation for your help and assistance. To Ill. Bro. Robert A. Barnett 33°, your advice, counsel and assistance is most appreciated.

SARNIA VALLEY (ESTAB. 1966)

SARNIA LODGE OF PERFECTION (272)

I was pleased to attend and speak at the Lodge of Perfection Reunion on October 14, 2006 and welcome the large class of thirteen candidates to the Scottish Rite, I was accompanied by several visiting Supreme Council members from the Valleys of Chatham, London, and Windsor for the occasion. The officers and degree teams did a good job to ensure the success of the Reunion.

The Sarnia Scottish Rite Club continues to reach out to the community by allotting two \$500.00 bursaries to deserving area students allowing them to continue their college and university studies. The annual members Christmas dinner and draw assisted in raising funds for the bursaries as well as making donations to community Christmas programmes. Another popular social event was the Scottish Rite Fish Fry held at the Brigden Fair Grounds in late April.

In an effort to reach Scottish Rite members living in rural areas, the Valley requested and received dispensation to hold the April meeting in Brigden at the Craft Lodge Hall. From the indications I have received this was a well-attended enjoyable evening, with only general business and sociability I found this idea very interesting. I have heard of this being done on occasion in other Valleys in our jurisdiction. Perhaps this concept could be encouraged further to bring Scottish Rite to our rural areas.

I extend by best wishes to Thrice Puissant Grand Master Ill. Bro. Gordon Grieve 32° and thanks to Grand Secretary Ill. Bro. Kenneth Kreibich 33° for his assistance.

WINDSOR VALLEY (ESTAB. 1888)

WINDSOR LODGE OF PERFECTION (513)

WINDSOR CHAPTER (457)

At the Fall Reunion of Chapter of Rose Croix, six candidates became members of the Chapter. The degrees performed over the two-day period were done in an excellent manner, a credit to the directors and those involved with the degree work. Also in November, Mr. George Arthur McMahon, Sr. was a guest speaker and provided a very informative talk on the history of Assumption College, now known as the University of Windsor.

On February 13, 2007 the Officers in the Windsor Lodge of Perfection were installed, with Ill. Bro. Paul Barber 32° assuming the chair. Ill. Bro. Barber continues his busy schedule as the Director of the Windsor Learning Centre.

On February 27, 2007 an excellent Degree Team from the Valley of Chatham journeyed to Windsor to install Ill. Bro. Libo Stamboulian 32° as the Most Wise Sovereign and invest the other Officers of the Chapter.

The Valley was honoured to have our Deputy Grand Master III. Bro. Allan Petrisor 33° to attend and speak at the Spring Reunion of the Lodge of Perfection. The Deputy Grand Master and myself were received into Lodge prior to the portrayal of the 4°. The four candidates in attendance for the ceremony were treated to an informative talk by the speaker and some excellent Degree work.

In May a Degree Team from the Valley of Windsor travelled to our Consistory in Hamilton to portray the 23° at the Spring Reunion of the Consistory. The Degree Director, III. Bro. William A. Atkinson 33° can be complimented for the manner in which the work was performed.

The annual social gathering at the Lighthouse Cove, with our Chatham Valley and Sarnia Valley members was well attended and third annual Scottish Rite Fish Fry at the Wheatley Legion was a sell-out.

The month of June was a busy and important month in the Valley. We were pleased to welcome our Sovereign Grand Commander on two occasions. On June 12 the Dedication Service for our Learning Centre was conducted and our first student graduated from our programme. We welcomed in excess of 175 members, guests, students and family members to the Blue Room of our Masonic Temple. Quite a sight to sit in the East and look at a Lodge Room with that many people. Our Sovereign Grand Commander, III. Bro. Robert Townshend 33°, the Grand Prior, III. Bro. Michael Farr 33° and III. Bro. Robert Barnett 33°, Active Members of Supreme Council were in attendance to take active parts in the Dedication Ceremony.

A week later we welcomed back our Sovereign Grand Commander and guests from many surrounding Valleys to take part in the Windsor Valley Annual Golf Classic, in support of our Learning Centre. It was a beautiful day of golf and the ninety plus golfers enjoyed a great day with a steak barbecue at the banquet following. Over \$3,800.00 was realized for the event. The committee thanks all who travelled to our Valley to participate in this event.

I extend my congratulations to Bro. Paul Barber 32°, Thrice Puissant Grand Master and Bro. Libo Stamboulian 32°, Most Wise Sovereign for their continued work and dedication to our Valley. To III. Bro. Dennis O'Leary 33°, Grand Secretary/Registrar, I extend my thanks and appreciation for all the assistance afforded me.

WOODSTOCK VALLEY (ESTAB. 1955)
WOODSTOCK LODGE OF PERFECTION (398)
WOODSTOCK CHAPTER OF ROSE CROIX (308)

I was pleased to attend the Lodge of Perfection Reunion in November and enjoy a message from III. Bro. James C. Sutherland 33°, Commander - in - Chief of Moore Sovereign Consistory at the banquet hour. I was received in the Lodge with the other Supreme Council members in attendance prior to the 14°. The four new members enjoyed the presentation of the degree work.

At the Easter Ceremonies of the Valley, III. Bro. John S. Ault 32° spoke at the Maundy Thursday dinner and III. Bro. Lorne D. Wright 32° at the Easter Morning ceremony.

At the Installation Ceremony of the Lodge of Perfection and the Chapter of Rose Croix a dedicated and long-time server in the Valley, III. Bro. Russ Tousaw 33° retired from his duties as Registrar and III. Bro. Donald L. Pratt 33° was installed in his place. I extend my best wished to III. Bro. Russ Tousaw 33° for his work in the Valley and look forward to seeing him on my visits to Woodstock Valley.

Over the years we all have dedicated members of our craft who pass to the Grand Lodge above. Tragically, the Woodstock Valley lost such a member when III. Bro. William Nadalin 33° succumbed to injuries suffered in a car accident early in the year. I will not soon forget that smiling face and friendly hand shake whenever we met. He was a great ambassador for the Valley, serving as the Scottish Rite Charitable Foundation Chairman, who you were sure to see at Consistory Reunions and Supreme Council Sessions. We cherish his memory in our hearts.

I extend my best wishes to III. Bro. Kenneth E. Ulch 32°, Thrice Puissant Grand Master and III. Bro. L. Wayne Williams 32°, Most Wise Sovereign for successful terms in office. My thanks and appreciation to III. Bro. Donald L. Pratt 33° who has assumed his new duties as Registrar. Your co-operation and assistance is appreciated.

SUMMARY

The Valley Returns are in. The numbers indicate a further decrease in our membership. Although the size of the Reunion classes is smaller than in former years, I feel the sense that those now joining are more dedicated to Scottish Rite. As I pay return visits to my Valleys I see more of these new members participating in activities, as officers, members of committees or participants in the degree work. I do have a sense of encouragement in the direction we are headed.

My Valley visits are most enjoyable and I am warmly greeted and received in the Lodge or Chapter with appropriate honours and am pleased to extend my greetings on behalf of our Sovereign Commander and Supreme Council in his absence.

I am pleased to see that all Valleys continue to schedule social events and fund raising endeavours for the Scottish Rite Charitable Foundation. I would encourage the Valleys to continue to reach out to Masters Masons and to members of the community with events promoting our Rite.

The work being done in the Valleys is of good quality. Let's encourage more of the members to participate and offer only positive criticism when necessary.

As Deputy, I was very pleased to personally present cheques from the Scottish Rite Charitable Foundation to six recipients. These cheques represented over \$100,000.00 in research grants and bursaries. All the recipients know who the Scottish Rite are and what we are doing. Please make this fact known to all your members.

I want to express my sincere appreciation to the Valley Secretaries and Registrars and the Supreme Council members who make me feel at home when visiting their respective Valleys. I would be remiss in not extending my thanks to the Grand-Secretary General, the Executive Secretary and the staff in the Hamilton office for their continued support and assistance.

Respectfully submitted,

REPORT OF THE DEPUTY FOR ONTARIO

To the Supreme Council 33° of the Ancient and Accepted Scottish Rite of Freemasonry of Canada

Sovereign Grand Commander, Peers and Brethren:

I am pleased to submit my report as Deputy on the condition and activities of the four valleys in Ontario under my jurisdiction for the 2006 – 2007 year in accordance with ART. 26. (d) of the Statutes.

GUELPH VALLEY (ESTABLISHED 1900)
ROYAL CITY LODGE OF PERFECTION (641)
GUELPH CHAPTER OF ROSE CROIX (598)

The Valley of Guelph has now adapted quite well to their new meeting format of spreading the conferral of degrees over the entire year rather than in two full reunions. Members and candidates come from a large territory from Tobermory to Goderich to Georgetown, which is largely in the snow belt, which can make travel more arduous and unpredictable. During the year they portrayed the 4°, 5°, 7°, 8°, 13°, 14°, 15°, 16, 17° and 18° and communicated the remaining degrees. The quality of the work was very good. I paid my official visit to the Valley, on April 24, 2007, when the 18° was portrayed. The Maundy Thursday and Easter Ceremonies were again celebrated in both Guelph and Hanover with a good turnout of members present at both locations. The Easter Ceremony on Sunday in Guelph was an "open" event for the first time. A joint Installation and Investiture of Officers for both the Lodge and Chapter was held on May 22 when I was pleased to be present.

It was heartening to note that during the year they gained 10 new members in the Lodge and 11 in the Chapter by initiation and restored 2 members to membership. The Valley is actively promoting Scottish Rite throughout the Valley with good results. The new improved Valley notice and Newsletter are more effectively keeping the brethren informed of activities within the Valley and this is affecting attendance.

Renovations to their premises, which were started some years ago, are now better than 90% complete. The work has been well done and the project greatly enhances their image in the community. A Cornerstone Laying Ceremony, which was attended by representatives of the city, province and federal levels, was held on March 24 with the Grand Master and his officers performing the work. All bodies using the facilities were involved in the event, which was most successful.

The Valley held a walkathon again this year in support of the Learning Centre Program in conjunction with similar events sponsored by the Valley of London. Each year they also hold a summer barbecue, which is well attended, and a time for family and friends to mingle.

It was my pleasure to be with the brethren of the valley on many occasions during the year and to offer my support as needed. My heartfelt gratitude is extended particularly to III. Bros. Alexander W. Watson, 33°, Active Member for Guelph; N. Richard Richards, 33°, Past Active Member; Kenneth R. Rutherford, 33°, Grand Secretary; David J. Arnold, 32°, Grand Registrar; Gene Mumford, 33°, who was a very capable Chairman of the Valley Administrative Council and has now moved to Nova Scotia; and Mrs. Marlene Shaw of the Guelph Valley office and the many Honorary Inspectors-General, officers and members of the Valley for their assistance to me and for their dedication to Scottish Rite Freemasonry in the Valley.

KINGSTON VALLEY (ESTABLISHED 1881)
KINGSTON LODGE OF PERFECTION (259)
ROSE OF SHARON CHAPTER OF ROSE CROIX (217)

During the year the Valley portrayed the 4°, 5°, 7°, 12°, 13°, 14°, 15°, 17° and 18° and communicated the remaining degrees. The quality of the work was very good. The Maundy Thursday and Easter Ceremonies were celebrated with a good turnout of members present.

On January 25 they held a celebration of their relocation to the Kingston Masonic Temple followed by the Installation of Officers. There was a good assembly of Masons and their friends, which was pleasing to see. The Valley has worked hard, under the direction of Ill. Bro. Donald R. Thornton, in making the necessary adjustment to their staging to suit the new premises. I was pleased to be present to make the proclamation and lead the brethren and guests in congratulating the newly installed Thrice Puissant Grand Master and Most Wise Sovereign and their officers. The ceremonies were well done by the members of the Valley and our guests were impressed with what they witnessed.

My Official Visit to the Valley was paid to the Lodge of Perfection, on May 17, 2007, when the 14°, was portrayed. I was pleased at that time to be able to deliver the Lecture of the degree. In the afternoon Ill. Bros. Donald R. Thornton, John Davidson and I paid a visit to Ill. Bro. Douglas John Neill to present him with his 50-year pin and certificate. At the meeting we had the pleasure to present Ill. Bro. Maynard Slack with his pin and certificate with his son taking part. In my address to the brethren I stressed the need to take personal responsibility for the welfare of Scottish Rite in general and to their Valley in particular by taking an active part in its activities. I also brought them up-to-date on the success that the Scottish Rite Charitable Foundation is having with the Learning Centres in London, Windsor and Halifax and future prospects for additional centres to be established.

Ill. Bro. C. Robert Townshend, Sovereign Grand Commander, paid his Official Visit to the Valley on June 21 and was entertained at lunch by Ill. Bros. Donald R. Thornton, 33°, Deputy for Ontario; D. Fraser Howes, 33°, Past Active Member; and the Honorary Inspectors-General of Kingston Valley when he was given the opportunity to address them about the activities of Supreme Council and to answer their questions. In addition, the officers of both the Lodge and Chapter hosted the Sovereign Grand Commander at an informal supper. Unfortunately, due to an accident my wife Shirley had, I was unable to attend but was pleased with reports I received on the quality of the meeting.

To assist with the management of the Valley, the By-Laws were amended to provide for the officers to have a two-year term. Hopefully this change will add some additional stability to the officer corps.

The Valley continues to have a Scottish Rite Degree team, which confers craft lodge degrees on the invitation of a craft lodge. Now that they are more settled in their new home, they will undoubtedly turn more of their attention to attracting new candidates to the Rite and we wish them every success and pledge our full support of their efforts.

The Valley continues to be in reasonable financial shape given the declining membership. While the membership is down, they are dedicated to preserving the quality of the work. The sale of the building is now complete and the move to rented quarters will preserve their capital and reduce the need to increase dues.

My thanks are extended to Ill. Bros. Donald R. Thornton, 33°, Active Member for Kingston and Deputy for Ontario; D. Fraser Howes, 33°, Past Active Member; John Davidson, 33°, Grand Secretary/Registrar; Stewart Deline, 32°, Thrice Puissant Grand Master; Wayne Martin, 32°, Most Wise Sovereign and all the officers and members for making me most welcome among them and for providing me with assistance as needed.

NIAGARA VALLEY (ESTABLISHED 1923)
ELGIN LODGE OF PERFECTION (495)
NIAGARA CHAPTER OF ROSE CROIX (430)

Elgin Lodge of Perfection confers the degrees over the course of a year so the candidates become used to attending on a monthly basis. They held their reunion on March 29, 2007 when I paid my Official Visit to the valley. Prior to the meeting, a banquet was held at the Niagara Shrine Club where I addressed the candidates and brethren and encouraged them to put into practice the concepts portrayed in the degrees. At that time I spoke about the need to internalize the concepts portrayed in the degrees and to make them a part of their daily lives because that is how we all become better men in a better world. I spoke about the need to be supportive of the officers in their efforts to foster renewal and encouraged them to support the many social events that the valley has. I also spoke about the Scottish Rite Charitable Foundation Learning Centres for Dyslexic Children and encouraged the brethren to support this initiative with their contributions.

Elgin Lodge of Perfection and Niagara Chapter Rose Croix held their Installation of Officers on April 19 and I was pleased to be present and to make the proclamation. The work, as always, was done with dignity and precision.

Both the Lodge and Chapter confer each of the degrees in full over the course of the year so each candidate receives all of the degree lessons in order. This system has the added benefit of instilling the habit of attendance on a regular basis in the candidates and encourages a bonding in the class as they attend for each degree. The result is the involvement of more of the new members in the work of the Valley and a deeper sense of belonging.

On May 30 the Valley held a Master Masons' Night at the St. Catharines Masonic Temple, which I was unfortunately unable to attend due to my wife's accident on May 28. All reports that have reached my ear are positive and we look forward to the receipt of many new applications. Incidentally, it was particularly pleasing to note that the lodge was able to maintain its number of members during the year, which is the first time in a number of years. We extend our congratulations to the officers and members for this achievement, which is the result of much hard work by a dedicated team.

In addition to the usual meetings, the Valley held a family barbecue during the summer, which was well attended, and a repeat of this event is scheduled for August 5, 2007. In addition a Ladies' Night was held when the brethren expressed their appreciation to the ladies for their support.

The Third Annual Think Tank for Guelph, Kingston, Niagara and Peterborough Valleys will be hosted October 20 by Niagara at the St. Catharines Masonic Hall. They have an active committee planning for this event and we know from the results obtained from the previous events that the brethren will leave with renewed energy and direction for their respective valleys. These events have proven to be a good means of drawing the four valleys more closely together and producing new ways of looking at each Valley's opportunities and concerns. Each person who attends receives a copy of the minutes and goals are set for each Valley for those things which they will try during the following year.

The officers and brethren of Niagara Valley made me feel at home on each of my visits and I thank them for so doing. My heartfelt thanks is particularly extended to Ill. Bros. Thomas Lewis, 33°, Active Member for Niagara and Grand Treasurer-General of Supreme Council; Charles A. Sankey, 33°, Past Active Member; Donald Dixon, 33°, Past Active Member; and Harold Mustard, 33°, Grand Secretary/Registrar for all their assistance to me during the year.

PETERBOROUGH VALLEY (ESTABLISHED 1923)
PETERBOROUGH LODGE OF PERFECTION (958)
PETERBOROUGH CHAPTER OF ROSE CROIX (861)

On November 30, 2006, the Peterborough bodies held their annual Installation Ceremonies. The officers are eager to maintain the high standards set by their predecessors and with the guidance and support of the members I feel confident the valley will continue to progress.

I made my Official Visit to Peterborough Lodge of Perfection on March 10, 2007 when I enjoyed the quality of the work presented. At the noon luncheon I addressed the brethren and encouraged them to internalize the lessons learned in the degrees. To make them a part of their daily lives because that is how Masonry makes good men better. To really get value for the money they spent to join they need to take an active part in the Valley. I also discussed the progress the Learning Centres program of the Foundation is making and encouraged them to take an active part in supporting and promoting this endeavour.

The Valley continues to have a degree team of 33° Masons perform Craft Lodge degrees throughout the area in Craft Lodges, which brings the Scottish Rite to the attention of Master Masons. On the social side, the Valley held their first Annual Charity Golf Tournament on August 25, 2006 and they also held a Walkathon in May with the proceeds going to the Learning Centre project of the Foundation.

The formation of Scottish Rite Clubs within a valley are a means of forming closer relationships among the brethren as they share in charitable and social projects. Peterborough Valley has two such clubs. The Scottish Rite Club of Victoria District held its first meeting on October 17, 1944 and has been in continuous operation since that time. It meets in the Royal Canadian Legion Hall in Kinmount and its core purpose is its charitable activities. The Oshawa Scottish Rite Club meets in the Oshawa and District Shrine Club and has been in operation since 1925. It meets four times per year on the 4th Wednesday of April, June, October and November. April and November are for members only while June and October are Ladies' Nights, June being the Annual Strawberry Festival. Both of these clubs give the brethren an opportunity to get together in a social setting to put into practice the lessons portrayed in the degrees. They are to be commended for their efforts.

My heartfelt thanks is extended particularly to Ill. Bro. Brian W. Gilkinson, 33°, Active Member for Peterborough and Grand Marshal of Supreme Council, for his assistance and for acting in my stead when I was absent from the jurisdiction. In addition my thanks are offered to Ill. Bros. William Fairley, 33°, Past Active Member; Eric L. Shaw, 33°, Grand Secretary/Registrar; and the officers and members of the Valley. I look forward to considerable progress in the Valley.

GENERAL COMMENT

During the year the valleys under my jurisdiction have continued to work together in addressing some of their mutual concerns, which has, in my opinion, been particularly helpful in determining courses of action to be pursued. Improvements have been noted in each Valley on those matters, which concern them most, and the practice of having annual Think Tanks is now well rooted. We expect to see a further revitalization of Scottish Rite in these Valleys over the coming year.

Respectfully submitted,
Donald D. Thornton
Deputy for Ontario

Special appreciation is extended to Ill. Bro. Donald N. Campbell, 33^o, for his many years of dedicated service as Deputy for Ontario and congratulations on his appointment as Grand Secretary-General.

The Fall Reunions of the Lodge, Chapter and Consistory were named in honour of Ill. Bro. Lachlan Brood Jack, 33^o, and the Spring Reunions honoured Ill. Bro. Lewis Bertred Robertson, 33^o, a well-deserved recognition for both brethren.

While the Valley records approximately 1700 members, only 85 to 90 attend the Reunions. An effort is being made to improve this situation.

To counter a decline in membership the Valley was one again granted dispensation to hold a Master Mason's Day on Saturday, April 21 from 10:00 am to 1:00 pm, including an informal light lunch. This unique timing and format has proven very successful.

The annual barbecue and pig-roast held on August 18, is a fun day and serves to raise funds to keep the regalia and costumes up to date and clean.

VALLEY OF HAMILTON

MURTON LODGE OF PERFECTION (Membership - 1662, meetings held - 6)

The Lodge honoured the Brantford Scottish Rite Association, established in 1915, for their work in supplying hospital beds and wheelchairs to those in need in the Brant County area. The Caledonia and District Cast presented the 11^o on February 6, 2007. Ten new candidates received their 14^o at meetings on November 6 and 7. Members of the class of 1981 were invited to receive their 25-year pin and 19 members to receive their 50-year recognition. HAMILTON SOVEREIGN CHAPTER OF ROSE CROIX (Membership - 1333, meetings held - 4)

The Chapter Fall Reunion on November 8, 2006 conferred the 18^o on 10 new members and at the Spring Assembly in April 2007, they welcomed 12 new members.

MOORE SOVEREIGN CONSISTORY (Membership - 7767, meetings held - 4)

I was pleased to accompany the Sovereign Grand Commander, III. Bro. C. Robert Townshend, 33^o, on his official visit to the Valley of Hamilton, where he addressed the 86 new candidates at the noon luncheon. The Fall Reunion held November 9, 10 and 11, 2006 saw 28 new members receive the 32^o. Casts from Chatham, Windsor and Toronto Valleys presented the 25^o, 23^o and 21^o. The drama portion of the 32^o is unique within the Canadian jurisdiction, being staged as a Word War One, battlefield court martial, and a moving presentation, especially on Remembrance Day. Dispensation was granted allowing Veterans to wear their medals, and Masonic Brethren, not members of the Consistory, to join in this moving Remembrance Day Service. III. Bro. Michael Farr, 33^o spoke at the noon luncheon and casts from the Peterborough and Toronto Valleys presented the 26^o and 31^o dramas respectively.

On March 17, 2007 I was pleased to represent the Sovereign Grand Commander at the DeMolay Ontario Convocation held in the Hamilton Scottish Rite Cathedral. Members representing the DeMolay, Rainbow Girls and Job's Daughters presented a cheque in the amount of \$1,000 to the Scottish Rite Charitable Foundation for the Learning Centres. Edith and I were pleased to be their guests at the banquet.

GENERAL COMMENTS

The Valley was saddened by the passing of its most prominent member III. Bro. George Carlton Phair, 33^o, Past Deputy for Ontario and Past Active Member.

III. Bro. George M. Calder, 33^o, was honoured as a recipient of the John Ross Matheson Award of Distinguished Service.

The Valley holds a number of social and fundraising events during the year involving the general public - Breakfast at the Rite with Santa, the Annual Christmas Pageant, Christmas Dinner for the Honorary Inspectors-General and their Ladies. Annual banquets in Simcoe and Brantford hosted by local Scottish Rite Associations prove to be a positive source for new candidates.

In an effort to recognize the many members of the Valley of Kingston who are members of the Hamilton Consistory, III. Bro. George Benton, 33^o, was assigned as liaison between that Valley and the Consistory. III. Bro. Jim Sutherland, 33^o, Commander - in - Chief, accompanied III. Bro. Townshend, Sovereign Grand Commander, on his visit to Kingston Valley in June.

The Officers, members of all three bodies are congratulated on the high standard demonstrated in conducting Lodge business and presenting degrees. III. Bro. Lloyd Oakes, 33^o, on the Casavant Organ continues to add his special touch to the ceremonies. The efforts of the brethren of the Hamilton Valley in maintaining and preserving the Hamilton Scottish Rite Cathedral/Masonic Centre is recognized and appreciated.

Appreciation is extended to III. Bro. Allard Loopstra, 33^o, Grand Chancellor, and the Honorary 33^o for their leadership and support.

VALLEY OF OTTAWA

An Official Visit was made to the Ottawa Lodge of Perfection, on Jan. 22, 2007 at which time I was invited by Ill. Bro. Grant Stonehouse, 32°, Thrice Puissant Grand Master, to address the membership at the banquet. Also in attendance were Ill. Bro. Mark McLean, 32°, Most Wise Sovereign and Ill. Bro. Rick Malloch, 32°, Commander-in-Chief of the Ottawa Consistory. The brethren were wished well as they prepare to host the Annual Session of Supreme Council in September 2007.

As a Foundation Director, I was pleased to present Ill. Bro. Ian McGill, 33° a silver lapel pin and certificate in recognition of his significant donations to the Scottish Rite Charitable Foundation of Canada.

Four candidates were in attendance to receive the 14° with approximately 70 members present, including 17 Honorary Inspectors-General. The Ritual work and staging of 14° was well done. The Valley is blessed with many talented members.

MURRAY CHAPTER ROSE CROIX

The 15° and 17° were conferred on March 26 followed by a social evening. Maundy Thursday was observed by a banquet followed by the 18° and the extinguishing of the Lights.

OTTAWA CONSISTORY

The Consistory under the leadership of Ill Bro. Rick T. Malloch, Commander – in - Chief, welcomed the new members at its Spring Assembly held on Friday, May 4 and Saturday, May 5.

GENERAL COMMENTS

The brethren of the Valley under the Chairmanship of Ill. Bro. Peter Harbert and Vice-Chairman Sam Kalinowsky have experienced a very challenging year as they prepared to host the 133rd Annual Session of Supreme Council from September 11 to the 15, 2007.

The Lodge of Perfection was forced to cancel the Spring Reunion due to lack of applications, a regrettable situation considering that the greater Ottawa region has a population of approximately 830,000. It is expected that the Valley will review their management practices and take steps to remedy this membership situation. Concern was expressed regarding the small attendance of officers at the annual election of officers for all three bodies, which were held during the business portion of a Lodge of Perfection meeting in accordance with their By-Laws.

The Lodge, Chapter and Consistory, along with the other Masonic Bodies who share the facility are facing a severe financial challenge to maintain the Walkley Road Masonic Centre.

VALLEY OF TORONTO

GRAND LODGE OF PERFECTION (Membership – 2044 meetings held – 8 + 2)

The Spring Reunion Toronto Grand Lodge of Perfection was held on May 5, 2007, with III. Bro. J. Kenneth Lowery 32°, serving as Thrice Puissant Grand Master. The Deputy was invited to give the noon luncheon address. A large class of 38 members was the result of the Valley holding Master Mason Nights. Concern was expressed over a perceived decline in the commitment of by some of those assigned to various offices and duties. While there was a need for last minute fill-ins, the degrees were presented in a fine manner. The Deputy was presented with cheque for \$150 as a donation to Scottish Rite Charitable Foundation, which was passed on to the Treasurer of the Scottish Rite Charitable Foundation.

TORONTO SOVEREIGN CHAPTER Rose Croix (Membership – 1713 meetings held - 9 + 2)

The Fall Reunion, of the Chapter was held Nov. 4, 2006, with III Bro M David Sheen, 32° as Most Wise Sovereign. Seventeen candidates were in attendance for the presentation of the 15°, 16°, 17° and 18°, at the Shrine Centre, Keele Street, Toronto. The staging and ritual presentation of the degrees was of the highest order and reflected a personal interest and dedication on the part of all those who took part. III. Bro. C. Robert Townshend, 33°, Sovereign Grand Commander addressed the members at the noon luncheon and was formally presented in the Chapter by the Deputy Donald R. Thornton, 33°, accompanied by Past Sovereign Grand Commander, III. Bro. John Lawer, 33°, and the Active members III. Bro. Richard Quinton, 33°, and III. Bro. Gareth Taylor, 33°, III. Bro. Townshend thanked III. Bro. Donald Campbell, 33°, for his many years of dedicated and valued service as Deputy for Ontario. The Sovereign Grand Commander recognized III. Bro. D. R. Thornton on his assuming the office of Deputy and III. Bro. Gareth Taylor, 33°, on becoming an Active Member of Supreme Council.

GENERAL COMMENTS

Once again brethren from the Valley of Toronto formed a degree team and traveled to Hamilton to present the 21° during the Spring Reunion of Moore Sovereign Consistory.

Dispensation was granted allowing the Valley of Toronto to host a Master Masons Night at which the drama portion of the 16° was staged under the direction of III. Bro. Sydney 'Skip' Whitley, 33°, Chairman of the Membership Committee. The event was held at Rameses Masonic Centre on Thursday May 24, 2007 at 7.30 pm. Master Masons from the seven Toronto Masonic Districts and Ontario Masonic District were invited to attend. The event was organized to inform the brethren about the nature of Scottish Rite and encourage their future participation in Scottish Rite Freemasonry.

**RAPPORT DU DÉPUTÉ
POUR LE QUÉBEC**

To the Supreme Council 33° of the Ancient and Accepted Scottish Rite of Freemasonry of Canada.

Sovereign Grand Commander, Peers and Brethren:

I have the pleasure to submit hereafter my annual report on the Scottish Rite Valleys of the Province of Québec for the year ended May 31, 2007.

During the year, the five bodies of the Valley of Montreal had a good year overall, with numerous candidates, and the quality of the ritual work was generally very good. I assisted to most of the degrees presented. However, I noted that the assistance for each degree could have been more numerous.

This year, I made my official visit to the Valley of Québec on April 11 accompanied by Ill. Bro. Marc-André Sicard, 32° and was very well received by the Quebec Chapter of Rose Croix where the Brethren, as usual, gave us a very warm welcome. I attended the relighting ceremony, which was performed in a bilingual way. At the same occasion, I met privately with the 33° members residing in the Valley. I explained my concerns with the fact that no candidate received degrees in either body during the last year. We had a candid but frank discussion on the issues of recruiting policy and the introduction of French in their work. They were reminded that the brethren of the Valley of Montreal were ready to assist. These issues I reiterated in open Chapter during the evening. We received assurances that the situation would change and that recruitment efforts would be undertaken accordingly.

In addition to attending the Grand Lodge of Quebec Annual Communication in May, in my quality as Deputy for Quebec, I also was present, both times in the City of Granby, to the Annual Sessions of the Grand Chapter of Quebec of the Order of the Eastern Star, in October, and those of the Grand Chapter of Royal Arch Masons of Quebec, in May. These activities do a lot to link the members of the concordant bodies. It is worth mentioning that, due to the leadership of Ill. Bro. John Prosnick, 33°, in his quality as Grand Master of the Masons in Quebec, a new sign is now in evidence on the lawn in front of the Montreal Masonic Memorial Temple, showing, around the Square and Compasses, the emblems of the Grand Lodge of Quebec, the Ancient and Accepted Scottish Rite, the Shrine, the Royal Arch Masons and the Order of the Eastern Star. All these bodies contributed.

Two dispensations were issued by the undersigned during the last year, respectively to the Hochelaga Sovereign Chapter of Rose Croix and the Montreal Sovereign Consistory, so as to allow the installation of past officers instead of two officers elect that resigned before being installed. I am grateful to Ill. Bros. Lawrence Dobby and Robert McConnell, both 33°, who accepted to fill in at very short notice. This is a fine example that 33° masons are there to serve and that they do so.

I had the pleasure to present four awards on behalf of our Scottish Rite Charitable Foundation over the last year. Unfortunately, these had to be presented privately at my office, and one sent by mail, as the timing and agenda of the various bodies did not allow this to be done formally during our meetings. On Nov. 27 and the following day, I have

presented Major Research Grants respectively to Dr. Guy Doucet of the University of Montréal and Dr. Lionel Carmant of l'Hôpital Ste-Justine, for the second time in his case. The latter informed me that Dr. Cossette, of l'Hôpital Notre-Dame, a former recipient of our Major Grants, had just made a major breakthrough with his research team, and that he would soon publish his results in a prestigious journal of medicine. I passed on this information to Dr. Gareth Taylor, 33°. During last summer, I also presented two \$1000 awards to meritorious young college students, one being the grand daughter of a late Quebec mason, the other the step daughter of a Montreal 32° brother, to help out with their tuition fees.

On June 7, I was saddened to receive the resignation of Ill. Bro. John A. Prosnick as Active Member of this Supreme Council for personal reasons. I immediately informed our Sovereign Grand Commander. We surely owe John gratitude for the work he did as Deputy for Quebec from 2000 to 2004, and these two last years as Active Member. A nomination for a replacement candidate was duly filed with the Grand Secretary-General shortly thereafter.

The 33° members of both Valleys did not meet this year, nor did we have inter-visitations with Vermont. We will endeavour to renew these initiatives during the coming year.

Le tout respectueusement soumis.

I hereby file this my report and I would ask that it be accepted by this Council.

M^{me} Pierre A. Phaneuf
Deputy for Québec

REPORT OF THE DEPUTY FOR SASKATCHEWAN

To the Supreme Council 33° of the Ancient and Accepted Scottish Rite of Freemasonry of Canada

Sovereign Grand Commander, Peers and Brethren:

It is my privilege and pleasure to submit this report on the condition and activities of the Scottish Rite Valleys in Saskatchewan for the year ending May 31, 2007, in accordance with ART. 26 (d) of the Statutes and Regulations.

During the course of the year, Scottish Rite Freemasonry in Saskatchewan has been saddened by the death of Ill. Bro. James Nixon, 33° on April 30, 2007. Bro. Nixon was a supporter of the Saskatchewan Masonic Family. He served the Grand Lodge of Saskatchewan as Grand Master in 1975-76 and was active in the Royal Order of Scotland, Wa Wa Shriners, the Regina Valley of Scottish Rite and his lodge, Assiniboia Lodge No. 49. Bro. Nixon enjoyed Masonry and shared his interest and knowledge with many brethren.

VALLEY OF Moose JAW

The Moose Jaw Lodge of Perfection and the Alexander Sheppard Chapter of Rose Croix held regular meetings throughout the year. The Easter Ceremonies of Extinguishing and Relighting the Lights were also held.

I attended the meetings of Lodge of Perfection and Chapter Rose Croix in March. The Valley has installed new slates of Officers this past year and continues to ponder its future. A thorough audit of the membership role is underway and the financial statements are being completed.

VALLEY OF REGINA

The Regina Lodge of Perfection held a Reunion in November 2007.

Regina Chapter Rose Croix held a reunion in April 2007 and conducted the Easter ceremony of Extinguishing and Relighting the Lights. A breakfast for members, families and friends took place after the Memorial Service on Easter Sunday.

In November, the Consistory met in Moose Jaw and enjoyed a lunch arranged by the Moose Jaw members. The Saskatchewan Consistory Reunion was held in May. "Team 24" from the Valley of Saskatoon exemplified the 24°.

Members of the Regina and Moose Jaw Valleys once again raised funds for the Saskatchewan Heart and Stroke Foundation and members of the Valley participated in the Learning Centres Walkathon. The Annual Christmas Dinner was held on November 29, 2006, with 100 members, spouses and fraternal ladies in attendance.

In January, the three Regina bodies once again held a combined Installation under the direction of Ill. Bro. Ken Orr, 33° and Ill. Bro. Thomas V. Hannan, 33°. Following the Saturday morning Installation, attended by more than 45 members, an Installation luncheon was held.

The Valley Executive meets regularly and benefits from the active participation of many Honorary Inspectors-General.

VALLEY OF SASKATOON

The Saskatoon Lodge of Perfection held a successful Reunion in November.

The Saskatoon Chapter of Rose Croix held their Annual Reunion for 11 candidates in April. The Reunion was named in honour of Ill. Bro. Bill Pizzey, 33°, who was Grand Master for the Grand Lodge of Saskatchewan for 2006-07. The Chapter also conducted the Ceremony of Extinguishing and Relighting the Lights and held a Rose Ceremony for Departed Brethren and an Easter Brunch. Family and friends were invited to attend the Easter Sunday activities. It is noteworthy that the candidates for Rose Croix came from four different Saskatchewan communities: North Battleford, Prince Albert, Nipawin and Saskatoon.

Saskatoon Consistory has scheduled its 2007 Reunion for October 2007. The 2006 Reunion was held in September 2006.

The Combined Installation of Officers was held on Saturday, January 13, 2007, followed by a banquet. Members of the Saskatoon Valley Fellow Craft Degree Team this past year have, at the invitation of several lodges, passed candidates. The Degree Team has been

well received and raised the profile of Scottish Rite in Saskatchewan. The Valley has a group known as "Team 24" that exemplifies the 24°. In March they were the guests of the Scottish Rite Bodies in Sioux City, Iowa. They were enthusiastically received and have had invitations to portray the degree in other centres.

The Valley holds Executive meetings regularly. Ill. Bro. Bill Fitzsimmons, 33°, the other Active member from Saskatchewan, has been attending functions in the Saskatoon Valley on my behalf.

VISITATION

During the course of the year, in addition to visiting all the Scottish Rite Bodies in the province, I brought greetings on behalf of Scottish Rite in Saskatchewan and the Sovereign Grand Commander to the Annual Communication of the Grand Lodge of Saskatchewan and to the Grand Chapter Session of the Order of the Eastern Star. At the Eastern Star Session it was announced by the Worthy Grand Matron that the Scottish Rite Learning Centres would be designated as their official charity for 2007-08.

Ill. Bro. Bill Fitzsimmons, 33° brought greetings to the Annual Communication of the Grand Chapter of the Royal Arch Masons of Saskatchewan. The Grand Lodge of Saskatchewan held its 101st Communication in Saskatoon, Sask. on June 15 and 16, 2007. I was invited as a special guest and brought greetings on behalf of the Sovereign Grand Commander. On behalf of the Scottish Rite Charitable Foundation of Canada, I was pleased to present a cheque for \$2000.00 to the Regina Public School Division. The money will be used to evaluate several different software packages and new electronic devices to assist elementary and high school students with learning disabilities, including dyslexia.

GENERAL COMMENTS

The co-operation of the Presiding Officers and Grand Secretaries/Registrars of the Valleys, the active involvement of the Sovereign Grand Inspectors-General and the Honorary Inspectors-General within the jurisdiction, and the on-going assistance of the Grand Secretary-General, Executive Secretary and office staff in Hamilton is appreciated.

Respectfully submitted,
Richard A. H. Brown
Deputy for Saskatchewan

ILL. BRO. ALBERT EARL BIBLE

Albert Earl (Bert) Bible was born in Edmonton on August 19, 1926. His parents immigrated to Canada from Ireland in the early 1900's. His father, Jack Bible, was a mounted constable with Edmonton Police Service, an avid horseman, and racehorse owner/jockey.

Bert attended Norwood and McCauley schools, and graduated with honours from McDougall Commercial High School in 1946. He was very skilled in penmanship, shorthand, typing and bookkeeping.

He did not serve in the military during WWII, as he received his training notice the day before the war ended. Although, his two brothers both served in the Navy, and his sister was a decorated Air Force Sergeant.

After high school, Bert studied for two years via the Faculty of Extension of LaSalle University and majored in Accounting. He began work as a Revenue Assessor for Alberta Lands and Forests, He then worked for Revenue Canada as a Payroll Auditor and Assessor. He furthered his career as an Accounts and Credit Manager with Industrial Acceptance Corp., Coutts Machinery, John Deere, and eventually he became the Industrial and Commercial Accounts Manager at Laurentide Finance (which became the National Bank of Canada) from where he took an early retirement package in 1984. He worked for 7 more years at Edmonton Telephones in the Commercial Credit department until retirement at the age of 65.

Bert was married in 1950 to his first wife Helen. His daughter Leigh was born in 1951, and his son Dale in 1955. He lived in Jasper Place and the Ottewell areas until being divorced in 1975. In 1976 he married Patricia Atkinson, who passed away suddenly in 1987 and he never remarried. He lived in the Capilano Towers apartments for over 30 years and was the longest residing tenant, until he was relocated to the Shepherd's Care Ottewell complex in 2006. For many years he was a regular patron at Capilano Mall where he socialized with many people in the coffee shops and on the mall benches

Through the 1950s and 60s, Bert was quite involved in umpiring baseball. He started out by umpiring women's fastball and then umpiring men's first division fastball at Clark Park. He umpired at the highest levels, including the Canadian Fastball Championship games.

Bert's first passion was his Masonic life. He was initiated into craft masonry in 1950, and became Worshipful Master of Edmonton Lodge No. 7 in 1968. He was particularly renowned for his oratory skills and his delivery of the General Charge. He is also noted for some significant changes to his lodge during his tenure as Worshipful Master, such as eliminating the need to wear "tails" to meetings, and also to allow "licensed pleasures" to be consumed at the festive boards after lodge meetings. As much as he strived for order and decorum, he had a good sense of humour and enjoyed having a little fun after meetings as well. In 1987 –1988, Bert also served as the Grand Director of Ceremonies for the Grand Lodge of Alberta. In 1962 he joined the Scottish Rite of Freemasonry and obtained his 32°. He was Commander in Chief of the Consistory in 1976, and served as Director and/or Assistant Director for the 32° for 15 years. In 1998 Bert was coroneted an Honorary Inspector-General.

Bert's daughter Leigh was a Princess of Bethel No. 7 of Job's Daughters and his son Dale was Master Councillor for Edmonton Chapter Order of DeMolay. Bert also served as a Chapter Dad and on the DeMolay Advisory Council for several years.

His son Dale is a Past Master for Edmonton Lodge No. 7 (1994), and is a 32° in the Edmonton Valley, and is one of the Directors for the 5°.

Bert joined the Al Azhar Shrine Temple in 1977 and was a founding member of the Edmonton Al Shamal Temple in 1986, and a member of the Patrol Unit.

He was a member of the Order of the Eastern Star, Past Worthy Patron for both Amity and Patience Chapters in Edmonton. He served two terms in Patience Chapter in 1997-98.

Bert was initiated into Royal Arch Masonry, Northstar Chapter No. 2 in 1994, and completed his Royal Arch Mason degree in 1995 at the age of 69.

ILL. BRO. WALTER MURRAY DOUGLAS

With sadness we record the passing of Ill. Bro. Walter Murray Douglas, 33°.

The Valley of Barrie and Freemasonry lost a highly esteemed and dedicated brother on September 19, 2005 when he passed to the Grand Lodge Above. He was born April 11, 1927, on the Douglas farm near Meaford, Ontario, to the late Percy and Mabel (Bowes) Douglas. He is sadly missed by his wife, Lois, daughters Nancy and Julie; son-in-law Brad Vail; grandchildren Matthew and Allie; and brother Mack.

He received his formal education at White's School and Meaford High School. An avid reader with a love of learning and a passionate interest in the world around him, his education continued throughout his lifetime. In 1948, heeding the call of his adventuresome spirit, he and his friends worked their way across the Prairies to the West Coast on a Harvest Excursion. Returning home, he worked with his father on the family farm, taking it over in 1952. As a conscientious steward of the land, he continued farming until his retirement in 1997.

He married Lois Murray, a teacher, on August 22, 1953. Their love and support for each other throughout the years became an inspiration to their family and many friends who joined with them in 2003 to celebrate their fiftieth wedding anniversary.

His keen business sense and entrepreneurial spirit led him to purchase a parcel of land on the shore of Nottawasaga (Georgian) Bay and create a subdivision, retaining lots for himself and his family. Here, he designed and built their dream home, fulfilling a life-long ambition to one day live on the water. A fine craftsman, he built many pieces of beautiful furniture for their home, his grandfather clocks being the ultimate reflection of his skill. He enjoyed family picnics and camping trips, dancing, tending his large garden, the Keady farmers' market, coffee with the "boys" where he kept current with world and local affairs and attending the many and varied activities of his grandchildren.

He was a faithful member of Knox Presbyterian Church in Meaford. He served on the St. Vincent Township Area School Board and the Township Planning Board.

Murray commenced his dedicated and active Masonic career when he was initiated into Pythagoras Lodge No. 137, Meaford, Ontario, on February 4, 1952, where he served as Worshipful Master in 1961 and as District Deputy Grand Master of Grey Masonic District in 1977 – 1978. He was a member of all three Scottish Rite bodies in Barrie, and was coroneted an Honorary Inspector-General on September 12, 1991 in Thunder Bay, Ontario.

Bro. Douglas believed life was a journey and his integrity, high standards, reliability and common sense approach were consistently applied to the two great priorities throughout his life – his family and Freemasonry. He projected a great sense of purpose to everything he did. His motto was, "if a job's worth doing, it's worth doing well."

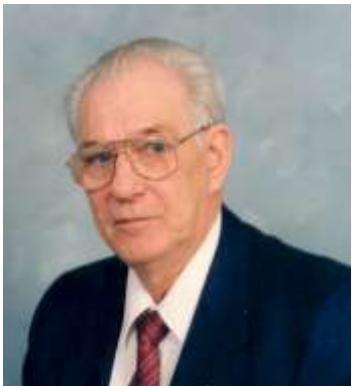

A Masonic Memorial Service was held on September 21, 2005 at the Ferguson Funeral Home with well over one hundred brethren in attendance.

The funeral service took place September 22, 2005, at Knox Presbyterian Church. The eulogy was given by daughter Nancy, with M.W.Bro. R.E. Davies delivering a Masonic tribute. We are most grateful for the privilege of having known him. Our pathway is brighter still because he worked life's journey with us. He was a beloved and dedicated member of our craft and the embodiment of everything that symbolizes Freemasonry. His presence will be sadly missed and long remembered.

May his soul rest in heavenly peace and may light perpetual shine upon him.

"Well done, thy good and faithful servant!"

On Tuesday, May 31 2005 the Valley of Barrie lost a dedicated Mason, a good friend, a family man and citizen. He had been in failing health for the past year, during which time he was not able to be active, but prior to his initial bout with cancer, he was an active participant in all phases of family life, serving his community and Freemasonry.

Jim was born on March 5, 1930 in a small farming town of Leamington in Essex County, Ontario. He received his formal education in Leamington and following graduation would relocate with his family to the Village of Everett, Ontario. It was here that he met his wife Mary (nee Haza). They have 3 children, Peter, Paul and Mary Margaret (Parsons) and 6 grandchildren.

Mourners, while attending the funeral, listened as Jim Wales' many roles were listed – a true family man, church member, farmer, politician, firefighter, auxiliary OPP officer, and indefatigable community volunteer. His surviving wife, Mary and 3 children, were deeply gratified by how huge of an impact he made on the community, evidenced by the support they had received since his death. Jim Wales had a career as long and varied, as it was successful.

Jim Wales served at both the local and County levels of government. He was a Councilor, a Reeve, a Mayor and Warden of Simcoe County in 1973.

He also served on the Board of Directors of the local hospital in Alliston, Board of Governors for Georgian College and the Nottawasaga Conservation Authority; all both as Director and Chairman.

He began his Masonic career in February 1957, when he was initiated into Seven Star Lodge No. 285, Alliston, passed to the 2° degree in April and raised to the Sublime degree of a Master Mason in May of the same year. He would progress through the chairs and become Worshipful Master in 1967.

Bro. Wales joined the Scottish Rite in 1958, receiving his 14° on April 23 in the Barrie Lodge of Perfection; received his 18° on November 19, 1958 in the Spry Chapter Rose Croix, and his 32° on May 6, 1960 in Moore Sovereign Consistory in Hamilton. Jim became a charter member of the Valley of Barrie Consistory 1978. He was coroneted an Honorary Inspector-General on September 14, 1979 in Niagara Falls. He served the Valley as a strong supporter and Director of several degrees.

Jim was a member of Rameses Shrine Temple, Toronto, Sheba Shrine Club, Barrie, and was one of the founding members of the Voyageurs Unit of that club.

Ambassador Noble Peter Hughson recognized the Noble Jim Wales ... "as a gentleman's gentleman. He had great principles as a Mason, and was very dedicated to his family, community and to this Shrine Club in particular.... and we are all the better for it! Sheba is very fortunate to have both his sons Peter and Paul as members, to continue on their Father's legacy".

Our Brother will be sadly missed in the community that he served, the church and all the members of Freemasonry whose lives he touched.

"We cherish his memory in our Hearts – and may he rest in peace"

ILL.: BRO.: ALBERT CARMAN WHITMORE

GENERAL COMMENTS

The 133rd Annual Session of Supreme Council was held in the beautiful city of Ottawa, our Nation's Capital. Its many parks, walkways, canals, and buildings add to the beauty of this city. I am sure that it brought back many memories to those of us who have visited before and made a lasting impression on the first time visitor.

The Get-Acquainted Night on Wednesday evening allowed people to renew friendships and make many new ones.

The conferral of the 33^o before the Vesper Service was a change and many comments, pro and con, have been received.

The Vesper Service was held in Christ Church Cathedral, a long established House of Worship with its beautiful windows and architecture. The service had our Sovereign Grand Commander III. Bro. C. Robert Townshend, the Lieutenant Grand Commander, III. Bro. Matthew F. Todd and III. Bro. Donald R. Thornton, Deputy for Ontario taking part.

The inspirational service was delivered by, the Reverend Dr. Todd Townshend, son of our Sovereign Grand Commander.

The changes in the seating arrangements at the banquets of having our guests, their wives, candidates and their wives sit at tables with the Honorary Inspectors-General and their ladies proved enjoyable to all concerned.

The ladies tour and luncheon was well attended and enjoyed by all.

To the Chairman, Peter Harbert and his committees, we say thank you for all your dedication and hard work.
